Wyatt's Tested Seeds 1946

F-93 Wyatt's Kobe Lespedeza

F-2 Wyatt's NCT-1 Hybrid Corn

F-146 Wyatt's Ogden Soy Beans

JOB P. WYATT & SONS CO. Seedsmen
RALEIGH, NORTH CAROLINA
F-2 Wyatt’s NCT-I
(Yellow Corn Hybrid)

The results of the first general crop of this hybrid have been better than expected. The highest yield reported, 121 1/2 bushels per acre, was made on the Wake County, North Carolina, farm of Mr. Leroy Martin, Raleigh, who used 300 lbs. 3-12-6 and 500 lbs. of Arcadian Nitrate of Soda per acre. Other growers report yields from 80 to 100 bushels per acre with an official average of 83 1/2 bushels per acre for tests in Guilford, Halifax, Hoke and Onslow counties during last year. About 150 ears per 100 stalks. Grain quality good. Order early. Prices: 8-lb. bag $1.90, postpaid. Not prepaid, 8-lb. bag $1.75; 28 lbs. (1/2 bu.) $5.00; 56 lbs. (bu.) $9.75.

You Can Depend on
WYATT’S HYBRIDS

In your purchasing of Hybrid Corns, more than in anything else, you must depend upon the responsibility of your supplier. You may be sure that we have taken every precaution to see that the Corns that we ship will reflect credit upon our reputation of 64 years standing.

ORDER EARLY!

F-4 NC-1032 (Yellow Corn Hybrid)

A high yielding yellow hybrid of good grain quality, shuck protection and strength of stalk. Ears smaller than NCT-1 but more prolific, with about 180 ears per 100 stalks.

Prices: 8-lb. bag $1.90, postpaid. Not prepaid, 8-lb. bag $1.75; 28 lbs. (1/2 bu.) $5.00; 56 lbs. (bu.) $9.75.

F-1 NCT-23 (Yellow Corn Hybrid)

A large-eared yellow hybrid for Piedmont and Coastal Plains. Average Northern Piedmont yield for 1944-1945 was 86.9 bushels per acre. In eight tests during the past two years in the Coastal Plains T-23 averaged 54.6 bushels per acre as compared with 54.8 bushels for T-1.

Prices: 8-lb. bag $1.90, postpaid. Not prepaid, 8-lb. bag $1.75; 28 lbs. (1/2 bu.) $5.00; 56 lbs. (bu.) $9.75.
**F-3 TENNESSEE 10**

2 EAR WHITE CORN HYBRID

A consistently good white hybrid for the upper coastal plains, piedmont and mountain sections. In the 1945 field trials Tennessee 10 yielded over 99 bushels per acre in the northern Piedmont tests. The ears are well protected by the sheath and grain quality is good. This hybrid also had the highest average yield in 8 separate tests conducted at 4 widely separated locations in the Coastal plains during 1944 and 1945. 87 days to silking. Prices: 8 lb. bag $1.90, postpaid. Not prepaid, 8 lb. bag $1.75; 28 lbs. (1/2 bu.) $5.90; 56 lbs. (bu.) $9.75.

**F-24 N. C. T-11**

YELLOW HYBRID

High yields, good grain quality, good stalk strength, fair weevil resistance, tolerant to chinch bugs. Adapted throughout the Piedmont and Coastal Plains area. Yields during 1945 were 85.3 bu. per acre in Halifax County, 64.8 in Hoke, 73.2 in Onslow, 84.2 in Guilford. Prices: 8 lbs. $1.90, prepaid. Not prepaid, 8 lbs. $1.75; 28 lbs. (1/2 bu.) $5.00; 56 lbs. (bu.) $9.75.

**F-146 OGDEN SOY BEANS**

An early maturing bean outyielding older varieties substantially and for that reason rapidly replacing Tokio. Wood's Yellow and Haberlandt in commercial production. In addition to increased yields of beans, Ogden contains a higher oil content and is slower to shatter than other varieties. Branching at the ground and being resistant to most leaf diseases, this variety is also an outstanding hay producer. Seeds resemble Tokio except smaller and 45 pounds will drill an acre in 3 1/2 foot rows. 125 days. Prices (f.o.b. Raleigh): 15 lbs. (peck) $1.25; 60 lbs. (bu.) $4.60; 2 bu. bags $4.50 bu.; 10 bushels or more at $4.40 bushel.

**F-197 HEGARI**

This versatile crop is rapidly replacing other varieties of grain and fodder sorghums. No grower regrets changing from an old variety to hegari. A 5 to 1 crop it serves for grazing, bundle feeding, hay, ensilage, or grain and will do any of these better than any other crop in use today, and without sacrificing quality because a distinctly superior quality crop is produced for any of these purposes. Plant after last frost in spring, drilling 5 to 8 lbs. per acre in 12-24 inch rows. 110 days. Prices: Lb. $0.30; 3 lbs. 45c; 5 lbs. 85c, prepaid. Not prepaid, 10 lbs. $1.00; 50 lbs. $4.50; 100 lbs. or more at 81/2c per lb.

**F-296 WYATT'S COMBINE MILO**

A superior dwarf or combine type milo for the Eastern Seaboard. Disease resistant, non-shattering, uniform and early maturing. Designed for combining and is well adapted for hogging down. Outyields corn in many instances especially on light or poor soils and requires much less labor and expense to produce the crop. Drill 4 to 6 pounds per acre. Matures 100 to 110 days. Prices: Lb. 30c; 3 lbs. 45c; 5 lbs. 85c, prepaid. Not prepaid, 10 lbs. $1.00; 50 lbs. $4.75; 100 lbs. or more at 81/2c per lb.

ASPARGUS
CULTURE: The ground should be well
manured and prepared before either the
roots or seeds are planted. Plant the seed
in early spring; soak overnight in water;
plant in hills 1 foot apart and 2 feet
between, or 3 feet between if to be
cultivated with a plow; put from 4 to
5 seeds in each hill; when well up, thin
out to 2 plants.
14 New Pedigreed Washington
Pedigreed Washington Asparagus stands
ahead of all other varieties as a standard
for the home or market garden. Seed
prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb.
$1.50, postpaid.
12 Palmetto An excellent variety
especially adapted to the South. Prices: Pkt.
10c; oz. 15c; ½ lb. 45c; lb. $1.50, postpaid.
ARTICHOKE
Sow in drills during winter or early
spring 3 inches apart and 1 foot from
row to row and cover with about 1½
inches of earth.
10 Large Green
Plants of medium height with large thistle
like, deep green foliage. Prices: Pkt. 10c;
oz. 60c. postpaid.
ARTICHOKE ROOTS: See page 10

26 Giant Stringless Green Pod
An excellent variety for home, market,
garden, shipping and canning. Plants
are vigorous, large and productive. Pods are
round, meaty, brittle and stringless. For a
better crop of handpods ½ to 1 inch beans
plant our extra quality Idaho grown, hand
picked Giants. 50 days. Prices: Pkt. 10c;
½ lb. 23c; lb. 46c; 2 lbs. 65c; 5 lbs. $1.35,
postpaid. Not prepaid, 10 lbs. $2.10; 50 lbs.
$10.00; 100 lbs. or more at 18c lb.

17 Bountiful Bountiful is practically
rust and mildew proof, very
hardy, extremely early and bears con-
tinuously for many weeks. The pods are
large, rich green in color, and almost flat and
straight. They are uniform in shape, solid,
meaty, tender and delicious, 45 days. Prices:
Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 65c; 5 lbs.
$1.35, postpaid. Not prepaid, 10 lbs. $2.10;
50 lbs. $10.00; 100 lbs. or more at 18c lb.

21 Streamliner A new white seeded addition to
the plants are strong, vigorous, and produce a heavy crop.
The pods are medium green in color, exceptionally long,
measuring 8 to 10 inches, flat, and practically straight.
The quality is excellent, the pods being tender
and stringless, and retain their high quality until near full
maturity. 50 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c;
2 lbs. 70c; 5 lbs. $1.50, postpaid. Not prepaid, 10 lbs.
$2.40; 50 lbs. $11.30; 100 lbs. or more at 25c lb.

24 Tendergreen Plants of upright growth and
heavy producers. This new variety
of superior quality is stringless and vigorous, producing
attractive medium dark green pods 7 inches long. Pods
are round, meaty, tender and stringless. 54 days. Prices:
Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 65c; 5 lbs. $1.40,
postpaid. Not prepaid, 10 lbs. $2.50; 50 lbs. $10.50;
100 lbs. or more at 26c lb.

25 Tennessee Green Pod This early snap bean
is a great favorite in
some parts of the south, for home garden planting. It
is a heavy yielder of large, broad, flat pods which are 6 to
7 inches long. The pods are irregular in shape but the
flavor is exceptionally fine. 48 days. Prices: Pkt. 10c; ½
lb. 25c; lb. 46c; 2 lbs. 65c; 5 lbs. $1.40, postpaid. Not
prepaid, 10 lbs. $2.50; 50 lbs. $10.50; 100 lbs. or more at
25c lb.

18 Burpee's Stringless Developed and introduced
before 1900 and constant-
ly improved since. Our Burpee's Stringless grown under
irrigation in the highland regions of Idaho are distinctly
superior beans. Plants are sturdy, bushy and productive.
Pods are nearly round, slightly curved, stringless, meaty
and fibreless, 5 to 6 inches long. 40 days. Prices: Pkt. 10c;
½ lb. 25c; lb. 46c; 2 lbs. 65c; 5 lbs. $1.30, postpaid. Not
prepaid, 10 lbs. $2.00; 50 lbs. $9.30; 100 lbs. or more at
18c lb.

27 Plentiful Bronze Medal winner in the 1938 All-
America selections. PLENTIFUL is a green,
flat-podded bush bean—an improved and very
productive variety of the Bountiful type. The plants
are long, straight, medium deep green pods somewhat larger
than those of Bountiful. The attractive pods are well
filled, brittle, stringless and uniformly straight. PLENTI-
FUL shows a definite resistance to wilt. Prices: Pkt. 10c;
½ lb. 25c; lb. 46c; 2 lbs. 65c; 5 lbs. $1.35, postpaid. Not
prepaid, 10 lbs. $2.10; 50 lbs. $10.00; 100 lbs. or more at
18c lb.

Wyatt's Tested Seeds

HAND PICKED, IDAHO GROWN: Plant suc-
cessively every two weeks from March 25
through August.

Bean Culture: Beans are sensitive to
both cold and wet, so do
not plant till the ground is warm. To have a
continuous supply plant every two weeks
till the last of August; farther South they
may be planted even later. Make the rows
2 to 3 feet apart, drop the beans 3 to 4
inches apart and cover 1½ to 2 inches deep.
Give frequent but shallow cultivation up to
blossoming time, not afterward and never
when the plants are wet. Plant in a light
loamy soil that warms up quickly. One
pound plants 100 feet; 60 lbs. will plant an
acre. Wyatt's Garden Beans are produced
from the finest stock seed and are grown
in the mountain states of the West. They
are disease free.

Asparagus

CULTURE: The ground should be well
manured and prepared before either the
roots or seeds are planted. Plant the seed
in early spring; soak overnight in water;
plant in hills 1 foot apart and 2 feet
between, or 3 feet between if to be
cultivated with a plow; put from 4 to
5 seeds in each hill; when well up, thin
out to 2 plants.

Prices:
Pkt. 10c; oz. 15c; ½ lb. 45c; lb.$1.50, postpaid.

12 Palmetto An excellent variety
especially adapted to the South. Prices: Pkt.
10c; oz. 15c; ½ lb. 45c; lb. $1.50, postpaid.

Asparagus Roots: See page 10

Artichokes

Sow in drills during winter or early
spring 3 inches apart and 1 foot from
row to row and cover with about 1½
inches of earth.

10 Large Green
Plants of medium height with large thistle
like, deep green foliage. Prices: Pkt. 10c;
oz. 60c. postpaid.

Artichoke Roots: See page 10

18 Burpee's Stringless Beans

40 Bountiful Stringless Wax Beans

14 Asparagus
22 Stringless Red Valentine
Similar to the old favorite but less stringy. Plants are hardy, erect and productive. Pods are round, creasebacked, brittle and good flavored. 50 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 70c; 5 lbs. $1.45, postpaid. Not prepaid, 10 lbs. $2.30; 50 lbs. $11.00; 100 lbs. or more at 21c lb.

28 Wyatt's New Stringless Black Valentine
A great improvement over the old time Black Valentine Bean. This new variety is absolutely stringless. It retains the earliness and productivity of the regular stock of Black Valentine and the pods are straight, dark green, crisp, tender and make a splendid appearance for home use or market. Black Valentine is the safest bean for extra early spring planting or late fall planting since it will withstand lower temperatures than most early varieties. 45 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.35, postpaid. Not prepaid, 10 lbs. $2.10; 50 lbs. $10.00; 100 lbs. or more at 19c lb.

WAX PODDED BUSH SNAP BEANS

46 Sure Crop Stringless Wax
Very prolific and of finest eating quality. Handsome, rich yellow pods are 6 to 7 inches long, almost round, very meaty and sweet; stringless at all times. Plants very upright in growth, healthy and vigorous. Sure Crop Wax is ideal for home gardens, truckers, or canning purposes. 48 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.40, postpaid. Not prepaid, 10 lbs. $2.30; 50 lbs. $10.50; 100 lbs. or more at 20c lb.

51 Kentucky Wonder Pole Wax
The best wax pole bean. The pods are very long, 8 to 9 inches, handsome, thick, meaty, of good flavor, but show stringiness in color. Early maturing. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 60c; 5 lbs. $1.70, postpaid. Not prepaid, 10 lbs. $2.80; 50 lbs. $13.50; 100 lbs. or more at 26c lb.

48 Pencil Pod Black Wax
Bushy vines, very prolific, 15 inches high, bear round, thick, stringless, rich yellow pods, 6 to 7 inches long, of excellent quality containing black seeds. 48 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.50, postpaid. Not prepaid, 10 lbs. $3.50; 50 lbs. $19.50; 100 lbs. or more at 27c lb.

19 Full-Measure
The pods are straight, round, about six inches long, very fleshy and of fine quality. Perfectly stringless and tender. They are early, productive and continue to bear over a long period. Our stock is the finest obtainable and will please the most critical growers. 52 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 70c; 5 lbs. $1.45, postpaid. Not prepaid, 10 lbs. $2.30; 50 lbs. $11.00; 100 lbs. or more at 21c lb.

45 Golden Wax
Plants disease resistant and productive. Pods thick, flat, brittle and stringless. Excellent for home gardens. 50 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.40, postpaid. Not prepaid, 10 lbs. $2.60; 50 lbs. $12.50; 100 lbs. or more at 24c lb.

43 Brittle Wax
Large vigorous plants and very productive. Handsome pods are round, stringless, fleshy and brittle. Widely used commercially and fine for home gardens. Also the outstanding wax for canning. 56 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 80c; 5 lbs. $1.65, postpaid. Not prepaid, 10 lbs. $2.70; 50 lbs. $13.00; 100 lbs. or more at 25c lb.

40 Wyatt's Bountiful Stringless Wax
Particularly valuable for market garden and shipping. Plants grow large and very productive. Fine clear yellow pods often measure ½ inch wide and 7 inches long and are entirely stringless, brittle, fleshy and fine grained. 46 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.40, postpaid. Not prepaid, 10 lbs. over a $2.50; 50 lbs. $10.50; 100 lbs. or more at 28c lb.
### POLE SNAP BEANS

**CULTURE:** In planting these varieties set poles 6 to 8 feet long in rows 4 feet apart and extending north and south, the poles being 2 feet apart in the row. Around each take plant five to eight beans 1 1/2 to 2 inches deep. When well started, thin to four plants, and see that they all climb around the pole in the same way, for they will not grow if tied up in opposite directions. Use one packet to twenty poles; 1 pound to 100 poles; 30 lbs. to the acre.

107 Kentucky Wonder or Old Homestead
An old time favorite with home and market gardeners. It is a vigorous grower and climber and a wonderfully heavy producer. The pods are 6 to 10 inches long, dark green in color, very meaty, tender and practically stringless. 48 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.40, prepaid. Not prepaid, 10 lbs. $2.20; 50 lbs. $10.50; 100 lbs. or more at 20c lb.

110 Nancy Davis or Striped Creaseback
A vigorous and productive bean that bears quantities of fat, round, bushy pods nearly 10 inches long. A fine bean for either the home garden or market, particularly for growing in corn. 72 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.40, prepaid. Not prepaid, 10 lbs. $2.20; 50 lbs. $10.50; 100 lbs. or more at 20c lb.

103 White Creaseback or Cornfield
A good snap bean or dry shell bean for winter use. It is a heavy and long standing, vigorous grower and produces round 5-inch curled green pods. 63 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $2.40; 50 lbs. $11.50; 100 lbs. or more at 22c lb.

101 Wyatt's Ideal Market
Pods are 5 1/2 to 6 inches long, perfectly round, absolutely stringless, meaty, tender and of excellent quality. First pickings are just a trifle behind bush beans planted at the same time. The pods hang in great clusters. 44 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.40, prepaid. Not prepaid, 10 lbs. $2.20; 50 lbs. $10.50; 100 lbs. or more at 22c lb.

108 White Seeded Kentucky Wonder
Same as the regular Kentucky Wonder only white-seeded. 60 days. Prices: Pkt. 10c; 1/2 lb. 25c; 2 lbs. 70c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $2.40; 50 lbs. $11.50; 100 lbs. or more at 22c lb.

109 McCaslan
A heavy bearer of large, well-filled, deep green, meaty stringless pods of delicious flavor. 63 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.40, prepaid. Not prepaid, 10 lbs. $2.20; 50 lbs. $10.50; 100 lbs. or more at 24c lb.

112 Cut Short or Cornfield
May be used as snaps, shelled green for drying for winter use. 73 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.50, prepaid.

### BUSH LIMA or BUTTER BEANS

**CULTURE:** Plant after the ground is warm and frost is over. Plant bush limas in 3-foot rows, dropping 3 beans 12 inches apart in the row. For the tall varieties, set 6- to 8-foot poles firmly in the center of the hills 3 feet apart in 4-foot rows before the seeds are planted. Cover the beans 1 1/2 inches deep; cultivate only when the vines are dry. One pound of large seeded limas will plant 60 hills; 60 pounds to the acre. One pound of the smaller seeded varieties will plant 100 hills; 50 pounds to the acre.

64 Wyatt's Baby Fordhook
Result of crossing Fordhook 1 and Henderson Butter. Plants small but branched and vigorous. Extremely productive. Pods are short thick and filled with 3 to 4 richly flavored, fine quality beans. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $2.20; 50 lbs. $11.50; 100 lbs. or more at 22c lb.

63 Fordhook 242
A distinct improvement over the standard and Fordhook, especially in setting beans. The vigorous plants have more foliage and will set pods in abundance even during hot dry weather. The beans have the same fine quality and are large and thick. This is the bush lima that you have been waiting for! Prices: Pkt. 10c; 1/2 lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $2.50; 50 lbs. $13.00; 100 lbs. or more at 25c lb.

66 Henderson's Bush Lima
The most popular small seeded bush lima bean. A very productive variety and a fine bean to dry for winter use. 65 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.30, prepaid. Not prepaid, 10 lbs. $2.50; 50 lbs. $12.50; 100 lbs. or more at 18c lb.

67 Burpee's Bush Lima
75 days. Large, flat, white, tender, meaty lima bean. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 45c; 2 lbs. 75c; 5 lbs. $1.55, prepaid. Not prepaid, 10 lbs. $2.25; 50 lbs. $12.50; 100 lbs. or more at 20c lb.

69 Prolific Bush Lima
The beans are larger and thicker than the Henderson Bush Lima and are preferred by some growers. 65 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $2.00; 50 lbs. $9.50; 100 lbs. or more at 18c lb.

68 Calico Bush or Jackson Wonder Lima
This variety will stand dry weather better than other sorts. Dry beans are dark brown. 68 days. Prices: Pkt. 10c; 1/2 lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $2.25; 50 lbs. $9.50; 100 lbs. or more at 18c lb.
BEETS GROW the YEAR 'ROUND

Beets are easy to grow. One ounce will sow 100 feet of drill; five to six pounds to an acre. The soil should be thoroughly worked and the seeds drilled ½ inch deep in rows a foot or more apart. When the seedlings have four leaves thin the plants to 12 inches apart in the row. For winter and early spring crops sow from July to October 1. For spring and summer crops sow successively as early as soil can be worked.

123 Crosby's Egyptian
The skin is smooth and dark red; foliage sparse and erect. The roots are almost round, with a small tap-root and a very small crown of leaves. The flesh of the beets is deep blood-red, with slightly lighter zonings. The texture is crisp and free from fiber. 52 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $5.00, postpaid.

124 Early Flat Egyptian
These roots are distinctly flat and have a smooth surface. It is usually somewhat smaller than Crosby's Egyptian and of a very dark red color. 50 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $5.00, postpaid.

125 Early Blood Turnip
Early market beet, also suitable for the home garden. The roots are nearly round; exterior color dark red, crisp, tender, sweet and a good keeper. 50 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $5.00, postpaid.

126 Long Smooth Blood
An old-time favorite in the South; it has long, smooth, blood-red roots growing well down into the soil, enabling it to resist drought and heat. 60 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.50; $5.00, postpaid.

127 Red Chard
Swiss Chard or Spinach Beet is prepared for table in the same manner as spinach; sometimes, however, the midrib is prepared like asparagus. Seed planted early in the spring will quickly produce plants from which cuttings may be made in 24 days, and continued all summer, as you can cut right down to the ground, and new shoots will soon spring up and make a fast growth, while those planted which are allowed to grow on without any cutting will make large curly leaves with thick, light colored mid-ribs. 20 days. Prices: Pkt. 5c; oz. 10c; ½ lb. 35c; lb. $1.25; 2 lbs. $2.25, postpaid.

BRUSSELS SPROUTS and BROCCOLI

cold hardy — plant early and late

BRUSSELS SPROUTS
One ounce will produce 1,000 plants

CULTURE: A delicious vegetable that affords fresh green sprouts in the fall and winter when nothing else is available. Cultivate like cabbage. Pick the sprouts from the stem when large enough and prepare like cabbage or cauliflower. The sprouts are of better quality when frozen and may be left out until December 1 or later.

148 Half-Dwarf Perfection
Plants grow 18 inches to 3 feet high, are very hardy and give compact round sprouts of large size and good quality. 100 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 40c; ½ lb. $1.35; lb. $4.50, postpaid.

CULTURE: Sprouting or heading varieties are cultivated the same as cabbage or cauliflower and ½ lb. of seeds are required per acre. The Salad Broccoli is cultivated like turnips and 1 ounce of seed will drill 100 ft.; 2 lbs. of seed per acre.

141 Italian Green Sprouting
It is quite distinct from the white heading broccoli. The plants are rapid growing and produce a large head at center of plant in about 80 days from date of planting. The head is a compact cluster of tightly closed flower buds and resembles cauliflower only in shape. When the central head is cut, numerous sprouts develop from the leaf axils, each sprouting in small green separate heads. These are cut in lengths of 10 to 12 inches and the thin bunches of 2 or 3 for second crop. Served in the same way as asparagus, they form a very tasty and nourishing dish. 100 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50, postpaid.

143 Broccoli; Salad
This variety is very popular in the eastern part of North Carolina. It is planted in the fall, and in growth somewhat resembles the Seven Top Turnip. In the spring it sends up sprouts, which are cut and bunches for market. Try some without half; it is a good, tender, and of excellent quality. Prices: Pkt. 5c; oz. 15c; ½ lb. 30c; lb. $1.00, postpaid.
CULTURE: Seed spring and summer crops September to March: fall and winter crops April to August. Plants started in a seed-bed, should not be crowded or they will run up weak and not endure transplanting well. When 4 to 6 inches high, transplant to open field, setting the plants as deep as the first leaf stems. Give frequent pinching. Transplant plants to the earth at the rate of one plant per 2 1/2 feet. The larger and later sorts, 2 feet apart in 2-foot rows. They need a light and well-drained soil. One ounce will produce about 1,500 plants: 1 lb. will produce sufficient plants to set an acre.

152 Charleston Large Wakefield
It matures about ten days later than Early Jersey Wakefield. The heads are blunt pointed but broad at the base and fully one-half larger than the Jersey Wakefield. It is a favorite with shippers on account of its hardness, earliness and size of 5 cts. 75 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

165 Stein's Early Flat Dutch
A standard second early sort, sure, solid header, of even size, weight average 10 pounds each. It succeeds in most sections of the South, as it resists heat well. 75 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

161 All Seasons A valuable second or early variety and a reliable header. It resists heat and drought well. A round headed variety. 85 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

162 Large Late Drumhead
A popular winter cabbage producing large, deep and solid heads. It is a sure header and a good keeper. 110 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

170 Drumhead Savoy
This variety is gaining in popularity of recent years and should be planted in every garden. It has an exceptionally fine flavor and is sweet and tender. It is a winter variety and should not be planted until July. The leaves are savoyed or somewhat crumpled. 53 days. Prices: Pkt. 10c; oz. 30c; ½ lb. 90c; lb. $3.00; 2 lbs. $5.50; 5 lbs. $13.00, postpaid.

151 Early Jersey Wakefield
Earliest of all varieties. The heads are pointed, of medium size, uniform and with few outer leaves. The quality is excellent. The universal popularity demands that more than ordinary attention be given to the selection of plants for breeding purposes, having earliness, sureness, to head solidity and uniformity of growth and maturity. In Wyatt's Early Jersey Wakefield this careful selection has been critical and continued through many years and we are confident no finer stock can be obtained at any price. 65 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

154 Copenhagen Market
The large round heads average 4 lbs. in weight. They are very solid and have a small core. The plants are short stemmed, the heads being produced almost on the surface of the ground. A most productive variety, attractive and always tightly folded. 75 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 90c; lb. $3.00; 2 lbs. $5.50; 5 lbs. $13.00, postpaid.

166 Early Round Dutch
The round heads are top quality, solid, early. Heads about 1 1/2 inches across and 3 1/2 to 6 inches deep, averaging 4 1/2 to 5 pounds each and ready for the market 2 to 3 weeks earlier than the flat Dutch types. 70 days. Prices: Pkt. 10c; oz. 35c; ½ lb. $1.20; lb. $4.00, postpaid.

160 Midseason Market
A medium large, round, solid heading variety of strong growing habits. Good quality. Weight 6 pounds. 78 days. Pkt. 10c; oz. 35c; ½ lb. $1.20; lb. $4.00, postpaid.

158 All Head
It is a second early variety and a sure header. It has very few outer leaves. 85 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

159 Henderson's Succession
Largely grown by market gardeners and a general favorite. One of the surest headers among the mid-season varieties producing solid heads of the very finest quality. Recommended for medium early, mid-summer or for late planting, as it also keeps well for winter use. Wyatt's strain is the genuine stock. 80 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

153 Large Charleston Wakefield
The heads are uniformly large, flat but not deep; distinctly flattened on top; solid and of excellent quality. A late fall or winter variety. 100 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

169 Chinese Wong Bok or Celery Cabbage
Can be sown early in August and again in July. The heads are upright, resembling Cos or Roman Lettuce. It is of mild flavor and can be served as a salad or turned like lettuce. The seed is very fine. Shredded it outclasses the finest Cabbages. 75 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 65c; lb. $2.00; 2 lbs. $3.25, postpaid.

Wyatt's Cabbage Plants
On page 21 we list Cabbage Plants and plants of many other popular vegetables that go to make your garden complete. Tomatoes, peppers, egg-plants, collards, lettuce, onions, etc. We can recommend these plants all of which are produced from our own seeds. Each plant is dug and packed properly so as to reach you in good condition. See page 21.

WYATT’S CARROTS — IMPORTANT FOOD CROP

CULTURE: One ounce of seed for 100 feet of drill, 3 to 4 pounds per acre. Rich in vitamin A, B, C and G, carrots are one of the most valuable food crops. The plant has no serious insect enemies, is rarely subject to disease. The culture of carrots is easy, being practically the same as that of beets. When practicable, grow them in soil that has been richly fertilized the previous season. Freshly manured soil will often produce divided roots. Plant the seed ½ inch deep in loose, well prepared soil, making rows 15 to 24 inches apart. Cultivate as soon as the plants are well established and thin to 2 to 3 inches in the row. Plantings may be made from early spring until mid-June and again in the early fall.

182 Imperator

An outstanding type developed to meet the demand of the most critical market trade for a long, smooth carrot. Tops are medium but strong enough for good bunching. Roots have rounded shoulders, smooth deep rich orange—uniformly tapered to a semi-blunt end. Flesh fine grained, tender and of excellent quality. Prices: Pkt. 10¢; oz. 15c; ½ lb. 50¢; lb. $1.60; 2 lbs. $2.80; 5 lbs. $6.25, postpaid.

183 Chantenay

A half-long variety, medium early, and matures in about 65 days. The roots are smooth, uniform and blunt, grow 5⅛ inches long and are a deep golden orange color, making an attractive appearance. 65 days. Prices: Pkt. 10¢; oz. 15c; ½ lb. 50¢; lb. $1.60; 2 lbs. $2.80; 5 lbs. $6.25, postpaid.

184 Red Cored Chantenay

This new variety is a decided improvement over the old type as it is quite free from the ordinary yellow core found in most carrots. It is a medium early variety, half-long, smooth, blunt-rooted sort. The color is deep orange and the flavor is delicious. 65 days. Prices: Pkt. 10¢; oz. 15c; ½ lb. 50¢; lb. $1.60; 2 lbs. $2.80; 5 lbs. $6.25, postpaid.

181 Oxheart

Desirable for stiff soils as the roots are short, usually measuring 4 to 5 inches long. The flesh is tender and sweet. 82 days. Prices: Pkt. 10¢; oz. 15c; ½ lb. 50¢; lb. $1.60; 2 lbs. $2.80; 5 lbs. $6.25, postpaid.

185 Danvers Half-Long

This fine half-long variety commands approval wherever planted. Hand-grown for a late main crop and produces a very high yield per acre. The roots average 6 inches long. 68 days. Prices: Pkt. 10¢; oz. 15c; ½ lb. 50¢; lb. $1.60; 2 lbs. $2.80; 5 lbs. $6.25, postpaid.

186 Long Orange

A fine variety for light soils as the roots grow 10 to 12 inches long and taper in a straight line to the tip. The flesh is deep orange and this variety is considered the heaviest cropper of all carrots. A splendid variety for stock feeding. 80 days. Prices: Pkt. 10¢; oz. 15c; ½ lb. 50¢; lb. $1.60; 2 lbs. $2.80; 5 lbs. $6.25, postpaid.

188 Scarlet Nantes Coreless

A very superior early table carrot, uniform in shape and size, 6 to 7 inches long, by 1¼ inches through, clean skinned, smooth and the color is a rich red orange. 65 days. Prices: Pkt. 10¢; oz. 15c; ½ lb. 50¢; lb. $1.60; 2 lbs. $2.80; 5 lbs. $6.25, postpaid.

189 Giant Paschal

A home-garden variety, good for fall and winter storage. Plants large, starchy, with dark green leaves. Stalks long, broad, and solid; blanches to yellow-white: of excellent nutty flavor. Prices: Pkt. 10¢; ½ oz. 35¢; oz. 65¢; ¼ lb. $2.25; lb. $7.50, postpaid.

187 Golden Self-Blanching

This is the big hearted variety, with no hollow stalks, even and free from green tops. The plants are compact and stocky with yellowish-green foliage, stalks perfectly solid of fine flavor and attain a good size. Prices: Pkt. 10¢; ½ oz. 45¢; oz. 80¢; ¼ lb. $5.70; lb. $9.00, postpaid.

209 Celeriac or Turnip-Rooted Celery

The roots, which are the edible portion, keep well for Winter use and are excellent for soups and stews. Prices: Pkt. 10¢; ½ oz. 30¢; oz. 50¢, postpaid.

CAULIFLOWER

One ounce of seed will produce 1,500 plants, ½ pound sufficient for an acre

CULTURE: Plenty of moisture is necessary for their development, especially at heading time. Sow seed in hot-bed in November, transplant into cold frame for protection during the winter, and set out in the fields early in April. For late crop, sow seed about the 15th of April. Cultivate like cabbage. When the heads commence to form, draw the outside leaves over the head to protect it from the sunlight, thus keeping it white.

191 Wyatt’s Snowball

It is adapted to early outdoor planting and even late summer growing. It is a remarkably sure header and matures in about 65 days after planting. The plant is compact and produces medium to large round heads, 9 to 10 inches in diameter, 85 days. Prices: Pkt. 25¢; ½ oz. 1.25¢; oz. 2.40; ¼ lb. $8.00, postpaid.
SUGAR CORNS

CULTURE: Plant 5 or 6 grains, 1½ inches deep, 1 foot apart in rows 3 feet apart. When plants are 4 inches high pull out all but two plants to the hill. For very early corn, the hardest and earliest maturing varieties can be planted the latter part of March if the weather is mild, but Corn should not be planted until April, or until the Spring weather opens and the ground gets warm as it has a tendency to rot in the ground if planted too early or during a continued cold or rainy spell of weather. It should be planted at least 2½ inches deep. Not prepaid, every two weeks until August, so as to have Corn for use during the entire season.

254 Golden Cross Bantam (Hybrid)
A new disease-resisting Sugar Corn. The ears are larger than Golden Bantam, maturing about 8 days sooner and the equality equally fine in every respect. We recommend this variety because of its ruggedness and dependability. 80 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 60c; 2 lbs. $1.00; 5 lbs. $1.50; 10 lbs. or more at 36c lb.

247 Golden Evergreen
The most important new corn in the market for the past ten years. Theprincipal feature of this hybrid variety is that it can be planted in the South every thirty days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.00. Not prepaid, 10 lbs. $2.25; 50 lbs. $10.50; 100 lbs. or more at 36c lb.

250 Extra Early Adams
The earliest white corn in cultivation. Except Early Extra, makes a small ear and stalk, and can be planted close together. The grains are white and smooth. 56 days. Prices: Pkt. 10c; ½ lb. 20c; lb. 35c; 2 lbs. $1.05; 5 lbs. $1.60. Not prepaid, 10 lbs. $5.00; 50 lbs. $10.00; 100 lbs. or more at 36c lb.

256 Norfolk Market
A very heavy yielding white variety of the market corn variety. Slightly larger and later than Large Adams with 10 to 12 rows of well formed ears of deep white grains of sweet, tender corn. Recommended for home use as well as market. 75 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 35c; 2 lbs. $1.00. Not prepaid, 10 lbs. $2.00; 50 lbs. $10.50; 100 lbs. or more at 36c lb.

252 Wyoming's Silver King
This variety has been grown extensively in the southern part of this state during the past several years. Silver King is a money maker where it is grown for the market because the large white ears are ready 3 to 10 days before Trucker's Favorite. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 35c; 2 lbs. $1.05; 5 lbs. $1.60; 10 lbs. $5.00; 100 lbs. or more at 36c lb.

251 Ideal for Large Adams
Not a sugar corn but grown very extensively in all states. It is similar to Extra Early Adams but about two weeks later. Ears are 8 inches long. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 35c; 2 lbs. $1.00; 5 lbs. $1.60; 10 lbs. $5.00; 100 lbs. or more at 36c lb.

253 Wyatt's Truckers Favorite
The best and most popular roasting ear corn, especially adapted to the South. It makes a beautiful sweet white ear very attractive in appearance and is used as a corn for home or market plantings. 60 to 72 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 35c; 2 lbs. $1.00; 5 lbs. $1.60; 10 lbs. $5.00; 100 lbs. or more at 36c lb.

255 Baldwin's Extra Early
A delicious white roasting ear corn that matures earlier than most varieties. It produces well filled 8-inch ears of unusually tender, tasty, sweet corn to the stalk in 53 to 38 days. The extreme earliness of Wyatt's Baldwin and its prolific qualities are two reasons for its growing popularity with truck farmers and home gardeners alike. Our stock is re-selected for earliness and size and is by far the finest Baldwin Corn offered. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 35c; 2 lbs. $1.00; 5 lbs. $1.60; 10 lbs. $5.00; 100 lbs. or more at 36c lb.

POP CORNS

269 White Rose
Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.00. Not prepaid, 10 lbs. $2.00; 50 lbs. $10.00; 100 lbs. or more at 36c lb.

272 Golden Queen
Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.00. Not prepaid, 10 lbs. $2.00; 50 lbs. $10.00; 100 lbs. or more at 36c lb.

273 Perdue 1 (Hybrid)
Just as in field corn the proper hybrids are proving their superiority in pop corn. The popping quality of this corn is so much superior to the other varieties that commercial users have changed over to it exclusively. The large ears explodes into tremendous flakes of delicious crisp pop corn. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.00. Not prepaid, 10 lbs. $2.00; 50 lbs. $10.00; 100 lbs. or more at 36c lb.

ROASTING EAR VARIETIES

254 Stowell's Evergreen
Under proper conditions this variety will produce as high as three ears to the stalk and is the standard main crop variety. It is well adapted to the South and retains its good eating qualities longer than other varieties. A white variety of finest sugar grains. 90 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 75c; 5 lbs. $1.00. Not prepaid, 10 lbs. $2.40; 50 lbs. $11.00; 100 lbs. or more at 36c lb.

241 Hybrid Stowell's Evergreen
Stalks sturdy with large, close growing upright ears. The medium cob has 16 to 18 rows of white, almost and thin vine all the way. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 75c; 5 lbs. $1.00. Not prepaid, 10 lbs. $2.40; 50 lbs. $11.00; 100 lbs. or more at 36c lb.

249 Country Gentleman
An old time hybrid considered the finest quality of all sweet corn varieties. Ears measure 7 to 8 inches long, cob small, long white, slender grains without row formation, as you will note by illustration on this page. Wyatt's stock is extra select and will surely please you. 90 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 75c; 5 lbs. $1.00. Not prepaid, 10 lbs. $2.40; 50 lbs. $11.00; 100 lbs. or more at 36c lb.

(1) 249 Country Gentleman. (2) 251 Large Adams. (3) 248 Stowell's Evergreen. (4) 255 Baldwin's Early Extra. (5) 253 Truckers Favorite.

MOON SIGN BOOK

to

PLANT BY THE MOON

256 Pages of Valuable Information

The Moon Sign Book gives practical instructions concerning planetary influence on planting and harvesting, the result of more than 40 years of research, by Llewellyn George.

Thousands use the Moon Book successfully each year because it shows what to plant and the dates when to plant in order to work in harmony with the best influences of Nature. Simplified tables for immediate daily use. 40th year with sales increasing each new issue.

Sold on the publisher's unconditional guarantee; money back if not satisfied. 256 pages. Always the same price.

$1.00 in the U. S. A.

KRYOCIDE

NATURAL CRYOLITE

Widely used in place of Rotenone and Arsenate of Lead for controlling chewing insects. Packed in two handy sizes for small or large gardens, truck crops or tobacco, and in two convenient forms for dusting or spraying. (Cannot be used with lime.) Prices: KRYOCIDE (A natural Cryolite) for dusting or spraying: lb. can 45c; 4 lb. bag 99c, postpaid. KRYOCIDE D-50. A Cryolite-sulphur and carrier dust ready to apply. lb. can 60c; 3 lb. bag $1.00, postpaid.

TALC. A diluent for KRYOCIDE. Use 2 lbs. talc to each pound of KRYOCIDE for dusting. Prices: 5 lb. bag 0c, postage or express extra.

GROW BETTER

ROSES

TRI-OGEN

All-purpose spray

We highly recommend TRI-OGEN for your roses—it not only protects them against all fungus diseases and insect pests, but it stimulates vigorous plant growth and assures healthy green foliage and luxuriant blooms.

"E" size kit, 50c or $1.00, postpaid.
"A" small kit, $1.50 or $1.65, postpaid.
"B" medium kit, $4.00 or $4.25, postpaid.
"C" large kit, $6.00 or $6.40, postpaid.
Insecticide, Fungicide and Plant Stimulant in One Spray.
**COLLARDS**

1 oz. for 150 feet of row, 1/2 lb. for an acre.

Hardier and easier to grow than cabbage, can be grown on poorer soil, and withstands insect attacks better.

Although often sown during the Spring and Summer, the principal sowings are made in June, July and August, transplanted 2 feet apart in the row and given frequent cultivation. They make a most excellent vegetable for the late Fall, Winter and early Spring. The flavor is improved by frost. Cultivate like late Cabbage.

Ready for use in about 75 days.

226 Morris Improved Heading
Large compact green heads. Well recommended above all ordinary strains for tonnage, uniformity and quality. Prices: Pkt. 10c; oz. 20c; 1/2 lb. 65c; lb. $2.25; 2 lbs. $4.50; 5 lbs. $10.00, postpaid.

224 North Carolina Short Stem
A very hardy strain with large spreading leaves. The stem is short and this variety withstands drought in summer and cold in winter better than other sorts. 80 days. Prices: Pkt. 5c; oz. 10c; 1/2 lb. 25c; lb. 90c; 2 lbs. $1.65; 5 lbs. $3.75, postpaid.

225 Georgia Cabbage
A cross between Georgia Collards and Charleston Wakefield Cabbage, bred for the hardiness of the Collard and the flavor and heading qualities of the Cabbage. Very hardy and also grows fine during hot weather. It does not grow as tall as the Georgia Collards but the leaves grow closer together on the stem. 76 days. Prices: Pkt. 5c; oz. 10c; 1/2 lb. 25c; lb. 90c; 2 lbs. $1.65; 5 lbs. $3.75, postpaid.

223 Georgia or Southern Favorite
in the South, a white or green stemmed variety, growing 2 to 3 feet high and forming large, loose open heads. 65 days. Prices: Pkt. 5c; oz. 10c; 1/2 lb. 25c; lb. 90c; 2 lbs. $1.65; 5 lbs. $3.75, postpaid.

**WYATT'S Western Grown CUCUMBERS**

One ounce of seed will plant 60 hills; 2 to 3 lbs. per acre

**CULTURE:** To obtain early Cucumbers plant the seed about the middle of April in frames, without much bottom heat, or small pots may be plunged into the soil in the frames, and a row of plants made, in three or four placed in each. In three or four weeks these may be transplanted into open ground. Hills 3 or 4 feet apart each way. When the plants are well started, thin out, leaving four of the strongest in each hill. Plant again in May for later crop.

280 Early Green Cluster
A very fine home garden cucumber, equally good for both slicing and pickling. 55 days. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 50c; lb. $1.75; 2 lbs. $3.50; 5 lbs. $7.50, postpaid.

296 Straight 8
The fruits are 8 to 9 inches long, 1 1/2 inches through, ends rounded, flesh crisp and tender. Shapely and uniformly dark green without the usual light green rib. Vigorous plants. This variety is a Gold Medal winner in All-American competition among vegetables. 66 days. Prices: Pkt. 10c; oz. 20c; 1/2 lb. 60c; lb. $2.75; 5 lbs. $8.75, postpaid.

298 Short Green
A small cucumber of good color and shape. 60 days. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 50c; lb. $1.75; 2 lbs. $3.50; 5 lbs. $7.50, postpaid.

284 Improved Long Green
A medium late variety, very hardy and extremely prolific. The fruits are 12 to 15 inches long, very dark green color. 70 days. Prices: Pkt. 10c; oz. 20c; 1/2 lb. 60c; lb. $2.75; 2 lbs. $5.50; 5 lbs. $8.75, postpaid.

288 Early Fortune
The plants are vigorous, and fruit green in color, productive and disease resistant. It is a very early variety, usually ready for market in 38 days. The cucumbers are uniform and usually measure 8 1/2 inches long. 56 days. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 50c; lb. $1.75; 2 lbs. $3.50; 5 lbs. $7.50, postpaid.

294 Gherkin or Burr
The best variety for pickles, the fruits only measure about 3 inches long. 66 days. Prices: Pkt. 10c; oz. 20c; 1/2 lb. 60c; lb. $2.75, postpaid.

287 A. & C.
This fine cucumber recognized as one of the very best commercial and home garden varieties. We feel that it is one of the outstanding new vegetable varieties introduced in recent years. Our far western grown stock is distinctly superior. Prices: Pkt. 10c; oz. 20c; 1/2 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $7.50, postpaid.

290 White Spine
The fruits are about 9 inches long, attractive in appearance and are ready for eating in about 50 days. It is an early variety, crisp and tender, holding its freshness, dark green appearance and flavor even after being gathered. 58 days. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 60c; lb. $1.75; 2 lbs. $3.50; 5 lbs. $7.50, postpaid.

297 National Pickling
Developed under the supervision of the National Pickle Packers Association. This variety produces great quantities of uniform cucumbers. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 60c; lb. $1.75; 2 lbs. $3.50; 5 lbs. $7.50, postpaid.

283 Climbing
This variety can be grown on poles, fences or trellises. Fruits are dark green in color, productive and disease resistant. It is an early variety, crispy and tender, holding its freshness, dark green appearance and flavor even after being gathered. 56 days. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 60c; lb. $1.75; 2 lbs. $3.50; 5 lbs. $7.50, postpaid.

299 White Wonder
Crisp and white quality. 60 days. Prices: Pkt. 10c; oz. 20c; 1/2 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $7.50, postpaid.
KALE high in vitamins A, B₁, C and G
Hardy Winter and Summer

CULTURE: 1 ounce will drill 100 to 150 feet; 3 to 4 pounds drills an acre. Kales, being extremely hardy to both cold and hot weather, may be planted almost any time. All varieties continue to produce over a long period so 2 to 4 early per year preferably during early spring and early fall (Aug. 15-Oct. 1) will provide a year round crop. Drill ½ inch deep in rows wide enough to suit cultivating equipment, but not less than 1½ ft. apart. Feed liberally.

344 Spring or Smooth
Also called Plain Kale, Spring Sprouts, and Hanover Salad. It can be sown in the spring or fall as it stands extreme cold. A quick growing smooth leaved variety, very sweet and tender and should be used when the plants are quite young. 27 days. Prices: Oz. 5c; ¼ lb. 15c; lb. 45c; 2 lbs. 75c; 5 lbs. $1.50, postpaid.

341 Dwarf Green Curled Scotch
Popular with truck growers because of its rich green color and double curled leaves. This Kale is extremely hardy to both hot and cold weather making it a sure crop regardless of conditions. Prices: Pkt. 10c; oz. 20c; ¼ lb. 45c; lb. $1.50; 2 lbs. $3.75; 5 lbs. $6.25, postpaid.

342 Extra Dwarf Blue Curled Scotch
The plants of this splendid Kale grow low and compact. The leaves are beautifully curled and will stand for a long time before turning yellow. 55 days. Prices: Pkt. 10c; oz. 25c; ¼ lb. 45c; lb. $1.50; 2 lbs. $2.75; 5 lbs. $6.25, postpaid.

343 Early Siberian
The hardiest of all leafy vegetables. Plant early spring or fall, drilled as turnips for salad and kale withstands more heat and cold. The flavor is similar to that of turnip salad and it exceeds spinach in total food value. 60 days. Pkt. 10c; oz. 15c; ¼ lb. 40c; lb. $1.25; 2 lbs. $2.25; 5 lbs. $5.00, postpaid.

KOHL RABI
CULTURE: 1 ounce is sufficient for 100 feet of drill. Sow ½ an inch deep from April to July, at intervals of 4 weeks, as the bulbs are best when gathered young. Avoid throwing any earth in the crown.

353 Early White Vienna
Extremely early. The bulbs are of medium size, very light green or white; best for table when 2 to 2½ inches in diameter. 60 days. Prices: Pkt. 10c; oz. 40c; ¼ lb. $1.15; lb. $4.50, postpaid.

EGGPLANT
CULTURE: Seed germinates slowly and should be started in hot-beds. When plants have two rough leaves transplant 2 or 4 inches apart. When the weather is warm set plants in open ground. One ounce will produce 1,000 plants; ¼ lb. will sow an acre.

314 Black Beauty
The earliest and best of all large-fruited Egg plants. Black Beauty produces fruits fully as large and ready for use ten to two weeks earlier than the New York Purple. The plants branch very freely near the ground and grow in well rounded bushes. The coloring is uniform over the whole fruit. 120 days. Prices: Pkt. 10c; ½ oz. 10c; oz. 35c; ¼ lb. $1.95; lb. $8.50, postpaid.

ENDIVE
320 Broad Leaved Batavian
The inside leaves which blanches to an attractive deep creamy white. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.00, postpaid.

319 Green Curled
It is hardy, a vigorous grower with bright deep green finely divided leaves. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.50, postpaid.

LEEK
358 Large American Flag
A large growing type, desirable in every way. On account of its dependability and ease of culture, is the most widely used variety for both family and market use. 1 oz. will sow 100 feet of drill. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ¼ lb. $1.50; lb. $5.00, postpaid.

VEGETABLE ROOTS

ASPARAGUS ROOTS
CULTURE: Dig or plow out a trench 18 to 24 inches deep, put in plenty of well-rotted manure, covering it with a few inches of soil, then set the roots 1½ to 2 feet apart and cover with 4 inches of soil. In the fall, cut off and burn the top growth, plow or throw down the earth and give a good application of stable manure. Early in the spring fork this in and apply ground bone meal. If white asparagus is wanted draw earth around the stalks as they grow. Do not continue cutting too long, as this exhausts the plants. 100 roots plant about 10x50 feet; $3.00 to $7.00 will plant an acre.

Washington Rust-Resistant
12 roots 60c; 25 for $1.75; 100 for $2.50, postpaid.

Horse Radish Roots
12 roots 35c; 25 for 55c; 50 for 1.25; 100 for $1.50, postpaid. Not prepaid, 12 roots 30c; 25 for 55c; 50 for 1.25; 100 for $2.00, postpaid. 1000 for $10.00.

JERUSALEM ARTICHOKE
Plant during March or April, the earlier the better; they will stand extreme cold, and can be planted earlier than potatoes; they also stand considerable drought. They grow well on any well-drained soil without much attention, and one planting does for several years. Qt. 30c; ¼ peck 85c; peck $1.25, postpaid. Not prepaid, peck 85c; ½ bu. $1.25; bu. $2.00.

Rhubarb Roots
Ready November 1, ‘till May. 20c per doz; 1.75 per doz., postpaid. Not prepaid, $1.50 per doz.

10
LETTUCE

Plant Spring and Fall

One ounce will produce 2,500 plants; 8 ounces produces enough plants to set out an acre.

CULTURE: Lettuce is easy to grow. The earliest sowings should be made in a hotbed or in boxes indoors, hardened off and set 8 to 12 inches apart in 18-inch rows. For a succession sow the first sowing may be made in mid-April. The last sowings may be made in open ground early in the Spring and the plants thinned out. For Fall use, sow in July and August. Fall sowings of hardy kinds should be made in September.

386 Dark Green Cos

An improved variety of this real hot weather heading lettuce. The delicately flavored leaves are large, solid, and are sure heads even in the summer garden. 65 days. Prices: Pkt. 15c; oz. 15c; ½ lb. 50c; lb. $1.75, postpaid.

375 Wyatt’s Improved Hanson

Plants very large with thick, broad, frilled, light yellowish-green leaves and form large round very hard cabbage-like heads which are white at the heart, crisp, sweet, and tender. 80 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 50c; lb. $1.75, postpaid.

382 New York Strain 12

The heads frequently weigh 2 to 3 pounds each. The heart blanches up beautifully and the outer leaves tightly overlap and are of an attractive green color. The quality is superb, being crisp, sweet, and tender. 80 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 50c; lb. $1.75, postpaid.

370 Grand Rapids

A loose leaf variety that makes a quick growth and holds its crispness for days after being cut. It is crisp, tender and sweet. 60 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 50c; lb. $1.75, postpaid.

379 Iceberg

For forcing or home garden planting this crisp lettuce is ideal. The leaves are usually broad and curled, borders finely frilled. Succeeds well during hot weather and produces hard, white and tender heads. This variety is sometimes confused with New York Lettuce, but it is distinct, being much lighter in color. 84 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50, postpaid.

381 Imperial 456

One of the later and best strains of the New York lettuce family. This variety produces large, crisp, solid, and is resistant to tip-burn and brown blight. 83 days. Prices: Pkt. 10c; oz. 30c; ½ lb. $1.05; lb. $2.90, postpaid.

388 Imperial 44

Popular in the Southwest where it tends to be a very good variety in warm weather. Heads are large, firm, round, and of finest quality. 82 days. Prices: Pkt. 10c; oz. 30c; ½ lb. 95c; lb. $2.25, postpaid.

385 Great Lakes

An All-America award winner in 1943, this variety is well suited to Southern growing conditions. It stands heat and sun well and is slow bolting to seed. Large, heavy, heads of the Iceberg type. Pkt. 10c; oz. 40c; ½ lb. $1.75; lb. $5.90, postpaid.

WYATT’S MUSTARD

CULTURE: 1 ounce is sufficient for 100 feet of drill; 2 pounds will sow an acre. Sow February to October, ¼ of an inch deep, broadcast, or in drills 18 inches apart, thinning to from 2 to 3 inches. By successive sowings every fortnight beginning early in March, the salad may be had at its best until summer.

485 Southern Giant Curled

This splendid variety continues to be the most popular mustard for the South. The large, erectly held leaves are finely curled at the edges, adding much to the appearance of the plants. In addition to being resistant to cold the plants withstand some hot weather and are seldom attacked by insects or disease. Prices: Pkt. 5c; oz. 10c; ½ lb. 25c; 1 lb. 75c; 2 lbs. $1.30; 5 lbs. $3.00, postpaid.

481 Fordhook Fancy

A very handsome, curled mustard, mild flavored, slow to bolt to seed. Grows quickly, upright and very curled at the edges. Prices: Pkt. 5c; oz. 10c; ½ lb. 30c; 1 lb. $1.00; 2 lbs. $1.75; 5 lbs. $3.75, postpaid.

484 Broad Leaf

Large, upright, bright green leaves, thick and smooth. Many prefer the smooth variety because it’s easier to clean than the curled types. Prices: Pkt. 5c; oz. 10c; ½ lb. 25c; 1 lb. 75c; 2 lbs. $1.30; 5 lbs. $3.00, postpaid.

479 Tendergreen or Mustard Spinach

Widely known as the quickest growing salad crop for under favorable conditions. Tendergreen can be ready for the table in less than 3 weeks. Crisp, tender and delicious this popular variety is also very high in nutritive value. The large oblong leaves are dark green, thick and easy to wash for the table. 20 days. Pkt. 5c; oz. 10c; ½ lb. 30c; 1 lb. 85c; 2 lbs. $1.50; 5 lbs. $3.25, postpaid.

482 American Hardy Curled

A small, compact, curly leaf mustard, well adapted to cool weather and resists tip-burn. 20 days. Pkt. 5c; oz. 10c; ½ lb. 30c; 1 lb. 85c; 2 lbs. $1.50; 5 lbs. $3.25, postpaid.
WYATT'S far Western Grown Muskmelons

CULTURE: The Melon delights in warm rich soil with perfect drainage, and can never be grown to perfection under unfavorable conditions. Very good Melons, however, can be grown on almost any land if the trouble is taken to dig holes 2 feet square, filling them with a rich compost of woodsand and cow-pen manure. Plant three-fourths to one inch deep from April to June in rows 6 feet apart, leaving not less than 4 feet between the hills, putting about 10 seeds to the hill. As insects are often very destructive, it is best not to thin at all until the plants are well started. When they are large enough to be safe, thin to two in a hill, and keep the ground mellow and free from weeds. Those who make a specialty of Muskmelons will find it advantageous to start the seed under protection of glass, so as to have the plants ready by the time seeds could be usually planted in the open ground.

410 Gold Lined Rockyford
A green fleshed melon that is well adapted for either home garden or market. It has a gold lining next to its small seed cavity which makes it unusually attractive in appearance. The flesh is very thick, sweet, and the shape is nearly round with a complete covering of netting and no ribs. 60 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

409 Imperial or Hales Best No. 45 (Mildew Resistant)
This variety is sometimes called Hales Best No. 45, and is similar to Hales Best. Fruits are short oval with indistinct ribbing and well netted. Flesh thick, firm, sweet and of good quality, light orange in color. Imperial can be picked at much later stages than other melons for distant shipping and it holds firm and in good edible condition. Recommended for areas in which powdery mildew is prevalent. 80 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

413 Honey Dew
The fruits are round or oval and the skin smooth. The flesh is tasty, fine grained, and of a very sweet, sugary flavor. They weigh 6 to 8 lbs. each and the flesh is light green in color. 100 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

415 Hearts of Gold
Grown extensively by market gardeners and is a good shipping type. Fruits weigh 2 pounds, are nearly round, distinctly ribbed, deep green, covered with fine grey netting. Flesh very thick, deep salmon; tender, juicy, sweet and aromatic. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 65c; lb. $2.25; 2 lbs. $4.25; 5 lbs. $10.00, postpaid.

424 Rockyford or Netted Gem
This delicious melon continues in strong demand year after year because of its distinctly superior flavor. Repeated attempts by breeders to transfer this quality to melons of the shipping type have failed as have efforts to introduce into Rockyford those characteristics that would qualify it as a shipping melon. It therefore remains the peer of local market and home garden melons. Fruits are small with rather large seed cavity, nearly round, 2 1/2 lbs.; with very flat ribs, and heavily covered with hard grey netting. Flesh thick, green and of excellent texture. 92 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

401 Banana
A very long cantaloupe, tapering at both ends, lemon colored skin when mature. The flesh is pink with delicious banana flavor. They grow 14 inches long and withstand the summer heat. 100 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 75c; lb. $2.50, postpaid.

408 Montreal Market
This is one of the largest melons grown and we recommend it to those seeking a large melon. It is a round melon slightly flattened at the ends, flesh green, heavily netted and very prolific. 90 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 65c; lb. $2.25; 2 lbs. $4.25; 5 lbs. $10.00, postpaid.

414 Hale’s Best No. 36
An early, prolific and profitable shipping melon which comes to us from the Imperial Valley in California. The melons are oval in shape, heavily netted, and the flesh is firm and thick. The color is deep salmon and they mature a week or ten days earlier than other types of Rockyford melons. 75 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

Southern Grown WATERMELONS

WYATT’S WATERMELON SEEDS ARE PRODUCED UNDER CONTRACT IN THE FINEST SOUTHERN MELON GROWING SECTION

CULTURE: Prepare hills 8 to 10 feet apart each way, by thoroughly working into the soil an abundance of well rotted manure. When the ground is warm, plant six to eight seeds to the hill, covering 1 inch. When plants form, thin them to the best. One ounce will plant about 50 hills; 3 to 4 lbs. to the acre. Earlier plantings can be accomplished by protecting with Hotcaps.

445 Dixie Queen The delicious new, grey, green striped, small seeded Watermelon. Of medium size (8 to 10 pounds) this melon is destined to eclipse all varieties on the market. The rind is thin and extremely tough, flesh dark rich red, and much sweeter than any melon known heretofore. 85 days. Prices: Pkt. 1 oz.; 1 lb. $1.50; 2 lbs. $2.85; 5 lbs. $7.00, postpaid.

461 Wyatt’s Stone Mountain A beautiful large, round melon handling. The melon is a dark glossy green in popularity each year. Stone Mountain is one of the sweetest of all watermelons and is almost round in shape. It weighs 50 to 80 lbs. and always brings the highest price at market. It is remarkable for the few seeds it contains and its unusually solid, good, rich meat. Stone Mountain is very prolific, a splendid drought resister. 90 days. Prices: Pkt. 1 oz.; 1 lb. 45c; 1/4 lb. 75c; 2 lbs. $3.25; 5 lbs. $8.00, postpaid.

447 Florida Giant A really good quality large melon. A very bright red flesh. Black seeded. Vines are vigorous growers and productive. Prices: Pkt. 1 oz.; 1 lb. 45c; 1/4 lb. 80c; lb. $3.00; 2 lbs. $5.75; 5 lbs. $13.75, postpaid.

446 Wyatt’s Wondermelon A white-seeded melon, grows unusually large and long, resembles the Tom Watson, but is thicker, more solid and usually larger and heavier. Melons weighing 60 to 80 pounds are not unusual. Every bit of the brilliant red flesh of these melons is sweet to the rind; it is free of cores or hard centers and the rind is thin, yet sufficiently tough to stand ordinary handling. A dark glossy green with small crease like markings. 85 days. Prices: Pkt. 1 oz.; 1 lb. 45c; 1/4 lb. 80c; lb. $1.50; 2 lbs. $2.85; 5 lbs. $7.00, postpaid.

456 Improved Tom Watson A very handsome, large fruit, frequently 2 feet long and 12 inches in diameter. The dark green rind is a contrast to the bright scarlet flesh, which is of splendid texture and flavor. 90 days. Prices: Pkt. 1 oz.; 1 lb. 45c; 1/4 lb. 80c; lb. $1.00; 2 lbs. $5.85; 5 lbs. $7.00, postpaid.

458 Garrison Large, long, blunt-ended melons weighing 40 to 60 pounds. The hard thin rind is striped grey-green and the bright red flesh is sweet and crisp. An excellent melon for the market where it sells readily and brings good prices. 90 days. Prices: Pkt. 1 oz.; 1 oz. 35c, postpaid.

470 Virginia Gray This prolific variety is also called Gray Jacket, Arnold Gray and Owen Gray. It is a long light gray green, very sweet, red fleshed melon that withstands sun and drought well. 35 to 40 pounds. 85 days. Prices: Pkt. 1 oz.; 1 oz. 45c; 1/4 lb. 80c; lb. $1.50; 2 lbs. $5.85; 5 lbs. $7.00, postpaid.

450 Irish Gray It is sweet, the flesh is red, crisp and free from stringiness. 85 days. Prices: Pkt. 1 oz.; 1 oz. 35c; 1/4 lb. 50c; lb. $1.75; 2 lbs. $3.35; 5 lbs. $8.00, postpaid.

WILT RESISTANT WATERMELONS

441 Blacklee Medium large, very dark green Fusarium wilt resistant, this variety released for commercial production by the Florida Experiment Station in 1942 is an outstanding market melon. Shaped somewhat between the long and round types the dark green coloring of the rind contrasted with the deep rich red flesh and shiny black seeds combine to give Blacklee a high sales appeal. The crisp, tender flesh is deliciously sweet and free from “white heart.” The vigorous plants tend to set a very prolific crop of melons and should therefore be pruned to 2 melons per vine to maintain size. Pruned, the melons produced are slightly smaller than Tom Watson or Florida Giant. 86 to 90 days. Prices: Pkt. 1 oz.; 1 oz. 35c; 1/4 lb. 50c; lb. $1.75; 2 lbs. $3.35; 5 lbs. $8.00, postpaid.

457 Hawkesbury A wilt-resistant shipping variety of recent introduction. Of the Irish Grey type, long and sloping toward either end, light grey with fine veining of green. Flesh dark pink; firm and of good quality. 85 days. Prices: Pkt. 1 oz.; 1 oz. 35c; 1/4 lb. 50c; lb. $1.75; 2 lbs. $3.35; 5 lbs. $8.00, postpaid.

462 Leesburg A wilt-resistant variety developed by Kleckley’s seed by Dr. M. N. Walker of the Florida Experiment Station. Melons are not quite as long as Kleckley’s and with blockier ends. Rind is a shade lighter than the dark green of Kleckley’s, and much tougher; flesh deep rose pink. Extremely sweet and of fine texture. 85 days. Prices: Pkt. 1 oz.; 1 oz. 35c; 1/4 lb. 45c; lb. $1.50; 2 lbs. $2.85; 5 lbs. $7.00, postpaid.
506 Prizetaker This is one of the best varieties for all purposes, producing high tonnage per acre of fine, uniform, light copper skinned bulbs almost globe shaped. The skin is extremely thin, the flesh nearly pure white, mild and good. 100 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ½ lb. $1.50; lb. $5.00; 2 lbs. $9.50; 5 lbs. $22.50, postpaid.

504 Yellow Globe Danvers A very popular variety for spring planting and produces onions of medium size that average about 2 inches in diameter. The skin is rich coppery yellow and flesh is creamy white, crisp and mild flavor. 112 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ½ lb. $1.35; lb. $4.50; 2 lbs. $8.50; 5 lbs. $26.00, postpaid.

503 Wyatt’s Sweet Spanish There is an increasing demand for Spanish Onions in all commercial centers, and we highly recommend the Riverside Strain as the best for home garden or market. They grow very large, are handsome in appearance, sparkling white flesh of fine texture. The flavor is very mild and the bulbs usually grow 4 to 6½ inches in diameter and weigh about 2½ pounds. The outer skin is light yellow or straw color. 100 days. Prices: Pkt. 10c; ½ oz. 35c; oz. 35c; ½ lb. $1.80; lb. $6.00; 2 lbs. $11.50; 5 lbs. $27.50, postpaid.

501 Crystal White Wax A beautiful crystal white variety sometimes called White Bermuda. It is the mildest onion we know of and grows a good size. 95 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ½ lb. $1.50; lb. $5.00; 2 lbs. $9.50; 5 lbs. $25.00, postpaid.

505 Yellow Bermuda The genuine straw colored Bermuda Onion that is grown extensively in Texas. 100 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ½ lb. $1.50; lb. $5.00; 2 lbs. $9.50; 5 lbs. $22.50, postpaid.

509 White Portugal or Silver Skin A large white onion that keeps well and is grown for sets, also pickling and bunching. It is very mild and good. 96 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ½ lb. $1.50; lb. $6.00; 2 lbs. $9.50; 5 lbs. $25.00, postpaid.

502 Large Red Wethersfield The outer skin is red and the flesh white, it is a heavy cropper and good keeper. 100 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ½ lb. $1.35; lb. $4.50; 2 lbs. $8.50; 5 lbs. $26.00, postpaid.

515 Evergreen Bunching A long white, bulbless, bunching variety growing to large size. It is very long pure white stems. Long standing, tender and of delicate flavor. Pkt. 10c; oz. 25c; ½ lb. $1.75; lb. $6.00; 2 lbs. $11.00, postpaid.

WYATT’S OKRA

CULTURE: Should not be planted before the ground is warm in spring, as the seeds are apt to rot. Sow in drills, which ought to be 2 to 3 feet apart, and when up, thin out and leave one or two plants every 12 or 15 inches.

496 Clemson Spineless Although okra is primarily a southern vegetable this variety is awarded the Silver Medal of the All-America selections for 1939 after experiment in trials in all parts of the country. Pods are rich green, straight, uniform, ridged and of the best quality. The plants are 3½ to 4 ft. tall. A spineless Perkins Green Pod type developed from a white podded strain. Prices: Pkt. 5c; oz. 10c; ½ lb. 35c; lb. $1.50; 2 lbs. $2.75, postpaid.

495 Kleckley’s Favorite Rapidly becoming the most popular of all Okras. Plants of dwarf habit producing short, thick pods of unusual tenderness in great profusion. This variety commands a premium price on all markets where it is offered. 60 days. Prices: Pkt. 5c; oz. 10c; ½ lb. 35c; lb. $1.25; 2 lbs. $2.25, postpaid.

493 Perkins Mammoth Long Pod Ready for use in about 50 days after planting and is very productive. The pods start to shoot out within 3 or 4 inches from the bottom of the stalk and the whole plant is covered with them to a height of a man’s head. Try Wyatt’s improved strain of this splendid variety, 50 days. Prices: Pkt. 5c; oz. 10c; ½ lb. 35c; lb. $1.25; 2 lbs. $2.25, postpaid.

492 Wyatt’s White Velvet A standard white variety and grown in all sections of the South, round, podded, smooth and of medium size. It is by far the best of the white varieties and highly recommended. 55 days. Prices: Pkt. 5c; oz. 10c; ½ lb. 35c; lb. $1.25; 2 lbs. $2.25, postpaid.

491 Dwarf Green Prolific Dwarf variety, large green pods, very prolific. 55 days. Prices: Pkt. 5c; oz. 10c; ½ lb. 35c; lb. $1.25; 2 lbs. $2.25, postpaid.

WYATT’S ONIONS

CULTURE: Sow in plant beds or drill in rows during late September or October. When plants are large enough to handle (6 to 8 inches tall) set out thin (6 to 4 inches apart in rows. Onions are copious feeders requiring a liberal application of 5-10-5 or similar plant food thoroughly mixed into the soil well before setting.

536 Silver Skin Grown from our strain of Silver Skins. Prices: Lb. 45c; 2 lbs. 75c, postpaid. Not prepaid, 8 lbs. (peck) $1.25; 32 lbs. (bu.) $4.25.

537 Yellow Danvers Produce medium size, globe Onions. Prices: Lb. 40c; 2 lbs. 70c, postpaid. Not prepaid, 8 lbs. (peck) $1.15; 32 lbs. (bu.) $3.75.

530 Red Wethersfield Hardy and good keeper. Prices: Lb. 45c; 2 lbs. 75c, postpaid. Not prepaid, 8 lbs. (peck) $1.25; 32 lbs. (bu.) $4.25.

539 White Multiplier Fine for early spring bunching. Matures very early; the flesh is pure white and very mild. Not available.

ONION SETS

Prices Subject to Change

One pound will plant a 50 ft. row; 8 bushels will plant an acre. (32 lbs. per bu.)

536 Silver Skin Grown from our strain of Silver Skins. Prices: Lb. 45c; 2 lbs. 75c, postpaid. Not prepaid, 8 lbs. (peck) $1.25; 32 lbs. (bu.) $4.25.

537 Yellow Danvers Average size, globe Onions. Prices: Lb. 40c; 2 lbs. 70c, postpaid. Not prepaid, 8 lbs. (peck) $1.15; 32 lbs. (bu.) $3.75.

530 Red Wethersfield Hardy and good keeper. Prices: Lb. 45c; 2 lbs. 75c, postpaid. Not prepaid, 8 lbs. (peck) $1.25; 32 lbs. (bu.) $4.25.
580 Laxton's Progress The best dwarf large wrinkled pea for home or market. It resembles Laxtonian very closely, but the pods are a trifle longer, and it matures a day or two earlier. The pods are dark green, average about 4 inches in length and usually contain 8 or 9 large peas of the best quality. Height 1½ feet. 55 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 60c; 5 lbs. $1.25, prepaid, 10 lbs. $1.90; 50 lbs. $9.90; 100 lbs. or more at 17c lb.

573 Laxtonian Extensively used by home gardeners, truckers, shippers. Plants are dark green; pods single, broad, slightly curved, dark green, pollinated; contain 7-8 large succulent peas of good quality. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 60c; 5 lbs. $1.25, postpaid. Not prepaid, 10 lbs. $1.90; 50 lbs. $9.90; 100 lbs. or more at 18c lb.

566 Thomas Laxton The finest of early peas for flavor and quality. Plants 56 ins. high; pods 9 ins. long, dark green and packed with 7 to 8 delicious peas. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 65c; 5 lbs. $1.30, postpaid. Not prepaid, 10 lbs. $2.00; 50 lbs. $9.50; 100 lbs. or more at 18c lb.

567 Notts Excelsior Dark green vine 16 inches high. Pods single, blunt, round, plump, 3 inches long and contain 6 large peas. 70 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 60c; 5 lbs. $1.25, postpaid. Not prepaid, 10 lbs. $1.90; 50 lbs. $9.90; 100 lbs. or more at 17c lb.

564 Amerie or Large Poddied Idaho grown—hand picked It is a large-podded Pea of the Alaska type, very vigorous and hardy. Grows about 6 feet high and produces an enormous yield of large, broad, dark green pods. About one-third larger than Alaska and the pods are well filled with 7 large round blue peas of the best quality. 55 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 35c; 2 lbs. 60c; 5 lbs. $1.20, postpaid. Not prepaid, 10 lbs. $1.80; 50 lbs. $8.50; 100 lbs. or more at 16c lb.

574 Dwarf Telephone Very popular with canners and market gardeners. Grows about 3½ feet tall and produces a big crop of well filled medium size pods. The pods are round, straight and square-ended, and contain six large green peas. 80 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 60c; 5 lbs. $1.25, postpaid. Not prepaid, 10 lbs. $1.90; 50 lbs. $9.90; 100 lbs. or more at 17c lb.

568 Large White Marrowfat One of the earliest of all the small, smooth peas. Prices: Pkt. 10c; ½ lb. 25c; lb. 35c; 2 lbs. 55c; 5 lbs. $1.15, postpaid. Not prepaid, 10 lbs. $1.70; 50 lbs. $8.00; 100 lbs. or more at 15c lb.

565 Champion of England Vines 4 to 5 feet tall. 70 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 40c; 2 lbs. 60c; 5 lbs. $1.25, postpaid. Not prepaid, 10 lbs. $1.90; 50 lbs. $8.00; 100 lbs. or more at 17c lb.
PEPPERS — Hot and Sweet
One Ounce of Seed Produces About 1,000 Plants

CULTURE: Sow the seed in hotbed or box at a temperature of about 70 degrees on or about February 15. Transplant to the open ground when all danger of frost is over, in rows 3 to 5 feet apart and plants set 15 to 20 inches apart in the row—about 9,000 plants are required to set an acre. Cultivate frequently and keep free from weeds. A mixture of sheep manure and chicken manure is most desirable for distributing in the rows a week or ten days before the plants are set out. When the plants are well set and started at about 7 inches high, guano or any well-rotted manure hoed into the surface soil will also increase plant growth and fruiting qualities.

592 Wyatt's California Wonder
Here's a Pepper of real merit. It's nearly as large as, and earlier than Chinese Giant, but is blocky or square ended. It will sit upright and is ideal to stuff and bake, or to serve whole with salad. Its walls are exceptionally thick, heavier and firmer than any other sort, and the flesh is deliciously sweet and spicy, with no bite to it. Some specimens measure 41/2 inches across and 5 inches long. The bright, attractive green changes to a brilliant light crimson. 112 days. Prices: Pkt. 10c; 1/4 oz. 45c; oz. 80c; 1/4 lb. $1.75; lb. $9.50, postpaid.

597 Neapolitan
A very early, medium large, prolific variety, for home and market gardens. Fruits are straight, average 4 inches long, 2 inches across at stem and are light green, fleshy, mild and sweet. 60 days. Prices: Pkt. 10c; 1/4 oz. 30c; oz. 50c; 1/4 lb. $1.65; lb. $5.50; 2 lbs. $9.50, postpaid.

593 Bell or Bull Nose
The plants are very vigorous and sturdy. The fruits are about 3 inches long, 2 inches in diameter and blunt-ended. Very productive. 100 days. Prices: Pkt. 10c; oz. 40c; 1/4 lb. $1.50; lb. $5.00, postpaid.

595 Pimento
A small heart-shaped variety. The fruits are medium size, 31/2 inches long and 21/2 inches in diameter. 105 days. Prices: Pkt. 10c; 1/4 oz. 35c; oz. 65c; 1/4 lb. $2.25; lb. $7.50, postpaid.

599 Ruby King
Fruits are 4 to 6 inches long and 3 to 4 inches thick, tapering, and of a bright ruby-red color. 105 days. Prices: Pkt. 10c; oz. 45c; 1/4 lb. $1.50; lb. $5.00; 2 lbs. $9.50, postpaid.

601 Wyatt's Worldbeater
Combines the long form and earliness of the Ruby King and the large size of the Chinese Giant. It is exceedingly productive, a good shipper, and one of the most attractive Peppers on the market. The peppers are 4-lobed, 5 inches long and 3 1/2 inches in a single plant. 110 days. Prices: Pkt. 10c; 1/4 oz. 30c; oz. 50c; 1/4 lb. $1.65; lb. $5.50; 2 lbs. $9.50, postpaid.

WYATT'S PARSNIPS

CULTURE: 1 ounce is enough for 100 feet of drill; 4 to 6 pounds will sow an acre. Sow very thickly from March to August 1/4 of an inch deep in drills 18 inches apart in deep, rich, sandy loam, which has been well manured for a previous crop.

When the plants are 2 to 3 inches high, thin out from 4 to 6 inches apart and cultivate frequently to keep down weeds. The roots which are excellent for stock as well as for the table, are much improved in flavor by being left in the ground during the winter. As the seeds do not germinate well in hot weather, sowing should be done as early as possible.
RADISHES
One Ounce is Sufficient for 100 Feet of Drill; 8 to 10 lbs. to the Acre in Drills.

651 Wyatt’s Early Scarlet Globe
The most popular shipping variety. The roots are light olive-shaped and a rich, bright scarlet in color. The flesh is white, crisp and tender. Grows quickly and evenly, maturing in just over 2 weeks under normal conditions. Best for early planting for the home garden or market. Wyatt's strain of this famous variety is unsurpassed. 25 days. Prices: Pkt. 5c; oz. 18c; ½ lb. 25c; lb. 90c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

652 Wyatt’s Early Scarlet Turnip
White-Tipped
An extra early sort, very popular with market growers. Handsome in appearance, bright red, with white tip. Tops are small, allowing close planting. Our strain is superior to most sorts offered, making a nice globe-shaped, clean root with no laterals. If you want the best bright red radish with white tip by all means plant this variety. 25 days. Prices: Pkt. 5c; oz. 10c; ¼ lb. 25c; lb. 90c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

653 French Breakfast
Handsome, olive red with the exception of a clear white tip on the bottom. 25 days. Prices: Pkt. 5c; oz. 10c; ¼ lb. 25c; lb. 90c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

655 Long Scarlet
Creates for itself a place on every market and commands the highest price. Beautiful tapering, bright scarlet, crisp roots and short tops. 30 days. Prices: Pkt. 5c; oz. 10c; ¼ lb. 25c; lb. 90c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

663 Rose China Winter
One of the best winter sorts. Cylindrical, or widest near the bottom, stump-rooted: skin smooth and bright rose in color; flesh white, crisp and pungent. 60 days. Prices: Pkt. 5c; oz. 15c; ¼ lb. 40c; lb. $1.25; 2 lbs. $2.25, postpaid.

PUMPKINS

CULTURE: Put 8 to 10 seeds in each hill, 1 inch deep, and cultivate until the vines get strong, when they should be thinned out, leaving two or three of the strongest in each hill. When planted in corn, plant at the same time as the corn in every fourth row, 10 to 12 feet apart in the rows, letting hill of pumpkins take the place of a hill of corn.

617 Wyatt’s Big Jumbo or King of the Mammoth
The largest of all varieties. When the size is considered, the quality is excellent. The flesh is bright yellow, fine grained and thick. Skin is salmon-orange and the pumpkins grow large and round, slightly flattened. Excellent stock seed for winter months. 110 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 65c; lb. $2.25; 2 lbs. $4.00, postpaid.

621 Wyatt’s Green Striped Cashaw
Fruits are large, with crooked neck. Color creamy white, irregular striped or streaked with green. Flesh light yellow, very thick, rather coarse, but sweet. Very hardy and vigorous. Can be grown among corn and makes heavy yields. 90 days. Prices: Pkt. 5c; oz. 15c; ¼ lb. 40c; lb. $1.40; 2 lbs. $2.25, postpaid.

619 Sugar or Pie
A handsome and productive small Pumpkin, 10 to 12 inches in diameter; round-flattened; skin orange, flesh deep yellow. 75 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.38; 2 lbs. $2.75, postpaid.

SPINACH

One ounce will sow 100 feet of row; 15 lbs. will sow an acre in rows.

CULTURE: Spinach needs rich land, and on poor land heavy manuring. The seed may be sown from August 15 up to November 15. The main crop is sown about the middle of October, if conditions are favorable. When the second leaves begin making, thin out to about 4 inches apart in the row.

649 Wyatt's Re-selected Bloomsdale Savoy
This sort is also known as the Norfolk Savoy or York. It is a very early variety and one of the best to plant in the fall for early spring use. The plant is of upright growth with thick, glossy, dark green leaves of medium size. 40 days. Prices: Pkt. 5c; oz. 10c; ¼ lb. 25c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

696 Wyatt's Dark Green Bloomsdale
A true Bloomsdale Savoy type with the added advantage of possessing an unusually dark green color, making for much quicker sales on the market. 40 days. Prices: Pkt. 5c; oz. 10c; ¼ lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

699 Virginia Blight-resistant
Savoy
Blight-resistant Virginia Savoy is characterized by the large leaves and general Flanders type of growth. 45 days. Prices: Pkt. 5c; oz. 10c; ¼ lb. 25c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

SALSIFY

SALSIFY OR VEGETABLE OYSTER

Soil and culture should be the same as for parsnips. Make sowings as early as practicable in Spring. Salsify is boiled like parsnips or carrots.

611 Radish, Early Scarlet Globe

617 Pumpkin, King of the Mammoth

696 Spinach, Wyatt’s Re-selected Bloomsdale Savoy

682 MAMMOTH SANDWICH ISLAND.
Tender and delicious. Prices: Pkt. 10c; oz. 45c; ¼ lb. $1.38; lb. $5.00, postpaid.
Wyatt's Early White Bush

Our strain of this famous variety is re-selected and produces fruits that are rather small, round, flat, with ridges or scalloped edges. It is quite disease-resistant and a very prolific variety. They measure 7 to 8 inches across, are almost smooth, and the color is a creamy white. 52 days.

Prices: Pkt. 5c; oz. 15c; ½ lb. 40c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

708 Wyatt's Early White Bush

704 Squash, Early Prolific Straightneck

707 Giant Summer Crookneck

A very large type of the Early Summer Crookneck. It is covered with fine warts and the skin is golden yellow. The vines are of bush or bunch habit. Later maturing. Usually grows 18 to 24 inches long. 50 days. Prices: Pkt. 5c; oz. 15c; ½ lb. 40c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

706 Early Summer Crookneck

A delicious small yellow crookneck squash. The earliest of the yellow squashes and always a favorite for the table or on the market. Prices: Pkt. 5c; oz. 15c; ½ lb. 40c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

705 Wyatt's Giant Straightneck

The mature fruits measure 18 to 20 inches in length, are of a deep orange color, intensely warty and with a deeper flesh and thicker, more meaty neck than in the old type. 55 days. Prices: Pkt. 5c; oz. 15c; ½ lb. 40c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

704 Squash, Early Prolific Straightneck

708 Squash, Early White Bush

714 Early Prolific Straightneck

A new delicious small yellow squash for the table. The Silver Medal was awarded this excellent variety during 1939, because it is earlier, smaller, more productive, brighter yellow and more uniform than other similar varieties. Whether you grow squashes only for the table or for biniets, make sure to grow a crop of EARLY PROLIFIC STRAIGHTNECK. Prices: Pkt. 5c; oz. 15c; ½ lb. 40c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

706 Squash, Early Summer Crookneck

730 Tomatoes, Rutgers

716 Mammoth Yellow Bush or Golden Custard

Those who prefer the yellow bush squash will find this the best for their use, as it is decidedly superior to the ordinary Golden Bush. It is quite large, beautifully colored, and of the best quality. 58 days. Prices: Pkt. 5c; oz. 15c; ½ lb. 40c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

715 Golden Hubbard

One of the best winter sorts. Fruit is large, oval, with rough golden skin, covered with warts. Flesh is bright orange-yellow, fine grained, very dry and sweet, and richly flavored. 105 days. Prices: Pkt. 10c; oz. 20c; ½ lb. 60c; lb. $2.40; 2 lbs. $3.75; 5 lbs. $15.75, postpaid.

717 Italian Cocozelle

A summer variety of bush habit; fruits oblong; 12 to 16 inches in length and 5 inches in diameter, furrowed with 5 ribs, color dark green, marbled with yellow and dark green stripes, quality fine, 63 days. Prices: Pkt. 5c; oz. 15c; ½ lb. 40c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

730 Rutgers

Plant vigor and heavy production plus the color, quality and size of the fruit are the prime reasons for the popularity of BUTGERS. The tomatoes are large, solid and meaty and the plants are strongly wilt-resistant. 75 days. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ¼ lb. $1.30; lb. $5.00; 2 lbs. $9.50; 5 lbs. $22.50, postpaid.

TOMATOES — Plant Successively. Grow a Surplus to Can

All Treated With Semeasan To Prevent Damping Off and Wilt
An Extra Service—No Extra Cost

CULTURE: 1 ounce is sufficient for 100 feet of drill; 4 ounces will produce enough plants to set an acre. The tomato flourishes best in warm light soil, moderately rich. For early use sow 1/4 of an inch deep in January or February in a hot-bed, or, if only a few plants are wanted, they may be sown in the seed trays and given direct to the garden, leaving the same distance between the plants, and if convenient, furnish a support for the vine. For late crops sow in the open ground as above directed. Wyatt's Tomato Seeds are planted by many of the leading truckers in the South.

745 Break O' Day The earliest, disease resistant, globed-shaped, scarlet-fruiting, tomato yet introduced, 10 to 12 days earlier than Marglobe, and very productive. Break O' Day will bear a long set without a break and will bear heavier in growth. Fruits are of the Marglobe type, deep, globe-shaped, solid, meaty, with few seeds, and a beautiful scarlet color. Excellent for home gardens, truck farmers, or canners. 70 days. Prices: Pkt. 10c; 1/2 oz. 35c; oz. 55c; 1/4 lb. $1.80; lb. $6.00, postpaid.

736 Stokesdale (Stokes', in original containers.) Combining earliness, extremely heavy yields, resistance and all round usefulness of fruit STOKESDALE is a tomato of great utility. The vigorous plants, excellent flavor, color and quality of the fruit increase the value of this fine variety. 65 days. Prices: Lb. $5.00, postpaid.

744 Earliana Plants are of compact growth with stout-jointed branches. Yields well and fruit is solid and of fine quality; bright red in color, of good size. 60 days. Prices: Pkt. 10c; 1/2 oz. 35c; oz. 65c; 1/4 lb. $2.25; lb. $7.50, postpaid.

740 June Pink An extra early very productive pink tomato. Fruits are medium sized, flattened and smooth. Plants grow open spreading, somewhat dwarf, and are resistant to certain wilt's. 65 days. Prices: Pkt. 10c; 1/2 oz. 35c; oz. 65c; 1/4 lb. $1.20; lb. $7.50, postpaid.

737 Greater Baltimore A mid-season variety of great merit. Red in color, very heavy, due to its extreme firmness and very thick meat. The fruit ripens evenly and is free from ridges and cracks, making it one of the best canning Tomatoes in existence. Many claim that it is the best of all for canning. It is dependable, producing crops under bad weather and soil conditions where many would fail, and is one of the biggest croppers. 80 days. Prices: Pkt. 10c; oz. 35c; 1/4 lb. $1.20; $4.00, postpaid.

752 Ponderosa Few tomatoes equal this one in size and, while slightly ribbed, it is very solid and luscious for the family garden. The fruit is deep purple, 85 days. Prices: Pkt. 10c; 1/4 oz. 66c; oz. 1.00; 1/4 lb. $3.00; lb. $10.00, postpaid.

754 Beefsteak A very large purplish-pink tomato very similar to Ponderosa, producing large very solid fruit in abundance. 85 days. Prices: Pkt. 10c; 1/4 oz. 66c; oz. 1.00; 1/4 lb. $3.50; lb. $12.00, postpaid.

758 Golden Ponderosa The best large golden yellow Tomato. Smooth in appearance, 85 days. Prices: Pkt. 10c; 1/4 oz. 66c; oz. 1.00; 1/4 lb. $3.50; lb. $12.00, postpaid.

SMALL TYPES

741 RED CHERRY. Pkt. 10c; 1/2 oz. 25c; oz. 45c, postpaid.
743 HUSK OR GROUND CHERRY. Pkt. 10c; 1/2 oz. 25c; oz. 45c, postpaid.
742 RED PEAR. Pkt. 10c; 1/2 oz. 25c; oz. 45c, postpaid.
746 YELLOW PEAR. Pkt. 10c; 1/2 oz. 25c; oz. 45c, postpaid.
747 RED PLUM. Pkt. 10c; 1/2 oz. 25c; oz. 45c, postpaid.

742 Wyatt's Brimmer The immense fruit measures 1½ to 2 inches in circumference, and weighs 2 to 2½ pounds. It is practically all meat; has few seeds. The flavor is mild, delicate and free from the acidity found in many other sorts. It is well shaped, perfect plants. The seedlings are very strong, and grow rapidly. The solid fruits make a most tempting dish when sliced. The vines are luxuriant and healthy; bear loads of fruit right up to frost. 85 days. Prices: Pkt. 15c; 1/2 oz. 75c; oz. $1.35; 1/4 lb. 4.50; lb. $15.00, postpaid.

743 Wyatt's Improved Stone One of the largest and most solid main crop or late bright red varieties. Unsusceptible to blight and canning pink and decidedly oxheart shaped. The fruits are solid, thick, tender meat. Very good, with few seeds. The solid fruits make a most tempting dish when sliced. The vines are luxuriant and healthy; bear loads of fruit right up to frost. 85 days. Prices: Pkt. 15c; 1/2 oz. 75c; oz. $1.35; 1/4 lb. 4.50; lb. $15.00, postpaid.

753 Wyatt's Improved Stone One of the largest and most solid main crop or late bright red varieties. Unsusceptible to blight and canning pink and decidedly oxheart shaped. The fruits are solid, thick, tender meat. Very good, with few seeds. The solid fruits make a most tempting dish when sliced. The vines are luxuriant and healthy; bear loads of fruit right up to frost. 85 days. Prices: Pkt. 15c; 1/2 oz. 75c; oz. $1.35; 1/4 lb. 4.50; lb. $15.00, postpaid.

739 Wyatt's Marglobe

739 Tomato, Marglobe

739 Tomato, Pritchard

739 Tomato, Improved Stone

739 Tomato, Stokesdale
**TURNIPS — "Keep 'em growing year 'round" — RUTABAGAS**

**CULTURE:** Sow in drills 18 to 24 inches apart; cover 1/4 inch deep, or sow broadcast. Thin early for any overcrowding will result in rough and poorly flavored roots. 1 ounce of seed will sow 200 feet of row; 1 lb. will sow an acre in drills; 2 lbs. broadcast.

---

**Delicious Salad in Less Than Three Weeks!**

**WYATT'S TENDERGREEN**

799 Wyatt's Tendergreen The easiest of all vegetables to grow. Perfectly hardy to hot or cold weather and in good growing conditions during the Spring of the year TENDERGREEN is ready with the tastiest, most nourishing salad for the table in 18 to 19 days. TENDERGREEN is a most valuable crop for the market since it requires but little cultivation and time. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.50; 5 lbs. $3.25, postpaid.

---

**RUTABAGAS**

781 Purple Top White Globe It is grown extensively in the North for feeding to livestock and is the most popular of the old varieties. Wyatt's stock is re-selected and will please the most critical market garden trade. It is a rapid grower and the skin is white with purple at the portion which grows above the ground. The roots are globe shaped and the flesh is pure white. The roots for home table use should be pulled when about 3 inches in diameter, but can be grown much larger for stock feeding if desired. Highly recommended for both home garden and truckers. 60 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.50, postpaid.

789 Wyatt's Mammoth Purple Top Globe This is an excellent strain of the popular Purple Top Turnip and it grows to an immense size, therefore very useful for the table or as a crop for stock. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

777 Pomeranian White Globe A large round white turnip stock. A heavy yielder of beautiful snowy white roots and the leaves make fine turnip greens. Our strain of this variety is as near perfection as you can hope to get it. 80 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

774 Early White Flat Dutch A pure white variety. 46 days. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

779 Purple Top Strap Leaf 46 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

780 Large White Norfolk Practically the same as the above variety. Pomeranian White Globe. 70 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

785 White Egg with pure white skin. 45 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

778 Long White Cowhorn This variety often grows to 12 inches and to 15 inches long. 70 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

776 Yellow or Amber Globe The best yellow fleshed turnip for the home garden. 76 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

786 Yellow Aberdeen Purple Top Large globe-shaped table and stock variety. 70 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

772 White Milan A very early, sweet, fine flavored variety. 42 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 25c; lb. 75c; 2 lbs. $1.30; 5 lbs. $3.75, postpaid.

771 Purple Top Milan 42 days. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 25c; lb. 75c; 2 lbs. $1.30; 5 lbs. $3.75, postpaid.

773 Mixed Turnips All varieties mixed. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 60c; 2 lbs. $1.00; 5 lbs. $2.25, postpaid.

---

**SALAD VARIETIES**

784 Southern Prize Makes an abundant growth of tops and the best variety for salad. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 50c; 2 lbs. $2.25; 5 lbs. $7.00, postpaid.

783 Southern Seven Top Another splendid salad variety. Prices: Pkt. 5c; oz. 10c; 1/4 lb. 20c; lb. 50c; 2 lbs. $2.50; 5 lbs. $2.00, postpaid.

**787 Rutabaga, American Purple Top**
WYATT'S VEGETABLE PLANTS

COLLARD PLANTS
Shipments June, July and August

**VARIETY.** Morris Improved Heading or Cabbage Collards.
**PRICES:** 50 plants 35c; 100 plants 60c; 200 plants $1.30, postpaid. Write for quantity prices.

EGGPLANTS
Shipments May, June and July

**VARIETY.** Black Beauty.
**PRICES:** 12 plants 50c; 25 plants 85c; 50 plants $1.25, postpaid. Write for quantity prices.

CABBAGE PLANTS
Shipments November 1 to June 1

**VARIETY.** Cabbage naturally a cold weather plant. Wyatt's Cabbage plants are all produced in the open ground and are extremely hardy. Although we cannot guarantee that plants against weather or other conditions over which we have no control, we are confident that plants will stand more severe weather than plants offered by other firms.

NO PLANTS SHIPPED C. O. D.

**VARIETY.** Early Jersey Wakefield or Large Charleston Wakefield. Prices (any one variety): 100 plants 60c; 200 plants $1.30; 500 plants $2.60, postpaid. Not prepaid. 1,000 to 4,000 plants $1.30 per 1,000; Shimered at $3.25 per 1,000. Write for prices on larger quantities.

LETTUCE PLANTS
Shipments September 15 to May 1.

**VARIETY.** Prizetaker, White or Yellow Bermudas.
**PRICES:** 50 plants 35c; 100 plants 60c; 200 plants $1.25, postpaid. Write for quantity prices.

ONION PLANTS
Shipments November 1 to May 1

**VARIETY.** Prizetaker, White or Yellow Bermudas.
**PRICES:** 50 plants 35c; 100 plants 60c; 200 plants $1.25, postpaid. Write for quantity prices.

NOTE:
Add 25c to any order for shrubbery or trees under $5.00.
Shrubbery must be dug and packed. Please allow for delays owing to weather, labor shortage and transportation delays. All orders are for evergreen and shrubs shipped transportation collect.

Legend: Low growth—2 ft. tall. Medium growth—3 to 4 ft. tall. Tall growth—7 to 9 ft. tall.

*ABELIA, grandiflora. Medium growth. Pinkish white flowers are 1 to 2 in. $1.75 each; 18 to 24 in. $2.00 each.
*AERENORVAE, Globe. Compact globular habit. An old favorite. 1 to 2 ft. each; 18 to 24 in. $1.75 each; 24 to 30 in. $2.00 each.
*BIODA COMPACTA (Chinese Arborvitae). Medium size; compact rounded growth, about 2/3 wide as high. B&B. 1 1/2 to 2 ft. $1.25 each.
*BUTTERFLY BUSH. Also called Summer Lilac on account of its resemblance to that shrub is so far as its bloom is concerned. Strong plants, 15 each.
*CORTLAND, Chenaulti. Red berries, spotted with yellow, 2 to 3 ft. 75c each.
*CURCIS CANAVINASIS (Red Bud). Rose-pink peacock flowers in clusters, leaves heart-shaped. Tall growth. 4 to 5 ft. $1.00 each.
*CRAPE SYRTE. Red or Pink. 2 to 3 ft. $1.25 each.
*DEUTZIA, Pride of Rochester. Tall growth. Late spring flowers white tinged with pink, 2 to 3 ft. 75c each.
*EUONYMOUS PATENS. Bright green foliage and greenish white flowers spring, orange berries fall. Medium growth. B&B. 18 to 24 in. $1.75 each.
*EVERGREEN.

SHRUBS—FRUIT TREES

"It's Not a Home Until It's Planted"

**EVERGREEN JASMINE.** Bright green foliage, rather low spreading growth; yellow flowers all summer. B&B 2 to 3 ft. 200 each.
**HOLLY JAP HOLLY.** Leaves about size of the average thumb nail. Black berries. Suitable as a corner planting. 1 1/2 ft. $1.75 each.
**OPENUM PLUME CYPRESS.** Dense conical habit, the new growth golden yellow; compact grower. B&B. 3 to 4 ft. $4.00 each.
**FORSYTHIA.** Spectacular. Medium growth. Large yellow flowers in profusion. Blooms in February. B&B. 2 to 3 ft. $1.00 each.
**HONEY Suckle TATARIKA (Loniceratatarica).** Pink flowers spring, red berries summer. Shrub of graceful form, 2 to 3 ft. 75c each.
**ievera, Nudiflorum. Low growth. Very early bright yellow flowers. 2 to 3 ft. 1.00 each.
**LILAC.** French tall growth. Fragrant lilac bloomers. 2 to 3 ft. 75c each.
**MALUS ATROSANGUINAE (Carmine Apple).** Foliage and stems reddish purple. Carmine buds, changing to pink; mid-season. 5 to 6 ft. $2.00 each.
**MOCK ORANGE.** Tall growth. White, late spring. 2 to 3 ft. 75c each.
**NANDINA DOMESTICA.** Clusters red berries each. Medium height. Growth 2 to 2 1/2 ft. $1.75 each.
**Peachleaf, Thunbergia.** Large white flowers. 18 to 24 ins. 75c each.
**POLLY.** Globosa. Dwarf, spreading, compact. Dark Green foliage 1 ft. in. $1.50 each; 15 to 18 in. spread $1.75 each; 18 to 24 in. spread $3.25 each.
**RIPON IMPERIAL.** Wax leafed privet. Low to medium growth, thrifty, easy to prune. Thick, dark green, glossy foliage. White berries in the spring followed by black berries. B&B. 18 to 24 ins. $7.00 each; 2 to 2 1/2 ft. $3.75 each; 3 to 3 1/2 ft. $4.00 each.
**Magnolia Grandiflora.** Southern Magnolia. Large, shiny, leathery leaves. Fragrant, large white flowers. Makes a medium to large tree. B&B. 3 to 4 ft. $3.50 each.
**OSMANTHUS FORTUNEL.** Foliage somewhat like Holly. Fragrant white flowers in October. Upright growth. B&B. 18 to 24 ins. 2 1/2 ft. $3.50 each; 2 1/2 ft. to 3 ft. $4.00 each.
**FEIGELIA.** Chinese. Medium growth. Showy pink flowers late spring. 2 to 3 ft. 75c each.
**SPIREA.** Van Houtte. Medium drooping growth. Clusters of white flowers in spring. 2 to 3 ft. 75c each.
**WEIGELA VAN HOUTTE.** Deep pink flowers, late fall, Winter. 2 to 3 ft. 75c each.
**APPLE TREES.** 2 to 3 ft. $1.35 each. Delicious. Fine large red apples. Late fall.
**ORANGE TREES, Late fall.** 2 to 3 ft. to 7 1/2 ft. 75c each.

SHRUBS FOR BEDS AND FORMS

**CRAPE MYRTLE.** Medium size; in bloom from July to October. Large dark red flowers. B&B. 3 to 4 ft. $1.50 each.
**ACER CAMPESTRIS (Red Maple).** Early flowering maples. B&B 18 to 24 ins. $1.50 each; 2 1/2 ft. to 3 ft. $3.00 each; 3 1/2 ft. $4.00 each.
**CAMELLIA.** Large white flowers. Ripen in January. B&B. 2 to 3 ft. $3.00 each; 3 1/2 ft. $4.00 each.
**SUSPENZOS.** 2-yr. vines. $1.50 each.
**PEACH.** 3 to 4 ft. $1.25 each.
**PEAR TREES.** 4 to 5 ft. 2-yr. $2.50 each.
**Keffler.** Large yellow delicious. Ripen August-September.
ACID FOODS

Acid foods such as fruits, tomatoes, ripe pimentos, rhubarb and sauerkraut are processed at the boiling temperature of water (212 degrees F.) in a hot-water canner.

NONACID FOODS

Nonacid foods include all other vegetables such as beans, corn, peas, asparagus, squash and meats. Nonacid foods require long processing or processing at a high temperature (240 degrees to 250 degrees F. obtained by applying 10 to 15 pounds pressure) to prevent spoilage. A pressure cooker should be used when canning nonacid foods.

HOT WATER CANNER

The water bath is generally considered the most satisfactory canner for processing fruits, juices, tomatoes, pickles and preserves and may be used when canning vegetables. A wash boiler, lard tin or any vessel that has a tight cover and is large enough to hold the required number of cans or jars will make a satisfactory canner, provided it is fitted with a wooden rack or a piece of wire mesh to prevent jars from breaking by touching the bottom of canner.

STEAM PRESSURE CANNER

The steam pressure cooker should be used in processing all nonacid vegetables and meats because it is possible to attain a high temperature which is necessary to destroy certain organisms which cause spoilage in canned foods. A steam pressure cooker consists of a metal kettle with tightly-fitting lid which, when clamped in place, makes it possible to hold steam under pressure and obtain at a correspondingly high temperature. The cover is equipped with safety valve, petcock and pressure gauge all of which should be kept in good repair or results will be disappointing.

When processing by any method fill jar to within 1 to 1 1/2 inch of top. Clean threads of jar then place a new, wet rubber flat on sealing shoulder. Screw cap tight, then loosen one-quarter inch. Do not lift jar by top. Do not invert at any time.

SELECTION AND PREPARATION OF FOOD

Only clean, sound, strictly fresh material is fit for canning. All fruits, vegetables and meats should be chosen at the most perfect stage for cooking. A good rule is "two hours from vine to can."

JARS REQUIRED FOR CANNING ONE BUSHEL RAW MATERIAL

The table below gives some idea of the amount of fruits or vegetables (as bought or picked) that canning takes. Weight per bushel may vary.

RECIPEs

(For the Ball Blue Book, 56 pages of similar recipes for vegetables, fruits, meats, pickles, nuts, and the coupon from any can of Ball jars.)

BEANS—BUTTER AND LIMA

Use Only Freshly Gathered Beans. Wash, shell and wash again soil small green beans, 3 minutes; large ones 10 minutes. Pack into hot BALL Jars. Add 1 teaspoon salt to each quart. Process small, young beans 55 minutes; large ones 60 minutes; 20-24 pounds pressure or 2 1/2 hours in water-bath; then complete seal.

BEANS—GREEN AND WAX

Wash, string, break or cut young, tender, freshly gathered pods into 2 inch pieces. Boil 4 minutes; Vu2 quart Jars. Mark 1 teaspoon salt to each quart. Cover with water in canner. Process small, young pods 35 minutes and large ones 55 minutes at 15 pounds pressure or 3 hours in hot-water bath; then complete seal.

BEETS

Wash, young, tender, deep red beets. Leave 2 inches of stems and tap root. Boil until the skins can be slipped. Slip skins, trim beets, and pack into hot BALL Jars. Add 1 teaspoon salt to each quart. Cover with boiling water. Process 40 minutes at 10 pounds; 2 1/2 hours in water bath; then complete seal.

CARROTS

Wash, scrape, and rinse. Slice, dice or leave whole. Boil 3 minutes. Pack into hot BALL Jars. Add 1 teaspoon salt to each quart. Cover with boiling water. Process 40 minutes at 10 pounds pressure or 2 1/2 hours in water bath; then complete seal.

GREENS—CHARD, MUSTARD, TURNIP, SPINACH, ETC.

Wash thoroughly; discard large stems and tough, discolored, and wilted leaves. Heat until steamed, using just enough water to prevent sticking. (Turn the greens over when steam begins to come up from edge of pan in order to hasten with the wilting and prevent overcooking.) Pack firmly into hot BALL Jars; then loosen by cutting a petcock several times with a sharp knife. Add 1 teaspoon salt to each quart. Cover with boiling water. Process 65 minutes at 15 pounds pressure or 2 1/2 hours in hot-water bath; then complete seal.

OKRA

Use small pods. Wash; remove stem ends without cutting into canner with boiling water. Cook from 1 to 3 minutes. Pack into hot BALL Jars; Add 1 teaspoon salt to each quart. Process 40 minutes at 10 pounds pressure or 2 1/2 hours in hot-water bath; then complete seal. Or jars which are to be used for soup should be sliced before precooking.

PEAS—GREEN

Peas should be freshly gathered and green throughout. Wash pods clean. Shell, Shell, Shell. Use size. Rinse. Cover with boiling water. Boil small peas 3 minutes; large ones 5 minutes. Pour into hot BALL Jars. Add 1 teaspoon salt to each quart. Process small, young peas 50 minutes at 10 pounds pressure or 2 1/2 hours in hot-water bath, and more mature ones 60 minutes at 15 pounds pressure or 3 1/2 hours in hot-water bath; then complete seal.

PEAS—BLACKEYED AND FIELD

Wash, shell, rinse, boil 5 to 10 minutes. Pour into hot BALL Jars. Cover with boiling water. Add 1 teaspoon salt to each quart. Process 60 minutes at 10 pounds pressure or 3 1/2 hours in hot-water bath; then complete seal.
VEGETABLE PLANTING CALENDAR

Many otherwise successful gardeners lose months of valuable production because of a failure to realize the cold hardiness of a number of the most popular and productive vegetables. By successive plantings beets, broccoli, cabbage, carrot, chard, kale, mustard, onion, parsley, radish, spinach and turnip (salad or root) can be kept in production, out-of-doors and without protection winter or summer, every day in the year in this isothermal zone.

The planting information shown in the chart on this page is the result of careful preparation and years of actual gardening experience. Planting dates shown for tender varieties are based on the average U. S. Weather Bureau records of the last killing frost in the spring and the first killing frost in the fall in this zone, for the past 50 years.

Throughout our catalog we have endeavored to give the approximate number of days to maturity for all varieties. This information should be helpful especially in determining the latest safe dates to plant tender varieties in the summer or fall, in order to make a crop before frost.

Soil conditions permitting, we recommend planting on or immediately after the average date of the last frost in the spring, otherwise spring rains may delay planting days or weeks.

**"TESTED SEEDS"**

The term "tested seeds" as used in this catalogue, and in all of our advertising means that every bag or package of seeds purchased at Wyatt's is supplied from a lot that has been carefully tested by the North Carolina Seed Testing Laboratory and the seeds are known to grow. Every lot of seeds reaching our warehouse is sampled and tested before the seeds are moved into our store for packaging or for sale in bulk. This accounts for the fact that "Wyatt's Tested Seeds" are more and more in demand in North Carolina and in the South.

Plant Wyatt's Tested Seeds and be sure of success.

**PRICES**

Prices shown on all Seeds, Bulbs, Plants, supplies and materials in this catalogue are subject to change at any time. Our catalogue must be compiled during the fall months at which time it is impossible to establish prices on all items accurately.

All offerings are without engagement subject to prior sale and the availability of supplies.

**NON-WARRANTY**

Job P. Wyatt & Sons Company gives no warranty, express or implied, as to the productiveness of any seeds, bulbs or plants it sells and will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seeds, bulbs or plants.

PINK

JERSEY BEAUTY f.d.Possibly the most popular dahlia in the world. bloom has become so well known that it is difficult to describe. One of the best for flower cutting. 50c each; 3 for $1.00.

PINK GIANT f.d. The high light of the 1940 Foreign Introductions. A bright$Tyrian pink. It has long, strong stems that holds the flowers facing and slightly elevated. Strong, rugged bushes with heavy foliage. A striking and unusual dahlia. 75c each.

SAAALAND'S HEIMKEE f.d. Deep rose pink shading to and tipped pale lemon. Fine slender petals. Full centers all season, with excellent stems. Award of Honor, Ga. 75c each.

MISS ELSIE JANE s.c. Shrimp pink shaded cream and tipped violet rose. Petals curl and twist forward. Strong wiry stems. 50c each; 3 for $1.25.

JANINE f.d. This is a beautiful mauve shaded Tyrian rose. An early strong grower. Easy to grow and very profuse. 75c each.

Classification:

WHITE

WHITE WONDER f.d. Petals pointed, long, twisted and shaggy. Strong and vigorous in growth. Reminds one of Fort Monmouth. 50c each; 3 for $1.25.

SILVER LADY f.d. A most exquisite and lovely dahlia of silver white delicately flushed and edged violet rose. This plant has vigorous foliage, and long strong stems. $1.00 each.

RED

CHEROKEE BRAVE f.d. Ox-blood red that does not fade in the sun. Flowers measuring up to thirteen inches are produced on long strong stems. One of the best reds of recent years. $1.00 each.

MRS. GEO. LE BOUTILLIER f.d. Beautiful carmine red. It has been shown 14½ inches in diameter. Similar in form, but we think superior to Murphy's Masterpiece. 50c each; 3 for $1.25.

YELLOW

WATCHING GIANT f.d. A huge deep amber yellow suffused orange cadmium. A prize winner. Quite satisfactory. 50c each; 3 for $1.25.

JANE COWL f.d. Buff, old gold and apricot. Large flowers facing on strong stems. Very desirable. 50c each; 3 for $1.25.

THE GOVERNOR f.d. A bright sulphur yellow. The form is excellent with the long, broad petals going back to stem. Long, strong, erect stems holding flowers in a perfect position. Blooms are produced in great quantities in good form from very early until frost. $1.00 each.

HILLSIDE GOLD s.c. A beautiful golden yellow with an apricot glow of sheer beauty. Bushes branch naturally and flowers are held well above foliage. A fine keeper for exhibition. 50c each; 3 for $1.25.

ARELDA LLOYD f.d. Clear lemon yellow with a faint rose suffusion on ends of petals. May be described as a yellow Jane Cowl as the form of the flowers and bush growth are almost identical. 50c each; 3 for $1.25.

INDIAN SUMMER s.c. Golden yellow with orange suffusion. The bush is tall and rugged, with excellent foliage. Achievement Medal winner and certified at O.V.D.A. 75c each.

KENTUCKY SUN f.d. Clear lemon yellow flowers on long stems well above the glossy green foliage. 35c each; 3 for $1.00.

JOE FETTE f.d. An unusual color combination of purple veined violet rose. At times the color may appear dull but the flower is extremely popular. A tall heavy grower with stiff stems. This dahlia won the Award of Honor in Georgia. $1.00 each.

GLAMOUR f.d. A brilliant deep red suffusion on reverse of petals. Unusual but pleasing color combination. It has long stems and ideal foliage. 50c each; 3 for $1.25.

MINNORA f.d. Bright apricot suffused violet rose. At times the color may appear dull but the flower is extremely popular. A tall grower with stiff stems. $1.25 each.

WHIRLAWAY f.d. A deep shade of lemon yellow veined to sulphur yellow. Grows nearly a foot in high culture. Good stems, a very fine rugged bush, rich glossy green healthy-like foliage, and a good root maker. Full of vitality. 3 for $1.00 each. 12 for $12.00, postpaid.

POMPON

JOE FETTE p. A very good pure white with long stems for cutting. Blooms early. 35c each; 3 for $1.00.

EDITH MUELLER p. A bright soft apricot suffused peach red. In great demand as a cut flower. 35c each; 3 for $1.00.

MINIATURE

BUCKEYE BABY f.d. Golden buff lightly shaded red on reverse. Blooms are early, uniform, and plentiful. Sturdy bushes. 50c each; 3 for $1.50.

RALEIGH f.d. Deep rose shaded salmon. Early, fine for arrangements and cutting. Strong rugged bushes. 50c each; 3 for $1.25.

SNOWSPRITE s.c. Beautiful glistening white. Blooms of fine consistent form are held well above the robust bushes in marked profusion. A worthwhile and dependable variety. 50c each.

VIGORO for DAHLIAS for larger, finer flowers feed your Dahlias with this complete plant food. (See page 64)

BULBS

For Spring Planting

ANEMONE (Windflower)

DE CAEN (Giant French Poppy-Flowered Anemone). A mixture of rich colors that are found only in Anemones. Unavailable.

AMARYLLIS

HYBRIDS. A mixture of striking colors in giant flowering Amaryllis. 75c each; 3 for $2.00.

TUBEROSES

SINGLE MEXICAN. Pure white. Tall spikes of very graceful flowers. One of the most fragrant of all flowers. Unavailable.

CALADIUM (Elephant's Ear)

MAMMOTH BULBS. Unavailable.

Fancy-Leaved Caladiums

Orders are booked for shipment about February 15. In shady or partly shady protected locations outdoors or plant in pots in window or porch boxes. Start at about 70 degrees and keep warm. 30c each; 3 for 75c; 12 for $2.40, postpaid.
CULTURE

"Glads" are the most popular and easily grown of all summer-flowering corms (not true bulbs).

Soil requirements are not very exacting. Plant large corms 6" or more apart 4" to 6" deep, smaller ones accordingly, being governed by whether the soil is light or heavy. Plantings made in intervals of two to three weeks beginning in early April and continued until early July should flower from the latter part of June until frost. Good fertilizers include cow and sheep manures. Apply two to three times as a side dressing during the growing season before flowering. Fertilizers should not come in contact with corms or foliage. Watering during dry seasons will give amazing results.

Our stock is Michigan grown, disease and thrip free.

BAGGAD. A large flowering and handsome "smoky" of recent introduction. The color is old rose, and the variety rates very high in size, form, color and vigorous growth habits. Late. 6 bulbs 30c; 12 for 53c; 25 for $1.35; 100 for $5.30.

BETTY NUTHALL. A magnificent large coral pink flower with a light orange throat. Midseason. 6 bulbs 30c; 12 for $1.00; 25 for $1.70; 100 for $6.00, post-paid.

BIT O' HEAVEN. Rich orange colored flowers on tall spikes. A good vigorous grower. Excellent for cutting. Midseason. 6 bulbs 30c; 12 for 53c; 25 for $1.35; 100 for $5.30.

MAID OF ORLEANS. One of the leading varieties in the white group. Pure white with a cream throat. Many florets open at a time on tall straight spikes. Early. 6 bulbs 60c; 12 for $1.10; 25 for $1.80; 100 for $6.45.

MARGARET BEATON. Striking, large flowers of snow white with red blotch at the throat. Midseason. 6 bulbs 70c; 12 for $1.25; 25 for $2.10; 100 for $7.50.

MINUET. Still the best of the soft lavender shades. Effectively arranged with any pastel color and especially so with white. Late. 6 bulbs 65c; 12 for $1.15; 25 for $1.90; 100 for $6.75.

MOROCCO. Strong grower, very dark velvety red flowers, on tall stems. Midseason. 6 bulbs 65c; 12 for $1.15; 25 for $1.90; 100 for $6.75.

MRS. FRANK PENDLETON. An old, time tested, and very popular rose pink with red throat. Midseason. 6 bulbs 50c; 12 for $1.00; 25 for $1.70; 100 for $6.00.

ORANGE PRINCESS. Bright orange red. The slightly ruffled flowers open wide. A very fine variety. Midseason. 6 bulbs 50c; 12 for $1.00; 25 for $1.70; 100 for $6.00.

PEGGY LOU. A new smooth deep shrimp-pink. Producing an unusually large number of buds. Several flowers open at a time. Like Picardy, an exhibition variety. Recently offered at a much higher price. Midseason. 6 bulbs 65c; 12 for $1.15; 25 for $1.90; 100 for $6.75.

PELEGRINA. A most unusual and fascinating deep blue-violet. The buds are black-purple. Attractive either as a cut flower or in the garden. Early. 6 bulbs 55c; 12 for $1.00; 25 for $1.70; 100 for $6.00.

PHYLLIS McQUISHTON. Color, deep glowing shrimp shading lighter in the throat. Tall, vigorous plant with 5 or more blooms open on a long spike. A distinct and beautiful shade. Midseason. 6 bulbs 65c; 12 for $1.00; 25 for $1.70; 100 for $6.00.

PICARDY. Unquestionably the finest shrimp-pink to date. Specimens may be grown five feet tall with several individual flowers measuring six inches across. No other pink variety is so extensively grown. Early. No. 1—6 bulbs 65c; 12 for $1.15; 25 for $1.95; 100 for $7.00. No. 2—6 bulbs 55c; 12 for $1.00; 25 for $1.70; 100 for $6.00.

RED PHIPPS. A very desirable tall salmon-red adapted to commercial use as well as the home garden. Midseason. 6 bulbs 65c; 12 for $1.15; 25 for $1.90; 100 for $6.75.

ROSALINDA. A beautiful clear, light pink without any markings. Tall, vigorous grower. 6 bulbs 65c; 12 for $1.15; 25 for $1.90; 100 for $6.75.

SHIRLEY TEMPLE. A dainty, exquisitely colored ruffled flower of cream with yellow throat. Good grower. 6 bulbs 65c; 12 for $1.15; 25 for $1.90; 100 for $6.75.

SOUTHERN CROSS. A superior tall stemmed, rich red flowering variety. 6 bulbs 55c; 12 for $1.00; 25 for $1.70; 100 for $6.00.

VAGABOND PRINCE. Five to seven mahogany-brown florets with red throats open at a time on magnificent spikes. Midseason. 6 bulbs 65c; 12 for $1.10; 25 for $1.80; 100 for $6.45.

W. H. PHIPPS. Huge flower spikes with many large flowers of combined salmon-rose and La France pink. One of the finest of the new Glads. Late. 6 for 60c; 12 for $1.10; 25 for $1.80; 100 for $6.45.

MIXTURES

EXHIBITION MIXED. A choice mixture of the large-flowered varieties including a number of those exhibited at the shows. A better assortment cannot be obtained at these prices. Number 1 corms. 6 bulbs 45c; 12 for 85c; 25 for $1.45; 100 for $5.50.

POPULAR MIXED. All types and colors in a well balanced mixture. 6 bulbs 45c; 12 for 85c; 25 for $1.45; 100 for $5.50.
1131 *Aster, Super Giant El Monte*

The huge flowers are borne on unusually heavy, non-lateral, base-branching stems and are produced quite early, beginning in August and continuing until late in season. Deep glowing crimson blooms composed of daintily interlaced, plume-like petals. Pkt. 10c; 3 pkts. 25c.

1132 *Aster, Super Giant Los Angeles*

Pure shell pink, full petaled, deep feathery flowers with gracefully interlaced petals. Pkt. 10c; 3 pkts. 25c.

1013 *Ageratum, Midget Blue*

The little plants grow 2 to 3 inches high and they are practically covered with true blue flowers. This is really the first dwarf Ageratum that we have found that will come uniformly dwarf and true to color from seed. This dainty little plant won a silver medal in 1939 All-America Trials. Pkt. 10c; 1-4 oz. $1.00.

1807 *Morning Glory, Cornell*

These bright, ly colored carnelian red, white bordered trumpet shaped flowers are an excellent foil for Clark's Heavenly Blue Ipomoea. Cornell is an early bloomer and its blossoms remain open well past mid-day. Pkt. 10c; 1/4 oz. 35c.

1913 *Petunia, Glamour*

1524 *Cynoglossum, Firmament*

Firmament has typical Forget-Me-Not flowers of a rich blue color; is an easy to grow, hardy annual. Its habit is bushy and it grows to a height of 18 inches. Pkt. 10c; 1/4 oz. 35c.

1776 *Marigold, Dwarf Gigantea Pot O'Gold*

Pot O'Gold produces a mass of intense dazzling gold flowers on dwarf compact plants. The plants are 12 to 15 inches tall and are first-magnitude flowered Marigolds to bloom. The flower is one hundred per cent double, and is maintaining its well-deserved popularity as a cut flower. Pkt. 15c; 2 pkts. 25c.

1805 *Morning Glory, Pearly Gates*

It is exceptionally free flowering with large feathery pure white flowers making a heavy cascade of flowers on fence or trellis. One of the earliest bloomers. Pearly Gates received Special Mention in the 1942 All AMERICA Selections. Pkt. 10c; 1/4 oz. 35c.

1692 *Hollyhock, Indian Spring*

Indian Spring is one of the loveliest summer annuals. It is produced in less than five months. This species has a colorful display of semi-double to double fringed flowers for several weeks during the summer. While pink predominates, variations will occur from a light pink to an almost crimson rose shade. Pkt. 10c; 1/4 oz. 35c.

1176 *Marigold, Pot O'Gold*

2110 *Heliannthus, Sun Gold*

Sunflowers are new in the horticultural world, but surprisingly unknown to a great many garden enthusiasts. This fine new strain of double Sunflowers is one hundred per cent double. These brilliant golden yellow flowers which measure 4 to 6 inches in diameter are a delight in a background planting in full sun where they will produce a vivid splash of color in mid-summer. The plants reach a height of 4 to 5 feet, depending on soil and climate, are very even in growth and are unusually free flowering. Pkt. 10c; 1/4 oz. 25c.

1845 *Nierembergia Hippomanica*

Nierembergia starts flowering when the plants are only two inches tall, that is about 12 weeks after the seed is sown, and keeps flowering until heavy frost in late fall. The plants should be cut back at the end of the season and they will send out fresh growth in the early spring. Pkt. 25c; 3 pkts. 60c.

2046 *Scabiosa, Blue Moon*

A strikingly beautiful Scabiosa, different from the existent Scabiosa varieties as Double Nasturtiums are different from the old single type. BLUE MOON produces large, fluffy, double flowers composed entirely of broad, heavy, wavy petals. Because of this complete doubling the flowers are extremely large. The color is deep rich lavender blue. The plants grow 3 to 4 feet. BLUE MOON received Honorable Mention in the 1939 All America Selections. Pkt. 10c; 1/4 oz. 35c.

1913 *Petunia Glamour*

Honorable mention A.A.S. 1942.

Truly one of the loveliest Petunias we have ever grown. The flowers range from 4 to 5 inches across; they are artistically waved and ruffled, and the color is a beautiful salmon rose with golden veining on the white throat. Brilliant in the garden and glorious under artificial light. It is continuously in bloom and is the object of much admiration wherever grown. The plant attains a height of from 12 to 18 inches. Pkt. 25c; 3 pkts. 60c.

2166 *Verbena, Defiance*

This variety is a color, a bright rosy, cerise-scarlet boldly contrasted with small white eye. The plants are semi-compact in habit, making an excellent variety for border or edging use. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.
**WYATT'S RUST-PROOF SNAPDRAGONS**

In keeping with the progress made by the world’s leading seed hybridists, we offer only RUST-PROOF SNAPDRAGONS throughout. The resistance of these new Snapdragons to wilt will enable millions of fanciers to grow this most colorful flower with ease. The varieties listed below are selected for their great beauty as well as their strong resistance to wilt. Plant early giving protection, setting the plants 1 foot apart in the open when the ground is warm.

**SNAPDRAGONS**

1053 ALASKA (Rustproof). A beautiful, pure white Snapdragon, extremely popular with florists where size, height and form are so necessary. Pkt. 10c; 1/4 oz. 65c.

1054 COPPER QUEEN (Rustproof). A beautiful bronze, copper blushing to antique gold at the nose. Pkt. 10c; 1/4 oz. 65c.

1055 CAMPFIRE (Rustproof). A new color in Snapdragons. A clear luminous scarlet, free of orange. The yellow lip seems to add brilliance to the clear color of the flower. 3 feet. Pkt. 10c; 1/4 oz. 65c.

1056 LOVELINESS (Rustproof). The finest pure soft rose pink variety. 3 feet. Pkt. 10c; 1/4 oz. 65c.

1058 CANARY BIRD (Rustproof). Large, clear canary yellow flowers crowded on the tall strong stems. A vigorous grower and a good variety in every respect. 3 feet. Pkt. 10c; 1/4 oz. 65c.

1060 GIANT-FLOWERED MIXED (Rustproof). A mixture of lovely colors in a flower famed above all else for its coloring. Where else does one find such color? Pure colors and combinations of white, pinks, yellows, reds, bronze, orange, copper and many others. 3 feet. Pkt. 10c; 1/4 oz. 50c.

1059 SEMI-DWARF MIXTURE (Rustproof). This is a nice mixture of the most popular colors in the Semi-Dwarf group. Plants grow 1 1/2 to 2 feet tall. Pkt. 10c; 1/4 oz. 50c.

**AGERATUM, Floss Flower**

*(For Beds or Borders)*

An annual plant, growing about a foot high and covered all summer with close fluffy heads of bloom of a pretty shade of blue.

NO. 1011 BLUE PERFECTION. Deep amethyst blue brush-like flowers that do not fade and bloom from early summer until frost. Height 9 inches. A wonderful bedding plant. Pkt. 10c; 1/4 oz. 25c; 1 oz. 40c.

1013 Midget Blue The little plants grow 2 to 3 inches high and they are practically covered with true blue flowers. This is really the first dwarf Ageratum that we have found that will come uniformly dwarf and true to color from seed. This dainty little plant won a silver medal in 1939 All-American Trials. Pkt. 10c; 1-16 oz. 1-00.

**SWEET ALYSSUM**

Alyssum can be planted nearly every month in the year in the south and will bloom profusely until killed. It takes a hard freeze to kill Alyssum.

1017 CARPET OF SNOW. Very dwarf and compact, literally covered with white flowers. Undoubtedly the best for window boxes. Height 6 inches. Pkt. 10c; 1/4 oz. 35c; oz. $1.00.

1018 LITTLE GEM. Blooms in 5 to 6 weeks. Best variety for edging. Compact plants 4 inches high. Very hardy. Border all of your beds with Alyssum. The effect will please you. Pkt. 10c; 1/4 oz. 35c; 1/2 oz. 60c; oz. $1.00.

1019 VIOLET QUEEN. A beautiful rich violet. Free flowering. Very dwarf. Pkt. 10c; 1/4 oz. 35c; oz. $1.00.

1022 LITTLE DORRIT. White. Very dwarf, compact plants growing only 3 inches high. Valuable for formal borders. Pkt. 10c; 1/4 oz. 35c; 1/2 oz. 60c.

**1036 Anchusa Blue Bird**

This is the attractive new annual Anchusa. The compact plants grow 20-24 inches tall producing a wealth of flowers in a beautiful shade of indigo blue so rarely found. Anichusas thrive in any soil and are of the easiest culture. Pkt. 10c; 1-16 oz. 25c.

**AFRICAN DAISY**

1007 DIMORPHOTHECA. Beautiful and showy annual about 12 inches high and bears a great profusion daisy-shaped rich, glossy gold flowers, 2 1/2 inches across, with dark centers surrounded by a black zone. Splendidly adapted for beds and borders. Pkt. 10c; 1/4 oz. 20c.

**AMARANTHUS**

These plants grow 2 to 3 feet tall and have ornamental foliage as well as flowers. The seed is very fine, but grows readily if kept moist. Can be readily transplanted. Do not cover seed over a quarter of an inch. Hardy annual.

1021 CAUDATUS (Love-Lies-Bleeding). Long, drooping sprays of red flowers. Pkt. 10c; 1/4 oz. 20c.
WYATT’S WILT RESISTANT ASTERS

The perfection of wilt-resistant strains of Asters will bring joy to millions. In many parts of the country the growing of this most lovely of flowers has been almost impossible. But now, they’re easy to grow anywhere. You can grow them in your own garden with ease and enjoy their delicate shades, exquisite form, long graceful stems for cutting and their charming effect in the garden. Wyatt’s Wilt-resistant Aster seeds need only to be sown ½ inch deep in a well prepared bed or box of soil in full light and where an even and very light moisture can be maintained. The small plants should be transplanted to 3 inches apart when several leaves have formed and when 2 inches tall, set into the garden 12 to 15 inches apart.

SUPER GIANT ASTERS

1131 El Monte The huge flowers are borne on unusually heavy, non-lateral, base-branching stems and are produced quite early, beginning in August and continuing until late in season. Deep yellow flowers, composed of daintily interlaced, plume-like petals. Pkt. 10c; 3 pkts. 25c.

1132 Los Angeles Pure shell pink, full petalled, deep, feathery flowers with gracefully interlaced petals. Pkt. 10c; 3 pkts. 25c.

Branching or Invincible Asters

Plants are of healthy robust, branching growth, about 2 feet high—though under best culture often 3 feet—producing on long stems, massive Chrysanthemum-like flowers of perfect form and graceful outline, and are exceedingly double to the very center.

1096 Deep Blue.
1099 Shell Pink.
1102 Scarlet.
1103 White.
1106 Azure Blue.

Any above colors. Pkt. 10c; ½ oz. 35c.

1113 COLLECTION. One packet each of the 5 separate colors for 35c.

1110 INVINCIBLE MIXED ASTERS. All colors, a choice mixture. Pkt. 10c; 3 pkts. 25c; ½ oz. 30c; ½ oz. $1.00.

QUEEN OF THE MARKET ASTERS

1159 QUEEN OF THE MARKET MIXED. Very early flowering and of branching habit. Double flowers mixed colors. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1149 MIXED. Flowers exhibit all the grace and beauty of the single Aster, greatly enhanced by a cushion center of tiny quills of a contrasting color. Every garden-lover who wants fine flowers for cutting should have this. Pkt. 10c; ½ oz. 35c.

Wyatt’s Improved Crego Asters

A very fine variety with large shaggy well formed flowers borne on long, strong stems. Fine for cutting. Height 2½ feet.

1114 Crego Purple.
1115 Crego White.
1116 Crego Shell Pink.
1117 Crego Lavender.
1118 Crego Crimson.
1119 Crego Cattleya orchid.

Any of the above Crego Asters at 10c per packet; ½ oz. 35c.

1126 COLLECTION. 1 packet each above 6 colors of Crego Asters for 45c.

1126 CREGO MIXED ASTERS. All colors. Pkt. 10c; 3 pkts. 25c; ½ oz. 30c; ½ oz. $1.00.

ARCTOTIS

1084 Hybrids

Mix One of the finest border plants. It has large daisy-like flowers with gray-green foliage. These plants are perennial in warm climates but they will flower the first season. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1083 GRANDIS. Large daisy-like flowers on long stems: pure white, underside of petals tinged pale lilac. Blooms continuously. 2½ feet. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1220 MIXED COLORS. Double sorts Pkt. 10c; 3 pkts. 25c; ½ oz. 40c.

BALSAM

(Lady’s Slipper)

A hardy annual of easiest culture. Prefers a rich soil and plenty of water. For early bloom start seed in a cold frame in April. One of the old-time favorites. Balsam still deserves a place in your garden. Height 2 feet.

1180 WYATT’S CHOICE DOUBLE MIXED. All colors. Pkt. 10c; ½ oz. 30c; ½ oz. 50c.

BRACHYCOME

(Swan River Daisy)

1210 MIXED. Free-flowering, dwarf-growing annuals; covered during the greater part of the summer with a profusion of pretty blue or white flowers, suitable for edgings, small beds or pot culture; 9 inches. Crop Failure.

CALENDULA (Pot Marigold)

One of the best and showiest free-flowering hardy annuals growing well in any garden soil. They make fine cut flowers, attractive beds and borders and bloom profusely.

& 1241 ORANGE SHAGGY. A new and delightful addition to the Calendula family. Hardy enough to withstand February planting. The flowers are nicely fringed and are a rich orange, shading lighter toward the center. Pkt. 10c; ½ oz. 35c.

1239 LEMON QUEEN. Large sulphur yellow. Pkt. 10c; ½ oz. 50c.

1237 ORANGE KING. Large, full double, orange-red flowers. Pkt. 10c; ½ oz. 50c.

CALIFORNIA POPPIES

Eschscholtzia

A most showy and free-flowering annual. It flowers early, and where the weather remains cool keeps on blooming until October. The plants are particularly well adapted for beds or borders. They are dwarf and spreading, growing about a foot tall, with gayly colored flowers of a satiny finish.

1591 ORANGE. Flaming orange flowers. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1600 CHOICE MIXTURE CALIFORNIA POPPIES. A well balanced mixture of all varieties and colors. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c; oz. $1.00.
CANDYTUFT — CENTAUREA — CYNOGLOSSUM

CAMPANULA ANNUAL
( Canterbury Bells)
1312 MIXED. A new annual Canterbury Bell which blooms from seed in less than six months. Plants 2-21/2 feet, bearing 6-8 flower spikes. Pkt. 10c; 1/4 oz. 35c.

CANDYTUFT
This is another of the old-fashioned favorites that still holds its place in the gardens of today. It can be sown outside right where it is to bloom.
1264 CRIMSON. Pkt. 10c; 1/4 oz. 25c.
1265 ROSE. Pkt. 10c; 1/4 oz. 25c.
1267 LILAC. Pkt. 10c; 1/4 oz. 25c.
1269 WHITE. Pkt. 10c; 1/4 oz. 25c.
Collection: 1 packet each of the above colors of Candytuft. The 4 packets, value 46c, for 30c.
Order Collection 1274
1270 CANDYTUFT MIXED. A choice mixture of all colors. Pkt. 10c; 1/4 oz. 35c; 1/2 oz. 80c.
1273 GIANT WHITE HYACINTH FLOWERED. Immense trusses of pure white flowers, often 6 inches long. The largest of all Candytuft. Plants well branched, excellent for cutting. Pkt. 10c; 1/4 oz. 60c.

CALLIOPSIS (Tickseed)
1256 SINGLE MIXED. One of the showiest and most easily grown of garden annuals. The plants form a perfect mass of blooms from early summer until cut down by frost. The flowers average nearly 2 inches across. Pkt. 10c; 1/4 oz. 25c.

CARNATIONS
1320 MARGUERITE MIXED. These carnations will bloom the first year from seed, which should be sown in a hotbed in March or April, or outdoors in May. The blooms are large, delectably scented and rival even the greenhouse Carnation for cutting. They bloom in about 4½ months from time of sowing. They can also be used for blooming in the greenhouse through the winter. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 35c.

CELOSIA (Cockscomb)
Free blooming, very showy annuals that can be cut and dried for winter bouquets.
1350 DWARF VARIETIES MIXED. Height 1 foot. Pkt. 10c; 1/4 oz. 50c.
1340 FINEST MIXED. Height 3 feet. Pkt. 10c; 1/4 oz. 35c.
1349 CRIMSON WOOLFLOWER. Pkt. 10c; 1/4 oz. 60c.

CARDINAL CLIMBER
1329 HYBRIDA. One of the most beautiful climbers. A rapid grower, it reaches a height of 25 or 30 feet in a season. The flowers are trumpet-shaped and are a rich cardinal-red, and bloom until frost. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

CYPRESS VINE
1328 MIXED. A dainty, lacy vine of rapid growth producing small trumpet shaped red and white flowers in profusion. Very effective where a screen is desired. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

CHRYSANTHEMUMS
1440 SINGLE ANNUAL MIXED. Pkt. 10c; 1/4 oz. 25c.
1441 DOUBLE ANNUAL MIXED. Mixture of double varieties. Pkt. 10c; 1/4 oz. 25c.

CLARKIA
1455 DOUBLE MIXED. Clarkia is one of our easiest grown annuals, developing to perfection in a cool climate. The plants grow quickly and are in full bloom from 5 to 6 weeks after sowing. Contains rosy purple, rose, salmon, and white. A fine garden flower and good for cutting. Pkt. 10c; 1/4 oz. 25c; oz. 75c.

CENTAUREA
BACHELOR’S BUTTON, RAGGED SAILOR, RAGGED ROBIN, OR CORNFLOWER
1364 RED BOY. Double deep red. Pkt. 10c; 1/4 oz. 35c.
1366 DOUBLE PINKIE. An exceptionally fine strain of deep rose pink Bachelor Button. Pkt. 10c; 1/4 oz. 35c; oz. 75c.
1367 DOUBLE BLUE. A very old favorite garden annual, flowering freely in almost any situation. Height 2 to 3 feet; largely used for cut flowers. Pkt. 10c; 1/4 oz. 35c; oz. 75c.
1368 JUBILEE GEM. An All-American selection of 1937 Jubilee Gem is outstanding because of the number of flowers of deep clear blue borne on each plant. Popular in pots, in the border, beds, rock garden or euflower garden, it prefers semi-shade, will do well in almost any soil and is extremely easy to grow. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c; 1/4 oz. 75c.
1369 SNOW MAN. Double pure white. Pkt. 10c; 1/4 oz. 35c.
1370 DOUBLE MIXED COLORS. Produces large globular heads of flowers filled up to the center with florets. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 35c; oz. 60.
1380 SWEET SULTAN. The finest of all Sweet Sultans for cut flower purposes. Pkt. 10c; 1/4 oz. 35c; oz. $1.00.
1371 CANDIDISSIMA (Dusty Miller). A very attractive border plant of compact growth 15 inches tall, grown for its showy leaves which have a woolly surface of a bright silvery white shade. The blooms are golden yellow. Pkt. 10c; 1/4 oz. 45c; 1/4 oz. 75c.
1372 GYMNOCARPA. Fine for bedding, borders and hanging baskets. Gracefully drooping with bright silver foliage. Pkt. 10c; 1/4 oz. 25c.

CYNOGLOSSUM
(Chinese Forget-Me-Not)
1524 FIRMAMENT. Firmament has typical Forget-Me-Not flowers of a rich blue color. It is an easy to grow hardy annual. Its habit is bushy and it grows to a height of 18 inches. Pkt. 10c; 1/4 oz. 35c.
1522 AMABILE BLUE. Most attractive rich blue, flowers in profusion from June to September. A most valuable plant for hot dry situations. Pkt. 10c; 1/4 oz. 25c.
1523 PINK. Plants similar to the blue with bright pink flowers. Pkt. 10c; 1/4 oz. 25c.

See Page 26 for New Varieties and All-America Selections
COSMOS

Cosmos should be sown in spring in the open ground, where danger of frost is past, or the seed may be started, under cover and afterwards transplanted. Plant not less than 18 inches apart in rows or in masses in beds. When the plants are about a foot high the tops should be pinched out to induce a bushy growth.

1482 Sensation
The surprisingly large pink, rose and white flowers sometimes reach 6 to 8 inches across. The plants, with rather heavy foliage, grow about 4 feet, bloom extremely early (10 weeks from seeds) and are very free flowering. One of the easiest flowers to grow. Disbud for largest blooms. Pkt. 10c; /4 oz. 35c.

1479 Wyatt's Orange Flare
Beautiful glittering gold flowers gracefully borne on long very stems. The foliage is lacy and a rich green. Orange Flare is a medium early flowering Cosmos blooming usually by July and continuing till late Autumn. The plant is more compact than most Cosmos and is therefore more valuable as a bedding or border subject. Pkt. 10c; /4 oz. 25c; /2 oz. 40c.

1490 Wyatt's Single Late Mixed
The late Cosmos do not come into bloom until early autumn but they remain in bloom much longer than the ordinary early Cosmos. The flowers are large and our mixture contains all of the bright colors. Pkt. 10c; /4 oz. 15c; /2 oz. 40c.

1500 Double Crested Early Mixed
A bright colored mixture of large flowering, double Cosmos. Very attractive for border planting in masses, producing an unusually bright color effect as well as a limitless supply of cut flowers. Pkt. 10c; /4 oz. 35c.

Early Flowering Cosmos
This early flowering strain begins blooming in June, and from that time until frost the plants are a mass of flowers. The flowers average 3 inches across.
1475 WHITE. Pkt. 10c; /4 oz. 35c; oz. $1.00.
1476 PINK. Pkt. 10c; /4 oz. 35c; oz. $1.00.
1477 CRIMSON. Pkt. 10c; /4 oz. 35c; oz. $1.00.
1478 WYATT'S SPECIAL MIXED. All colors. Pkt. 10c; /4 oz. 25c; oz. 75c.

GERBERA (Transvaal Daisy)
They are usually grown as greenhouse or window plants where they flower continuously. The Daisy-like blossoms, 3 to 4 inches across are borne on 12-inch stems.
1643 NEW HYBRIDS GERBERA. An infinity of tints, from pure white through yellow, orange, salmon, rose, cerise and ruby-red to violet are represented. Sometimes the coloring of the disk differs from that of the rays. Pkt. 25c; 3 pkts. 40c.

GLOBE AMARANTH
1656 MIXED. Attractive, clover-like strawy flowerheads in pink, lilac, and bronze tones. The plants grow 2 feet tall and bloom from mid-summer until frost. The individual flowers are 1/2 inch across. Pkt. 10c; /4 oz. 25c; oz. 50c.

GYPSOPHILA (Baby's Breath)
Pretty free flowering plants of easy culture; excellent for cutting to mix with other flowers.
1667 ELEGANS ALBA GRANDIFLORA. A splendid annual variety; sprays of pure white flowers. Pkt. 10c; /4 oz. 30c.
The hardy annual Dianthus, or Pinks, as they are more popularly known, deserve more attention by southern gardeners. The plants are rugged and dependable, being almost sure to grow and bloom in almost any situation. They prefer a well-drained situation where the sun reaches them most of the day. Pinks bloom continuously over a long period producing a bright display in the garden and are excellent cut flowers with their delicate spicy fragrance.

**Dianthus Splendens**

A most worthy garden subject. Large single red flowers with a wide white eye, this thrifty member of the famous old family of garden "pinks" combines beauty, fragrance and ruggedness. Making a ready home in almost any soil, Dianthus Splendens raises a profusion of blooms throughout the entire summer. Crop Failure.

**Single Mixed Pinks**

Bright, cherry, single flowers in combinations of reds, whites and pinks. Fragrant, hardy and dependable. Pkt. 10c; ½ oz. 35c; oz. $1.00.

**Wyatt's Double Mixed Pinks**

These large flowering double pinks very strongly resemble the large double carnations which are members of the same family. Very hardy and free flowering. Pkt. 10c; ½ oz. 35c; oz. $1.00.

**Lacinatus Single Mixed**

Well-formed single blooms with lacinated petals. Includes many bright self-colors as well as bi-colors, edged, spotted and eyed varieties. Pkt. 10c; 3 pkts. 25c; ½ oz. 40c.

**Lacinatus Double Mixed**

Double fringed and carnation-like flowers in a wide range of colors, many with contrasting edges and fancy patterns. Pkt. 10c; 3 pkts. 25c; ½ oz. 40c.

**Helichrysum (Strawflower)**

Helichrysums are an ornament to the garden when growing, and are everywhere prized for the winter decoration of vases, and for durable bouquets. Flowers intended for drying should be gathered when partially unfolded and suspended with their heads downward in a cool place. Pkt. 10c; 3 pkts. 25c; ½ oz. 30c.

**Tulip Poppies**

(Hunnemania, fumarifolia)

**Sunlites**

A semidouble variety of this brilliant annual that was introduced in 1934 and received an Award of Merit in the All-America selections. The name describes the color. Pkt. 10c; ½ oz. 35c.

**Single Poppies**

Magnificent golden yellow. Poppy-like flowers, borne erect on stiff stems 2 feet tall. Easily grown in a well-drained soil, particularly if it is rather sandy and well-drained. Crop Failure.

**Hollyhocks**

**Annual Hollyhock**

**Indian Summer**

Indian Summer is one of the loveliest summer annuals. It blooms in less than five months. This species has a colorful display of semidouble to double fringed flowers for several weeks during the summer. While pink predominates, variations will occur from a light pink to an almost crimson rose shade. Pkt. 10c; ½ oz. 35c.

**Hyacinth Bean**

(Vine)

**Childsii**

A remarkable annual, producing dense, rounded plants with fine green leaves and growing to a height of three feet. The foliage changes to a reddish shade toward fall. Fine for a hedge or to outline the garden. Pkt. 10c; ½ oz. 30c; oz. 40c.

**Kochia**

(Summer Cypress)

**Hybrid Mixed**

Very desirable for bedding and window boxes. Start the seed early in the cold frame for best results. Colors include red, orange, cream, salmon, pink and gold. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c; oz. $1.25.

**Lavender**

**Munstead Strain**

True, lovely, sweet scented, blue flowers often dried for use in the linen closet. Perfectly hardy everywhere. The plants grow about 2 feet tall and bloom during August. Pkt. 10c.

**Lupin**

Few annuals give such a glorious display in the garden as Lupins. The plants produce a great quantity of long-stemmed flower-spikes, and are in full bloom from July until August. Plant in fine-free soil which is moderately moist.

**Russell's Strain**

Thickly set well-rounded spikes of the most beautiful colors. Blues, pinks, yellow, reds, maroon, purple and others. The plants grow 3 to 5 feet high with numerous flower spikes measuring 15 to 20 inches in length. Pkt. 10c; 3 pkts. 25c; ½ oz. 30c.

**Giants King Mixed**

This mixture contains a well-balanced assortment of all varieties of Annual Lupins. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.
WYATT’S LARKSPUR

THE 2 FINEST STRAINS IN CULTIVATION

These magnificent strains of Larkspur bring enthusiastic expressions of warm praise from everyone. It is indeed hard to imagine any finer Larkspurs than were supplied by us last year, some gardeners reporting spikes 7 feet high. However, our new Imperial Giants supersede all other types of Larkspur. Wyatt’s Giant Imperial Larkspur is equally as hardy as the older strains and can be sown out of doors during the fall or spring with success. Prepare beds with light application of lime. Fertilize with thoroughly rotted manure and Bone Meal.

IMPERIAL STRAIN
(Tall Growing)

1712 IMPERIAL GLORIA IMPROVED. Deep rose or salmon. 1713 IMPERIAL PINK PERFECTION. Large double flowers, light pink. 1714 IMPERIAL WHITE KING. Double pure snowy white. 1716 IMPERIAL CARMINE KING. Giant double deep carmine rose. 1719 IMPERIAL LILAC SPIRE. An exquisite lilac, very double. 1722 IMPERIAL BLUE SPIRE. Handsome, double deep cobalt blue. An outstanding variety from a standpoint of size, color and form. 1724 IMPERIAL LOS ANGELES IMPROVED. Immense, very double flowers of brilliant rose or salmon borne on long spikes. Claimed the most beautiful Larkspur. 1726 IMPERIAL BLUE BELL. Delightful clear azure blue. Try a bed of this variety mixed with single Shirley wild rose pink poppies. 1727 IMPERIAL EXQUISITE IMPROVED. Your old favorite with its former beauty and charm magnified many times. Fluffy clear pink. Any of the above varieties. Pkt. 10c; ½ oz. 50c; oz. $1.50.

1720 WYATT’S GIANT IMPERIAL MIXED. Beautifully blended mixture of the most handsome Larkspurs grown. Pkt. 10c; ½ oz. 35c; oz. $1.00.

STOCK FLOWERED LARKSPUR

This Stock Flowered strain of double Larkspurs branch out at the base, and while they do not grow quite as tall as the Imperials, they send up more pinacles of flowers. The varieties listed below are vast improvements over the larkspurs that were popular old double. 1734 EMPRESS ROSE. The flowers are a rich salmon pink. The long trusses have mammoth florets well placed on 4 foot stems. Pkt. 10c; ½ oz. 50c. 1733 SKY BLUE. Clear blue very double flowers. Pkt. 10c; ½ oz. 35c; oz. $1.00. 1733 WHITE. Large fluffy white flowers, very double. Pkt. 10c; ½ oz. 35c; oz. $1.00.

1730 STOCK FLOWERED MIXTURE. This mixture contains all of the attractive colors in the double flowered group. Pkt. 10c; ½ oz. 35c; oz. $1.00.

LINUM (Scarlet Flax)

1738 GRANDIFLORUM RUBRUM. Very showy annuals of long duration, having fine foliage and brilliant scarlet-crimson, cup-shaped flowers. Seed can be sown outside in May. Height 12 inches. Pkt. 10c; ¼ oz. 25c.

FORGET-ME-NOT (Myosotis)

1812 ALPESTRIS. Lovely light blue flowers covering the plants completely during the spring; 12 inches tall. Does best in semi-shade. Pkt. 10c; ½ oz. 50c.

1813 FINEST MIXED. This mixture is a carefully composed blend, including blue, white and rose. Crop Failure.

LOBELIA

A beautiful dwarf flowering plant used extensively for hanging baskets, window boxes and edgings of beds and borders. Forms low, compact bushes that are covered all summer long with star-shaped flowers.

1744 CRYSTAL PALACE COMPACTA. Forms neat little ball-shaped bushes covered with dark blue flowers and dark foliage. Fine for carpet bedding or edging. Height 4 inches. Pkt. 10c; 1-16 oz. 50c.

MIGNONETTE

Very popular because of its delightful fragrance. Hardy annual should be sown soon as possible after last frost is past, be thinned, and should be thinned to stand 6 inches apart.

1790 SWEET. The common variety. Crop failure.

1787 MACHET. A very choice large-flowered type. Pkt. 10c; ¼ oz. 35c.

MATRICARIA (Feverfew)

1781 DOUBLE WHITE. Really a half-hardy perennial, they will bloom the first year from seed. They have fern-like foliage and heads of small double, button-like flowers on long stems for cutting. Pkt. 10c; ½ oz. 50c.

1782 GOLDEN BALL. Small, golden yellow double flowers. Very attractive as a border or planted in pots. Crop Failure.

1809 Morning Glory, Heavenly Blue

MORNING GLORIES

IPOMEA. In growing Ipomeas (Morning Glories and Moonflowers), never plant until the soil is thoroughly warm. To aid germination of particularly hard-seeded varieties, filling a small notch at the top of the seed will help considerably. Always select the driest, sandiest part of the garden and sow where the plants are to flower as the Ipomeas resent transplanting. Plants should be kept on the dry side in order to induce early and abundant flowering with a rather sparse growth of foliage. Heavy watering will stimulate foliage growth at the expense of flowers. A poor soil is preferable to a rich one and fertilizer should not be used as this will promote heavy foliage which will hide the flowers.

1805 Pearly Gates It is exception- ally free flowering with large fleshy pure white flowers making a heavy cascade of flowers on fence or trellis. One of the earliest bloomers. Pearly Gates received Special Mention in the 1942 ALL-AMERICA Selections. Pkt. 10c; ½ oz. 50c.

1807 Cornell These brightly colored carmine red, white bordered trumpet-shaped flowers are an excellent foil for Clark’s Heavenly Blue Ipomea. Cornell is an early bloomer and its blossoms remain open well past mid day. Pkt. 10c; ¼ oz. 50c.

1808 Scarlet O’Hara This introduction brings us an entirely new color in this popular garden flower, rich dark red or deep rosy crimson. While the flowers are not quite so large as the Heavenly Blue Morning Glories they are of good size, 3 to 4 inches in diameter freely produced on fast growing vines that bloom 65 to 70 days after seeds are sown. The dark green foliage does not make a heavy growth, leaving the plants graceful in appearance. Easiest culture. Pkt. 10c; ¼ oz. 40c.

1809 HEAVENLY BLUE. A graceful vine of extremely quick growth producing a great number of exquisitely formed deep clear blue petunia-like flowers. Ideal for covering stumps or other unsightly objects. Pkt. 10c; ½ oz. 35c; oz. $1.00.

1810 MIXED. The flowers are quite a bit larger than those of the ordinary Morning Glories and their colors are unusually rich and showy. Pkt. 10c; ½ oz. 30c; oz. 30c.

1799 ROSE MARIE. This is a new and attractive double Morning Glory that blooms early with deep rose flowers. Pkt. 10c; ¼ oz. 35c.

MOONFLOWERS

1798 HEAVENLY BLUE. Beautiful, large, sky blue flowers. Pkt. 10c; ½ oz. 25c.

1797 WHITE. Large, pure white, fragrant flowers. Pkt. 10c; ½ oz. 35c.
WYATT’S AFRICAN MARIGOLDS

1770 GOLDSMITH. Giant incurved chrysanthemum-like golden orange flowers up to 3 inches across. Plants grow 18 inches tall and produce many stems of excellent cutting length. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.

1771 YELLOWSTONE. Large double incurved and quilled chrysanthemum-like flowers of clear golden yellow, 21/2 inches across. Plants 2 feet high. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.

1757 EARLY SUNRISE. An easy flowering dwarf strain of Dixie Sunshine. It has beautiful lemon or sulphur yellow flowers produced profusely over 2 feet plants. Pkt. 10c; 1/2 oz. 25c.

1780 MISSION GIANT MIXED. A quite new and distinct type of the versatile family of Marigolds, in which the many shaded yellow, orange and gold flowers 2 to 4 inches across are made up of quilled and incurved petals. The effect is most pleasing especially when it is remembered that they are so easily grown. The vigorous plants grow about 3 feet high. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 35c.

CARNATION FLOWERED MARIGOLDS

1761 GUINEA GOLD. A striking new type of marigold. Golden flowers 3 inches across are borne abundantly with long, strong stems on compact plants 2 to 21/2 feet high. The characteristic marigold odor is absent. Pkt. 10c; 1/2 oz. 30c.

1762 YELLOW SUPREME. A very free flowering, extra large marigold bearing creamy yellow, odorless flowers resembling carnations in form. Gold Medal winner of the 1924 All-America Selections. Pkt. 10c; 1/2 oz. 30c.

TALL AFRICAN MARIGOLDS

1759 ORANGE PRINCE. Enormous flowers of perfect shape; golden orange color. Pkt. 10c; 1/2 oz. 30c; oz $1.00.

1758 LEMON QUEEN. Clear, soft lemon yellow. Pkt. 10c; 1/2 oz. 30c; oz. $1.00.

1760 AFRICAN DOUBLE MIXED. A superb mixture. Pkt. 10c; 1/2 oz. 25c; oz. 35c.

1755 HARMONY. The flowers are charming and distinct. Scabiosa-like with tubular deep orange centers flanked by broad, velvety dark brown guard petals. The plants are about a foot high, extremely free flowering, coming into bloom early and continuing until after frost. Pkt. 10c; 1/4 oz. 35c.

1777 GOLDEN RING (Tagetes signata pumila). A very delightful little Marigold forming a compact mound with fern-like foliage and an abundance of dainty single golden orange flowers. Height 9 inches. Pkt. 10c; 1/2 oz. 40c.

1765 HARMONY HYBRIDS DOUBBLE MIXED. A very pleasing strain saved from prize flowers. Pkt. 10c; 1/4 oz. 25c.

GIGANTEA MARIGOLDS

1776 POTT O’GOLD. Pot O’Gold produces a mass of intense dazzling gold flowers on dwarf compact plants. The plants are 12 to 15 inches tall and are first among large flowered Marigolds to bloom. The flower is one hundred per cent double, and is maintaining its well-deserved popularity as a cut flower. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.

1769 GYPSY JEWELS. A fine new dwarf growing form of the very popular Gigantea type. The flowers have a wide range of brilliant shades of orange, yellow and primrose. The flowers are borne on 15 inch plants which are early and compact. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.

1763 SUNSET GIANTS. The 3 to 4 foot plants produce 6 to 8 branches each bearing 3 to 6 large very double flowers. The enormous flowers range in color from light primrose through brick red to deep yellow. The objectionable Marigold odor is entirely absent and some growers claim for the flowers a definite fragrance. Field trials of varieties produced in our own trials without special care or disbudding measured well over 5 inches in diameter. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 35c.

1764 CROWN OF GOLD. The lovely flowers are golden orange with a full crested crown of small tubular petals surrounding by a row of golden petals. The 2 to 21/2 inch flowers come early on plants 2 to 3 feet tall. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 35c.

NASTURTIUMS

1821 “GOLDEN GLEAM” new double sweet- scented. Distinctly double, rich golden, wonderfully fragrant flowers borne on long stems. The plants grow about 18 inches tall and require little or no care. Pkt. 10c; 1/2 oz. 15c; oz. 25c.

1822 DOUBLE SCARLET GLEAM. Fiery orange scarlet, a color comparable to the brilliance of Scarlet Sage. The individual blooms are of an immense size, almost three inches across and very fragrant. Pkt. 10c; 1/2 oz. 15c; oz. 25c.

1823 GIANT DOUBLE SCARLET HYBRIDS. The Hybrids are a collection of gorgeously colored, large, well-formed flowers. Pkt. 10c; 1/2 oz. 15c; oz. 25c.

1826 WYATT’S DWARF RAINBOW MIXTURE. A well blended mixture of all popular varieties; includes many new shades. Pkt. 10c; oz. 20c; 1/2 lb. 75c; lb. 2.50.

TALL CLIMBING NASTURTIUMS

1830 WYATT’S TALL CLIMBING MIXED. A mixture of all tall climbing varieties. Pkt. 10c; oz. 20c; 1/2 lb. 75c; lb. 2.50.

NEMOPHILA

(Baby Blue Eyes)

1843 BLUE INSIGNS. A dwarf, graceful annual, 6 to 8 inches tall. The plants bloom during spring and summer. They bear a procession of bright sky-blue flowers with a white center. Pkt. 10c; 1/2 oz. 25c; 1 oz. 35c.

NIGELLA

(Love-in-a-Mist)

Lovely garden annuals, with finely cut green foliage, and curious looking flowers and seed pods. 1849 MISS JERYLL. Clear cornflower blue; excellent for cutting. 18 inches. Pkt. 10c; 1/2 oz. 25c; 1 oz. 35c.

NICOTIANA

(Flowering Tobacco)

Fine stately plants for background planting or for large beds. The seeds are sown outdoors in boxes filled with fine sandy soil and barely covered. Sow in late May. 1835 NEW HYBRIDS. Shades of rose, red, crimson and creamy white. Very fragrant. Pkt. 10c; 1/4 oz. 35c.

EVENING PRIMROSE

1817 LAMARCKIANA. The large flowers are generally single or yellow, making a showy display for a long time. Plant in fairly dry soil which contains plenty of lime. Pkt. 10c; 1/4 oz. 25c; oz. 75c.
Sow the small seeds in a warm, sunny, open place outdoors, thinning to 15 inches apart, or in frames for transplanting. Scatter seeds thinly, barely cover and firm soil over them; water seedlings with a fine spray to prevent drying out. The weakest looking seedlings usually produce the finest flowers, so save the weak plants for transplanting. Seed of the double and fringed sorts should be pressed into a shallow pot of sifted soil and covered with only a sprinkling of sand. The pot should be watered from below by placing it in water. Never allow to become too dry nor too moist.

Wyatt’s Bedding Petunias

Their erect habit renders the Bedding Petunias best for beds, borders, etc.

1899 HOWARD’S STAR. Dainty rose-crimson with a five-pointed white star. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1896 BLUE BEE. Beautiful clear ultramarine-blue flowers. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1897 WHITE KING. A very dwarf, large-flowered variety with pure white flowers. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1898 GENERAL DOBBS. A lovely variety with brilliant rich crimson flowers. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1899 ROSE KING IMPROVED. Very effective brilliant red with a prominent collar. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1900 BEDDING MIXED. A choice assortment of a wide and varied range of colors. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1901 VIOLACEA. The rich velvety purple color gives a striking effect. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1905 ROSE MORN. Compact plants literally covered with rich pink flowers with white throats. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

1906 ROSE OF HEAVEN. Masses of exquisite well-formed blooms of a bright rose color. Pkt. 10c; 3 pkts. 25c; 1 oz. 50c.

MINIATURE PETUNIAS

1903 Rose Gem. A bright addition to the group of miniature petunias, recently introduced. The color is the same deep rich rose that has made Petunia, Rose of Heaven so popular. The plant is dwarf, neat and compact, 5 to 6 inches high, and covered with the miniature flowers. Crop Failure.

1912 Salmon Supreme

(1938 Silver Medal winner in the All-America selections.) SALMON SUPREME brings a new and lively color into an already richly endowed family of plants. The flowers are a light salmon 1½ inches across produced in abundance on a neat compact plant 10 to 12 inches tall, over an unusually long season. Pkt. 25c; 3 pkts. 65c.

GIANT FRINGED PETUNIAS

1910 WYATT’S NEW “PUFFY RUFFLES” MIXED. The largest of all, flowers beautifully waved, artistically fringed and ruffled on the edges. Pkt. 25c; 3 pkts. 45c; 1-64 oz. 1.50.

1911 Martha Washington

Silver Medal winner in the 1935 All-America selections. While this excellent petunia is not so recent as some, it is deserving of prominent space in every garden. Its growth is only 8 to 10 inches high, the plants producing a ball effect. The very large flowers are ruffled or frilled. The unusual coloring includes bluish pink at the frilled edge, changing through orchid to wine red toward the center and into dark violet at the throat. Pkt. 25c.

1913 Glamour A.A.S. 1942. Truly one of the loveliest Petunias we have ever grown. The flowers range from 4 to 5 inches across; they are artistically waved and ruffled, and the color is a beautiful salmon rose with golden veining on the white throat. Brilliant in the garden and glorious under artificial light. It is continuously in bloom and is the object of much admiration wherever grown. The plant attains a height of from 15 to 18 inches. Pkt. 25c; 3 pkts. 60c.

1914 Theodoria Large bright rose-pink flowers with a golden throat. Pkt. 25c; 3 pkts. 60c.

1916 GIANT FRINGED MIXED. Large finely fringed flowers delicately fragrant and in many rich colors borne in profusion on compact plants. Ideal for specimen plants in pots or boxes or for bedding out of doors. 1 foot. Pkt. 25c; 3 for 65c.

1930 GIANT DOUBLE FRINGED MIXED. Seeds are very expensive. Produce about 50 per cent double flowers. Pkt. 50c.

SINGLE PLAIN EDGED PETUNIAS

1902 Flaming Velvet Gold Medal award A.A.S. 1936. Outstanding for color, type, uniformity. Flowers are velvety blood red and borne in profusion on slightly spreading plants. Pkt. 10c; 1/4 oz. $1.00.

1909 Burgundy Burgundy is one of those rugged individualists of the garden, a strong growing type, with very showy flowers in a shade of deep red which is rather difficult to combine with other colors. Since, however, its own color is so showy in itself, it is well worth growing as an accent or specimen group. Pkt. 25c; 2 pkts. 40c.

1921 Elk’s Pride Magnificent large velvety, deep purple blooms of exceptional beauty. Pkt. 25c; 3 pkts. 60c.

BALCONY PETUNIAS

1890 BALCONY WHITE. Pure glistening white blooms. Pkt. 10c; 3 pkts. 25c; 1/4 oz. $1.00.

1891 BALCONY RED. Brilliant shade of very dark crimson. Pkt. 10c; 3 pkts. 25c; 1/4 oz. $1.00.

1892 BALCONY BLUE. Magnificent cornflower blue flowers. Pkt. 10c; 3 pkts. 25c; 1/4 oz. $1.00.

1893 BALCONY ROSE. A favorite color that is radiant, soft and most pleasing. Pkt. 10c; 3 pkts. 25c; 1/4 oz. $1.00.

1894 BALCONY MIXED. Excellent for massing in beds and borders for a colorful effect. Pkt. 10c; 3 pkts. 25c; 1/4 oz. $1.00.
GIANT PANSIES

Sow seeds in beds or boxes from August to April. Only slight protection is needed in the most extreme weather. When plants have 4 to 5 leaves transplant 8 inches to 1 feet apart, and in highly mounded beds and keen, well watered. A fall and spring sowing will produce flowers from December to June.

1869 WYATT'S NEW SUPER GIANT MIXED.
The immense flowers of this new strain often produce flowers double the size of the ordinary varieties. Wyatt's Super Giant Pansies are borne in profusion on large vigorous plants supporting long strong stems. The rich coloring and great size of the flowers in addition to its prolonged blooming season will make this new variety a garden favorite and a sure prize winner wherever exhibited. 

1873 SWISS GIANT MIXED. Wyatt's carefully blended mixture of Swiss Giant Pansies is outstanding for its wide range of rich coloring. The flowers are large and on tall stems. Pkt. 25c; 2 pkts. 40c; 1/2 oz. $1.50.

1870 WYATT'S FANCY EXHIBITION MIXED.
A blending of our own containing only the very choicest seeds secured from the leading Pansy specialists; it can be relied upon to produce flowers of immense size, very heavy texture and of the most brilliant colors. Pkt. 15c; 2 pkts. 40c; 1/2 oz. $1.50; 1 oz. $2.50; oz. $9.00.

1880 MAPLE LEAF GIANT MIXED. A wide range of bright colors; plants compact with large, attractive foliage. Pkt. 25c; 1/2 oz. $1.00.

1880 MIRACLE MIXED. Distinguished by magnificent varied colors and strong markings. Pkt. 10c; 1/2 oz. $1.00.

PORTULACA (Sun Plant)
For brilliant coloring nothing can excel a bed of Portulaca. It delights in intense heat, and dry weather seems to have almost no effect on the plants.

2000 DOUBLE MIXED. An unsurpassed mixture, including a particularly wide and choice range of brilliant colors. Excellent for beds or borders exposed to the full sun. Pkt. 10c; 1/2 oz. $1.00.

1935 SINGLE MIXED. A complete and choice mixture, including orange, white, red, salmon, buff and others. Pkt. 10c; 1/4 oz. 50c; oz. $1.75.

1935 Portulaca, Single Mixed

POPPIES

Sow the seed where the plants are to remain, as they resent transplanting.

1964 AMERICAN LEGION. Orange, scarlet. Pkt. 10c; 1/4 oz. 35c; oz. $1.25.

1970 FINEST SINGLE MIXED. Dainty flowers on slender stems, in the most delicate shades, varying in color from pure white and delicate pink to rosy carmine and deep crimson, many of them beautifully striped and edged with white. Pkt. 10c; 1/4 oz. 25c; oz. 75c.

1990 DOUBLE SHIRLEY MIXED. A fine strain of double, fringed Poppies with flowers about the size of a large carnation. Pkt. 10c; 1/2 oz. 25c; oz. 75c.

PHLOX

1945 New Art Shades Mixed.
A giant flowering new strain. Flowers are produced in the most delicate pastel shades the entire summer disregarding heat and drought and where the soil is suitable they seed themselves for the next year's crop. Pkt. 25c; 2 pkts. 40c.

1946 Salmon Glory

SALPIGLOSSIS

The plants grow from 24 to 30 inches high, and produce freely from midsummer until frost.

1939 CHOICE MIXED. All colors. Pkt. 10c; 1/4 oz. 50c.

SCARLET RUNNER BEANS

2003. Annual rapid growing vine; makes a good screen or shade. Vines are covered with sprays of bright scarlet pea-shaped blossoms, and these are followed by dark scarlet pods. Pkt. 10c; oz. 15c.

RICINUS (Castor Oil Bean)

2030. A plant of 6 to 8 feet, with immense leaves. Used extensively in borders and along fence rows where, it is said, the plant repels moles. Pkt. 10c; oz. 25c.

SCHIZANTHUS

(BUTTERFLY FLOWER)

2060 MIXED. Also known as "The Poor Man's Orchid." Dainty compact, branching plants with finely cut foliage, covered when in bloom with clusters of brilliantly colored butterfly-like flowers. Plants 15 to 20 inches high. Large flowering. Pkt. 10c; 1/2 oz. 25c.

SUNFLOWERS

2110 Sun Gold. Sunflowers are by no means new in the horticultural world, but surprisingly unknown to a great many garden enthusiasts. This fine new strain of double Sunflowers is one hundred per cent double. These brilliant golden yellow flowers which measure 4 to 5 inches in diameter are a delight in a background planting in full sun where they will produce a vivid splash of color in mid-summer. The plants reach a height of 4 to 5 feet, depending on soil and climate. Pkt. 10c; 1/2 oz. 25c.

2190 RED SUNFLOWER. Shades of chestnut-red, bright red, crimson and other combinations. 5 to 6 feet tall. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1970 Poppies, Single Shirley Mixed
WYATT'S VERBENAS

Very few plants will make such a gorgeous display during the summer months as the Verbena or furnish more flowers for cutting. Start seed early in the spring, and transplant after three or four inches of growth. Good healthy plants can be produced readily from seed.

2161 Beauty of Oxford Hybrids
Gigantea type, producing immense flowers in beautiful new shades of clear pink, rose pink, salmon pink to deep rose red on strong vigorous plants, adaptable to most any situation, thriving, as do all other verbenas in poor soil. Pkt. 10c; 1/4 oz. 50c.

2114 ROYALE. Royal blue, creamy yellow eye. Pkt. 10c; 1/4 oz. 50c.
2157 SALMON PINK. Large flowering salmon pink. Pkt. 10c; 1/4 oz. 50c.
2158 LUCIFER. Rich glowing crimson flowers of good size produced on plants of semi-compact habit. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

2159 PURE WHITE. Pkt. 10c; 1/4 oz. 50c.
2164 PINK AND ROSE SHADES. A beautiful blend of colors from light pink to dark rose. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

2165 LAVENDER GLORY. Lovely fragrant, lavender flowers of largest size. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

2166 DEFIANCE. This variety is a particularly vivid color, a bright rosy, cerise-scarlet boldly contrasted with small white eye. The plants are semi-compact in habit, making an excellent variety for border or edging use. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

2160 GIGANTEA MIXED. A mixture of all colors of the largest flowering verbena. Pkt. 10c; 1/4 oz. 50c; 1 oz. 50c.

STATICE SINUATA

2068 MIXED. A showy, everlasting flower with fine clusters of showy blooms carried on graceful stems. Height 2 to 3 feet. Pkt. 10c; 1/4 oz. 30c.

2088 TEN-WEEK STOCKS MIXED. This includes many lovely colors in this type. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

2081 GIANT IMPERIAL MIXED. A splendid assortment made up from the finest colors available. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 60c.

STOCKS

2080 Stocks, Double Ten Weeks

THUNBERGIA

2140 ALATA, MIXED. This is the Black-eyed Susan Vine, an elegant, graceful climber for hanging baskets and ground covers. Includes yellow and orange shades, some with a velvety black center. Pkt. 10c; 1/4 oz. 30c; oz. 90c.

VINCA (Periwinkle)

Pretty annuals of compact growth with glossy green leaves and dainty five-petaled star-shaped flowers. Ideal for edgings, borders and window boxes. They will grow under almost any soil conditions. Height 15 inches.

NO. 2170 ROSEA MIXED. All colors in mixture. Pkt. 10c; 1/4 oz. 50c.

ANNUAL WALL FLOWER

2182 MIXED. A quick-growing variety with showy, single flowers on stock plants. 1 foot tall. Enrich the soil well and water during dry spells. Pkt. 10c; 1/4 oz. 10c.

TITHONIA

2142 FIREBALL. A very brilliant, vibrant shade of scarlet orange, the petals of this dazzling flower surround a center of light yellow creating a very striking appearance. The gaily colored single flowers 4 to 5 inches in diameter are carried on strong stems often 3 feet long. The plants are disease and insect resistant and often grow 6 feet tall. Start early indoors or sow out of doors when the ground is warm. Crop Failure.

SCABIOSA

While the annual Scabiosa will bloom during the summer, they do so much better in the early spring than during the hot summer days, that every effort should be made to start the seed in the early fall in warm sections, or in cold frames in early spring in the more northerly sections. In warm sections, such as Southern California, plants will winter over perfectly well and produce extremely early flowers the second year. Scabiosa enjoy full sun and will thrive in any good garden soil.

2046 Blue Moon A strikingly beautiful Scabiosa, as different from the existing Scabiosa varieties as Double Nasturtiums are different from the old single type. BLUE MOON produces large, fluffy, double flowers composed entirely of broad, heavy, wavy petals. Because of this complete doubleness the flowers are extremely large. The color is deep rich lavender blue. The plants grow 3 to 4 feet. BLUE MOON received Honorable Mention in the 1929 All-America Selections. Pkt. 10c; 1 oz. 50c.

2041 AGERATUM BLUE. Azure blue. Pkt. 10c; 1/4 oz. 35c.

COLLECTION: 1 packet each of the above 6 colors of Double Scabiosa, value 65c, for 50c, postpaid.

WYATT’S GIANT ORCHID FLOWERING
SPENCER SWEET PEAS

CULTURE: One ounce will sow from 15 to 20 feet. Sow from November to March. For spring plantings we recommend the sowing of Sweet Peas seeds slightly below the ground level in a bed thoroughly pulverized 2 feet wide by 12 to 18 inches deep. Well rotted (but no other) compost or a liberal sprinkling of Bone Meal might be added when the bed is prepared and when the peas are growing slight applications of Sheep Manure at 4 to 6-week intervals should be made.

2350 Wyatt’s Superb Mixture of Spencer Sweet Peas
This mixture of the finest flowering Spencer Sweet Peas will delight every gardener with an abundance of fine flowers of the best varieties. After selecting the varieties that you are especially interested in be sure to add a quantity of mixed Sweet Peas to your order to supply the fascinating and exciting variety that always comes in Wyatt’s Spencer Sweet Peas. Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50.

2356 Wyatt’s Ruffled Spencer Mixed
Containing the latest and finest of the beautiful ruffled varieties recently introduced. The fine long stems hold erect 4 large ruffled fragrant flowers of exquisitely delicate shades, ranging from purest white to deep purple. Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50.

PERENNIAL SWEET PEAS
2290 PERENNIAL MIXED. Pkt. 10c; oz. 50c.

EARLY FLOWERING SWEET PEAS
2371 AVIATOR. Crimson scarlet.
2372 MARINER. Clear blue.
2373 HARMONY. Lavender.
2374 BALL ROSE IMP. Cerise-pink.
2375 CASCADE. Pure white.
2377 JOSIE. Rose.
2390 EARLY MIXED. Mixed colors.

Above varieties Early Flowering Spencer Sweet Peas. Pkt. 10c; oz. 45c; ½ lb. $1.50; lb. $5.00.

FOR LARGER AND BETTER PEAS

2298 DOUBLE MIXED

Above varieties Lilliput Zinnias. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c; oz. $1.75.

WYATT’S ZINNIAS

We are happy to offer this year, seeds from the very finest Zinnias cultivated. Flowers from the fields where Wyatt’s seeds are selected have been awarded gold medals for distinction in size and color since 1926. Wyatt’s pure strain of Zinnias come direct from the originator who has exhibited all over the world. Each year Wyatt’s Zinnias produce prize winning flowers for flower growers all over the South. Get your seeds from this pure strain and raise the prize winning Zinnias in your community.

CULTURE. Sow seeds indoors in March or April or out of doors after ground is warm. Thin out or transplant to 1 to 2 feet apart when plants are 3 to 4 inches high. Fertilize heavily and pinch out first bud when it first forms in the top of the plants. Wyatt’s Zinnias grow 3 to 5 feet high.

WYATT’S GIANTS OF CALIFORNIA DOUBLE ZINNIAS

The Giants of California type of Zinnias differ from the Dahlia Flowering group only in that they are different in form. Both types produce immense, double flowers in almost every color and shade. Invaluable for showy beds or borders outside or for cut flowers. Zinnias can be kept in constant bloom by a succession of plantings.

10 BEST COLORS
2221 PURITY. Best pure white.
2224 GOLDEN QUEEN. Golden.
2225 CRIMSON QUEEN. Rich crimson.
2228 SCARLET QUEEN. Glowing scarlet.
2227 SALMON QUEEN. Salmon rose.
2226 VIOLET QUEEN. Deep purple.
2231 LAVENDER QUEEN. Rosy lavender.
2234 ROSE QUEEN. Bright rose.
2235 ENCHANTRESS. Light rose, deep rose center.
2237 DAPPLED. Canary yellow.

SPECIAL COLLECTION
One packet each of the 10 varieties listed above (regular price, $1.00) for only 75c, postpaid.
Order Collection No. 2242

2240 GIANTS OF CALIFORNIA MIXTURE. A mixture of all colors and many hybrid shades. Pkt. 10c; ½ oz. 45c; ¾ oz. 75c; oz. $1.25.
2196 Haageana Double Mixed
A mixture of dwarf double Mexican Hybrid Zinnias embracing a wide range of colors including flowers of solid color and combinations of yellow, orange, scarlet, gold, maroon and many other rich shades. This is an unusually attractive subject for mass planting or cutting. Pkt. 10c; 3 pkts. 35c; ½ oz. 35c.

2198 Super Crown O’Gold Pastel Tints
The flowers are large and showy, combining the ruggedness of the Dahlia Flowered with the soft effect of the California Giants. It is strictly a mixture of pastel tints containing a wide range of pastel shades. Delightfully soft, yet colorful for garden decoration, it is unsuited for cutting. The plants are strong and robust and the flowers bloom profusely throughout the season. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

2260 Wyatt’s Tom Thumb Mixture
Small even than the popular Lilac, these sorts grow only 4 to 6 inches tall. The plants are covered with well formed double flowers of red, orange, yellow, pink and rose. Such a dainty and tiny plant so much ruggedness and beauty will certainly fascinate every flower lover. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c; oz. 75c.

FANTASY ZINNIAS

2246 MIXED. The colors are rich and full; bright yellow, reds and pink shaded, intermingling with the well blended mixture. The medium sized well rounded, quilled, shaggy petaled flowers are admirable for flower arrangements and are just large enough to satisfy the desire for a medium sized flower. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c; oz. $2.25.

2245 WILDFIRE. The fantasy type of Zinnia with its friendly informality is certainly maintaining its place as a reigning favorite in the Zinna family. WILDFIRE adds a dainty note of cheerfulness to the garden and will enliven any home where it is grown. Flower arrangements, the plants are neat in habit, strong growing and very free blooming. 2½ to 3 ft. in height and 1½ ft. wide. Flowered in 45 to 50 days after the seeds are sown. In growing this variety it will strongly recommend sowing the seeds where the plants are to bloom if it is at all possible. WILDFIRE is a compact little plant producing a profusion of good sized flowers and a lovely combination of colors. It is an ideal plant for the borders or edgings of beds. Pkt. 10c; ½ oz. $1.25.

2249 ORANGE LADY. A worthy companion to the other members of this fine group. Orange Lady adds a rich shade of deep bright orange. Otherwise this variety has the same qualities, plant and flower size and gay informality that is typical of the Fantasy group. Crop Failure.

2247 STAR DUST. Another brilliant member of the popular Fantasy group. STAR DUST received the Award of Merit in the 1937 All-America Selection. This lovely golden yellow variety has the characteristic informal, shaggy-petaled, medium-sized flowers on stems of good length for cutting. Plants are 2½ to 3 feet high, bloom in 45 to 50 days. Pkt. 10c; ½ oz. 35c.

2248 ROSALIE. This is an intense rose variety of the Fantasy type embodying all of the attractive features of plant habit, size, blooms and stems. For flower arrangement the type is superbly adapted to the ordinary home and keeping qualities are excellent. Crop Failure.

2250 WHITE LIGHT. The free blooming habit, characteristic of Fantasy Zinnias, will reproduce in this fine pure white variety. Valuable for garden and home. WHITE LIGHT is especially desirable for blending other colors. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

WYATT’S DOUBLE DAHLIA-FLOWERED ZINNIAS

2240 POLAR BEAR. Pure snowy white flowers of great size and remarkable texture.

2245 DREAM. Giant flowers of true deep lavender shades. This variety makes perfectly formed flowers.

2248 SCARLET FLAME. Brilliant scarlet. This is by far the showiest of all flowers for mass planting or cutting.

2249 GOLDEN STATE. Rich golden scarlet shading to orange as it ages.

2248 ORIOLE. Orange center on gold. Immense flowering.

2248 MIRAGE. A rich glowing deep red. Darkest of all the reds and produces tremendous blooms.

2210 WIL ROGERS. A lovely brilliant deep scarlet.

2211 EXQUISITE. Exquisite clear rose flowers of good form and very large.

2214 CANARY BIRD. Clear rich canary yellow. This shade is valuable for setting off other colors and brightening large beds of Zinnias.

2215 ILLUMINATION. Rich deep rose. A magnificent flower in every respect.

2218 PURPLE PRINCE. A new color in Zinnias. A very rare rich purple. All above named sorts. Pkt. 10c; ½ oz. 35c; ½ oz. 65c; ½ oz. $1.15; oz. $2.25.

2220 WYATT’S GOLD MEDAL DAHLIA-FLOWERED MIXED ZINNIAS. A very choice mixture made up of the named varieties listed above. Pkt. 10c; ½ oz. 50c; ¼ oz. 85c; oz. $1.75.

BRIEF CULTURAL NOTES

ZINNIAS: Zinnias are warm weather loving plants and should never be sown until the soil has thoroughly warmed up and all danger of any frost has passed. For best results, especially with the smaller flowered, early blooming varieties, we recommend sowing the seed where the plants are to flower. The taller growing, large flowered sorts can safely be transplanted, although they also will make a more robust growth and will produce more flowers if they can be sown where the plants are to bloom, and then when the seedlings are 3” or 4” tall, thinned to the proper distance. To induce a thrifty, heavy root system, irrigate your plants rather than sprinkling. Dig a little trench alongside the row and let the water run slowly for several hours so it will seep down deep into the ground and make the food in the soil available for the plant throughout the mass of feeding roots. Always cultivate after each irrigation to conserve moisture. By this method you will have to water Zinnias only once every two weeks or so, whereas if the ground is merely sprinkled, you will have to repeat the sprinkling every other day or so. Irrigation not only gives a stronger, healthier plant, but also saves on your water bill.

2245 Zinnia, Fantasy Wildfire

2246 Zinnia, Fantasy Finest Mixed

2217 ZINNIAS LINEARIS

2217 Linearis. The most unusual of the new Zinnias is the dwarf variety, Linearis. The single flowers are a golden orange with a delicate lemon yellow stripe through each petal. It will start flowering about 6 weeks after seeds are sown. Pkt. 10c; ½ oz. 45c.

2217 Zinnia, Linearis

2218 Double Dahlia-Flowered Zinnias

2246 POLAR BEAR. Pure snowy white flowers of great size and remarkable texture.

2245 DREAM. Giant flowers of true deep lavender shades. This variety makes perfectly formed flowers.

2248 SCARLET FLAME. Brilliant scarlet. This is by far the showiest of all flowers for mass planting or cutting.

2249 GOLDEN STATE. Rich golden scarlet shading to orange as it ages.

2248 ORIOLE. Orange center on gold. Immense flowering.

2248 MIRAGE. A rich glowing deep red. Darkest of all the reds and produces tremendous blooms.

2210 WIL ROGERS. A lovely brilliant deep scarlet.

2211 EXQUISITE. Exquisite clear rose flowers of good form and very large.

2214 CANARY BIRD. Clear rich canary yellow. This shade is valuable for setting off other colors and brightening large beds of Zinnias.

2215 ILLUMINATION. Rich deep rose. A magnificent flower in every respect.

2218 PURPLE PRINCE. A new color in Zinnias. A very rare rich purple. All above named sorts. Pkt. 10c; ½ oz. 35c; ½ oz. 65c; ½ oz. $1.15; oz. $2.25.

2220 WYATT’S GOLD MEDAL DAHLIA-FLOWERED MIXED ZINNIAS. A very choice mixture made up of the named varieties listed above. Pkt. 10c; ½ oz. 50c; ¼ oz. 85c; oz. $1.75.

2236 Miniature Creeping Zinnia

2219 ZINNIAS LINEARIS

2217 Linearis. The most unusual of the new Zinnias is the dwarf variety, Linearis. The single flowers are a golden orange with a delicate lemon yellow stripe through each petal. It will start flowering about 6 weeks after seeds are sown. Pkt. 10c; ½ oz. 45c.
Everybody wants Perennials—and wants them in generous measure to secure the desired effects in color and charm. If you delay and finally buy plants, the cost mounts high; an attractive perennial border may require several hundred dollars worth of plants. Exactly the same results can be secured with $3.00 or $4.00 worth of seeds! Aside from the money saved it is very fascinating to grow your own plants from seed.

1923 ALYSSUM. Saxatile compactum. Golden yellow flowers. 9 inches. Pkt. 10¢; 1/2 oz. 25¢.
1937 ANNUA ITALICA. Gentian blue. 4 feet high. Pkt. 10¢; 1/2 oz. 25¢.
1941 ANTIGONON. Also called Mexican Coral Vine and Mountain Rose. A beautiful climber growing 20 feet high and producing rose pink flowers. Pkt. 10¢; 1/2 oz. 35¢.
1976 AQUILEGIA, Copper Queen. Long Spurred. Copper bronze. 3 feet. Pkt. 25¢; 1 oz. 75¢.
1977 AQUILEGIA, Pink. Long Spurred. Pink shades. 3 feet. Pkt. 20¢; 1/2 oz. 50¢.
1974 AQUILEGIA, Wyatt's Long Spurred Hybrids. Mixed. 3 feet. Pkt. 10¢; 1/2 oz. 75c.
1935 BELLIS MONTROSA IMP. Giant double mixed. Pkt. 25¢.
1275 CANDYTUFT. Gibraltarica. Beautiful lilac flowers. 12 inches. Pkt. 10¢; 1/2 oz. 35¢.
1277 CANDYTUFT. Sempervirens. Pure white. 10 inches. Pkt. 10¢; 1/2 oz. 35¢.
1290 CANTERBURY BELLS. Single Mixed Colors. 3 feet. Pkt. 10¢; 1/2 oz. 35¢.
1300 CANTERBURY BELLS, Double Mixed. All colors. Pkt. 10¢; 1/2 oz. 35¢.
1350 CARNATION. Chaubaud's Ever-blooming Mixed. A beautiful hardy carnation. Large attractive flowers in many shades. 3 feet. Pkt. 10¢; 1/2 oz. 60¢.
2178 CHEIRANTHUS. Allioni Golden Bedder, golden yellow. Pkt. 10¢; 1/2 oz. 35¢.
2179 CHEIRANTHUS, Allioni (Siberian Wallflower) brilliant orange. Pkt. 10¢; 1/2 oz. 35¢.
1472 COREOPSIS. Mayfield Giant. Single Yellow. 2 feet. Pkt. 10¢; 3 pkts. 25¢.
1474 COREOPSIS SUNBURST. Double yellow. Pkt. 10¢; 1/2 oz. 75¢.
1534 DAHLIA. Single Mixed. Mixture of single dahlias that will bloom the first year if seed is sown early. Pkt. 10¢; 1/2 oz. 35¢.
1535 DAHLIA. Double Mixed. Choice mixture of double and cactus dahlias. You can grow your own dahlias from seed. Pkt. 10¢; 1/2 oz. 35¢.
1543 DELPHINIUM. Gold Medal Hybrids. Very choice. Pkt. 10¢; 1/2 oz. 60¢.
1545 DELPHINIUM. Bellamorum. Dark blue. Pkt. 10¢; 1/2 oz. 75¢.
1547 DELPHINIUM. Belladona. Light blue. Pkt. 10¢; 1/2 oz. 75¢.
1580 DIANTHUS. Plumaris. Single Mixed. (Pheasant Eye Pinks.) Very attractive hardy pinks in mixed colors. Pkt. 10¢; 1/2 oz. 35¢.
1581 DIANTHUS. Plumaris Double Mixed. (Double Scotch Pinks.) 12 inches Crop Failure.
1590 DIGITALIS. (Foxgloves.) Mixed colors. A very fine mixture of Fox-gloves containing many new varieties. 4 feet high. Pkt. 10¢; 1/2 oz. 35¢.
1630 GAILLARDIA. Grandiflora. Mixed. Also called blanket flower. Height 2 feet. Red and yellow mixed shades. Pkt. 10¢; 1/2 oz. 25¢.
1646 GEUM. Mrs. Bradshaw. Orange-red. 1 1/2 feet high. Crop Failure.
1647 GEUM. Lady Stratheden. Golden yellow. 1 1/2 feet. Pkt. 20¢; 1/2 oz. 50¢.
1646 GYPSOPHILA. Paniculata (Hardy Baby's Breath.) White. 3 feet. Pkt. 10¢; 1/2 oz. 35¢.
1658 HOLLYHOCK. Single Mixed. Selection of best single Hollyhocks in mixture. All colors. Pkt. 10¢; 1/2 oz. 25¢.
1681 HOLLYHOCK. Newport pink. Pkt. 10¢; 1/2 oz. 35¢.
1682 HOLLYHOCK. Double Scarlet. Bright red. Pkt. 10¢; 1/2 oz. 30¢.
1683 HOLLYHOCK. Double Yellow. Pkt. 10¢; 1/2 oz. 30¢.
1684 HOLLYHOCK. Double Salmon Rose. Pkt. 10¢; 1/2 oz. 30¢.
1685 HOLLYHOCK. Double Maroon. Very dark red. Pkt. 10¢; 1/2 oz. 30¢.
1686 HOLLYHOCK. Double White. Pure white. Pkt. 10¢; 1/2 oz. 30¢.
1688 HOLLYHOCK. Special Collection. 1 packet each of the above 6 separate colors of Double Hollyhocks. A 60¢ value for 40¢.
1690 HOLLYHOCK. Wyatt's Special Mixture of Double Hollyhocks. Pkt. 10¢; 1/2 oz. 25¢.
1736 LAVENDER. (Sweet Lavender.) Very fragrant lavender flowers. 1 1/2 feet high. Pkt. 10¢.
1739 LINUM. Perenne. Blue. Hardy flax with blue flowers. Pkt. 10¢; 1/2 oz. 25¢.
1749 LUPINS. RUSSELL STRAIN. A beautiful blend of a wide range of colors. Pkt. 10¢; 1/2 oz. 30¢.
1751 LUPINS, Mixed. Polyphillus. (Mixed Perennial Lupins.) 4 feet. Pkt. 10¢; 1/2 oz. 50¢.
PERENNIAL FLOWER SEEDS
(CONTINUED)

1781 MATRICARIA. (Feverfew.) A perennial usually treated as an annual flower. Pure White double flower. 1 1/2 feet high. Pkt. 10c; 1/2 oz. 50c.
1782 MATRICARIA. (Feverfew.) Golden Ball. Golden yellow flowers. Crop Failure.
1885 PENTSTEMON. (Beard Tongue.) Fine mixed. 2 1/2 feet high. Pkt. 10c; 1/2 oz. 50c.
1877 POPPY. Oriental hardy. Mixed colors. 3 ft. high. Crop Failure.
1882 POPPY, THE EMPEROR. With extremely large, fluted petals over-lapping, the flowers are sometimes semi-double. The strong, straight stems are very wiry, 18 to 22 inches long and bear the flowers majestically whether in the garden or when used for cutting. The color is a rich tangerine orange and the flowers are of fine form and substance. A Perennial. The Emperor blooms freely the first year from seeds and remains in your garden only to come back each year with larger, stronger plants. Pkt. 10c; 1/2 oz. 50c.
1883 POPPY. Iceland. Mixed colors. 1 1/4 feet high. Pkt. 10c; 1/2 oz. 50c.
2015 PYRETHRUM. Single Fine Mixed. 2 feet. All colors. Pkt. 10c; 1/2 oz. 50c.

SEEDS FOR THE ROCK GARDEN

Rock gardening is one of the most fascinating branches of the art today and is becoming more and more popular. There are few gardens where some kind of a rock garden could not be attempted.

We offer here a special list of seeds that will thrive between crevices of stones and in elevated positions. You will enjoy your rock garden all the more if you raise your own plants from seed.

1803 ALYSUM. Saxatile compactum. Pkt. 10c.
1874 AGILELIA. Long-Spurred Hybrids. Pkt. 10c.
1888 ARMERIA, FORMOSA. Dwarf Thriftrose. Pkt. 10c.
1275 CANDYFLUFF. Gibraltarica. Lavenderpink. Pkt. 10c.
1276 CANDYFLUFF. Queen of Italy. Rose. Crop Failure.
1277 CANDYFLUFF. Sempervirens. White. Pkt. 10c.
1455 CERASTIUM. Tomentosum. (Snow-in-Summer.) Pkt. 10c.
1512 DIANTHUS. Deltoides (Maiden Pink). Pkt. 10c.
1646 EUM. Mrs. Bradshaw. 1 1/4 feet. Pkt. 10c.
1902 POPPY. Iceland. 1 foot. Pkt. 10c.
2018 SAPONARIA. Oviedoide. Pkt. 10c.
2153 VERBENA. Venosa. Hardy verbena. Crop Failure.
2174 VL. A. Cornuta. Mixed. 10 inches. Pkt. 15c.
2179 WALLFLOWER. Siberian. 10 to 15 inches. Pkt. 15c.
2294 MIXTURE OF PERENNIAL ROCK GARDEN SEEDS. Pkt. 50c.
2095 MIXTURE OF ANNUAL ROCK GARDEN SEEDS. Large packet, 10c.

Wyatt's Garden Lilies

Plant 6 to 10 inches deep in a well drained soil, free from manure.

Culture: Lilies generally dislike lime, must have ample moisture but must be well drained. Regardless of the depth at which the variety is planted the soil should be deep, rich, loamy and rather gritty than stiff clay. Avoid full sun and too dense shade. The ideal situation for Lilies being in the perennial or shrub border where the lower parts of the plants are shaded while the top of the plants and flowers have access to ample light and air. Avoid ordinary manure which may cause the bulbs to rot. Use Sheep Manure mixed well into the bed.

Speciosum Rubrum: White, shaded and spotted with rose. 90c each; 3 for $2.50.

Regale (Regal Lily). Large fragrant white blooms with canary-yellow throat and blush-white edges. 5 to 6 feet. June and July. 60c each; 3 for $1.75; 6 for $3.00.

Henri. 18 to 20 rich deep orange yellow flowers. 8 feet. Bloom July-August. 80c each; 3 for $2.50.

Philippinense Formosanum: Very long trumpet shaped white flowers. Blooms June-July. 50c each; 3 for 80c.

Tigrimum. The rich colored Tiger Lily. Flowers are large orange-salmon, spotted black. 4 feet. Blooms August. Unavailable.

Montbretias

Mixed Colors. Attractive, brilliantly colored summer flowering bulbous plants strongly resembling small Gladiolus. Very free-flowering and extremely easy to grow they prefer loamy soil or leaf mold and bone meal; no manure. Effective for cutting or bedding. Unavailable.

Tigradia-Hybrids

(Mexican Shell Flower)

Few flowers are more gorgeously colored or so beautiful. Plant in sunny positions in a flower border in well-drained soil. Put a little sand under the bulb. Can also be used in beds. The blooms from July until frost. Height 3 feet. Unavailable.

Large Flowering Cannas

King Humbert. Standard red with bronze foliage. 5 feet.

Wyoming. Orange blooms, bronze foliage. 5 feet.

Richard Wallace. Best yellow, green foliage. 4 feet.

The President. Bright red, green foliage. 4 feet.

Hungaria. A new Canna, flowers apricot-pink, green foliage. 4 feet.

Winter's Colossal. Large red flowers, green foliage. 4 feet.

 Shenandoah. Bright pink, bronze foliage. 4 feet.

Yellow King Humbert. Lemon yellow, green foliage. 6 feet. 3 for 55c; 6 for $1.00; 12 for $1.85; 25 for $3.15.
## FLOWER SEED PLANTING TABLE

This table is for middle South climate and conditions. Allowances must be made. It is only a general guide. Abbreviations: H, hardy; H.H., half-hardy; A, annual; B, biennial; P, perennial. Months are numbered: 1, January; 2, February; etc.

</table>

**TRANSPLANTONE**, the hormone-vitamin powder for starting plants out right. Use a level teaspoon of **TRANSPLANTONE** to each gallon of starting water when setting out plants. Produces earlier maturity larger crops on tomato, tobacco and sweet potato plants. ½ ounce packet 25c; 3 ounce can $1; 1 pound can $4.
**RECLEANED FIELD SEEDS**

**F97 Alfalfa**

White Alfalfa is a relatively expensive crop, the first cutting usually returns about double the cost of seeds, lime, fertilizer and planting. A good method is to lime the land and plant an annual legume crop that can be thoroughly disked, not turned in preparing the alfalfa seed bed. Use 20 to 35 pounds (not more) borax per acre and drill 25 to 40 pounds of thoroughly inoculated seeds per acre. Roll or culti-packer after seeding. At seeding time use 500-700 pounds 2-12-6 and 8-10 tons barnyard manure if available and not weed infested. Apply 400 pounds 0-12-12 annually thereafter.

Always leave the alfalfa stand 6 inches tall or more for winter since any closer cutting invariably results in severe damage. If your stand of alfalfa becomes thin or weak sow 3 to 5 lbs. Orchard grass per acre to help control weeds and increase production. We offer 99½ per cent pure or better seeds, germinating 90 per cent or more, free of noxious weeds as follows: Lb. 75c; 4 lbs. $2.20, postpaid. Not prepaid, 5 to 159 lbs. at $2.12½c lb.; bag lots (100 lbs.) or more at $1.9c lb.

**BORAX. Prices: 25 lb. bag $2.50; 100 lb. bag $6.00.**

**F86 Alsike Clover**

One of the best for mixing with timothy; it is perfectly hardy in every climate. Sow early in the spring or late fall. Sow 10 to 15 lbs. per acre alone, or 8 lbs. per acre with timothy. Prices: Lb. 62½c; 4 lbs. $2.05, postpaid. Not prepaid, 5 to 159 lbs. at 43½c lb.; bag lots (100 lbs.) or more at 43¼c lb.

**F85 Burr Clover**

An annual winter legume, coming from seed each year, and furnishes grazing during the winter. If allowed to go to seed, it will reseed the ground for another winter’s grazing. Sow Burr clover at the rate of 40 to 60 pounds in the burr to the acre. Unable to supply this Spring.

**F83 Crimson Clover**

Should be sown from August to October. When sown by itself, 25 to 30 pounds are required to the acre; sown with grain or vetches, 15 pounds would be sufficient. Write for prices.

**F82 Red Clover**

A valuable farm crop in northern part of the Cotton Belt. Equally good for pasture, hay or soil improvement. Even the first crop makes rich feed and is most valuable for hay. Sow in fall or spring. September and March being the best months. 15 lbs. per acre. Write for prices.

**F95 Sericea Lespedeza**

Scarified and recleaned. This is the perennial lespedeza being grown so largely over the south. Its greatest asset is that it grows on the poorest soils without fertilizer or lime and while it steadily improves the land, it produces an abundance of nutritious hay if cut when tender. Prices: Lb. 45c; 5 lbs. $1.85, postpaid. Not prepaid, 10 lbs. $3.20; 50 lbs. $15.50; 100 lbs. or more at 30c lb.

**F87 White Blossom Sweet Clover**

Adapted to a wide variety of soils; is used for pasture, forage, for ensilage, for bees, for soil improvement. The deep roots break up, aerate and drain stiff subsoils and add humus. Spring sowings will yield a crop the following fall and two crops the following year. The first season it grows 1½ to 2½ feet high, but if cut when 6 inches high it stools out and makes a more tender growth for grazing. Sow 20 pounds per acre. Prices: Lb. 45c; 4 lbs. $1.15, postpaid. Not prepaid, 5 to 159 lbs. at 22c lb.; bag lots (100 lbs.) or more at 20c lb.

**F93 Kobe Lespedeza**

A variety particularly adapted to lowlands. Kobe is only about 10 days later than White. The leaves and stems are slightly coarser making a heavier hay crop. This variety is being highly recommended by the N. C. Experiment Stations for all but the mountainous regions of North Carolina, South Carolina and Virginia. Sow 30 to 40 lbs. per acre. Prices: 100 lb. bag lots 16c lb. Write for quantity prices.

**F80 White Dutch Clover**

Because of its spreading habit and persistent year-round growth White Dutch is invaluable for lawn and pasture use. It grows in all soils and will grow both in the shade and open areas. Like other clovers White Dutch enriches the soil while furnishing nutritious grazing. Sow 6 to 8 pounds per acre alone or 2 to 3 pounds with other clovers or grasses. Prices: Lb. $1.35; 5 lbs. $5.85, postpaid. Not prepaid, 10 lbs. $11.00; 25 lbs. $26.25; 100 lbs. or more at $1.00 lb.

**F89 Ladino Clover**

A perennial clover of exceptional merit for pastures, especially on moist, fertile land. Its popularity rests mainly upon its ability to recover rapidly from grazing or clipping and because of its leafy and succulent rather than stemmy growth. A complete recovery after grazing often takes place in two weeks. Its growing season is as long as that of any other legume. Like all clovers, Ladino succeeds best on well limed, fertile and somewhat moist land. Sow 5 to 6 pounds per acre alone or 1 to 3 pounds in mixtures. Prices: Lb. $3.00; 5 lbs. $14.50, postpaid. Not prepaid, 10 lbs. $28.50; 25 lbs. $65.75; 100 lbs. or more at $8.59 lb.

**F91 Common Lespedeza**

Korean Lespedeza will grow on any soil, wet or dry, rich or poor, sour or sweet. Unexcelled for hay crops tall or short, for seed 2½ to 3½ bushels of good hay per acre on a good thick even stand. It is almost equal to alfalfa in feeding value, and compares favorably in fineness, palatability and protein content. A good stand will make one ton of hay per acre for each 4 to 5 inches above cutter bar. The hay is easier to cut and handle than soy beans, red clover, or alfalfa. When cutting for hay cut in August or early September. If hay crop is to reseed the land, hay must be either early and high enough for stubble to make sufficient growth to produce seed; or wait until seed have formed on bottom branches, which seed shatters to the ground for reseeding. Korean Lespedeza is earlier than other lespedeza, this insures harvest before fall rains and early frost and gives time for seed bed preparation for small grain that fall. If a good stand is expected the first year sow from 25 to 30 pounds of seed per acre. Prices: 100 lb. bag lots at 10½c lb. Write for quantity prices.

**KOREAN LESPedeza**

It grows on galled hillsides and on all soils, even on the poorest, and being a legume improves the soil for later crops. Its abundant long taproots and laterals when decayed, open up the subsoil and leave in it great quantities of nitrogenous matter. Once started it soon spreads and takes possession. Sown on old pastures, it will add very materially to the value of the pasture. Sow 25 to 30 lbs. per acre. Write for prices.
WYATT’S SELECTED FIELD CORNS

OPEN POLLENATED CORNS WHITE VARIETIES

F15 Lathams Double (N. C. Certified and Registered)
Our stock of certified and registered Lathams Double is grown for us by Mr. F. P. Latham who originated this splendid variety. One of the most dependable and highest yielding varieties for Eastern North and South Carolina, has medium small cob and shell 85 per cent grain when dry. Weevel resistant and on good land can be depended upon for high yields. A two ear prolific. Prices: Lb. 35c; 2 lbs. 55c; 5 lbs. 90c, postpaid. Not prepaid, 14 lbs. (peck) $1.25; 56 lbs. (bu.) $4.50.

F12 Lathams Double (N. C. Certified) Prices: Lb. 35c; 2 lbs. 50c; 5 lbs. 85c, postpaid. Not prepaid, 14 lbs. (peck) $1.00; 56 lbs. (bu.) $3.30.

F11 Lathams Double (grown from certified seeds) Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.00; 56 lbs. (bu.) $3.30.

F9 Cockes Prolific (N. C. Certified) Slightly earlier than most white varieties, makes 2 good ears per stalk; withstands drought better because of the small stalk and is thoroughly adapted for North Carolina. Cockes makes a small cob and the sound grains weigh 57 pounds to the bushel. Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.15; 56 lbs. (bu.) $4.00.

F7 Mosby’s Prolific
Our stock of this fine variety is all hand selected for seed from uniform ears. Ears averaging 11 inches in length are carefully rubbed at both ends and only the deep flinty middle grains are used for seeds. Mosby’s Prolific is the largest prolific variety and we recommend it for an all-purpose white corn. The cob is small and the grains are deep. 124 days. Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.25; 56 lbs. (bu.) $4.50.

F6 Hickory King The grain is so wide and deep and the cob so small that often a single grain will cover the end of a broken cob. One of the best medium to poor land white varieties, and a high yielder on good land. Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.25; 56 lbs. (bu.) $4.50.

F16 Paymaster Red Cob
A deep white grain on a very small bright RED COB—stands the drought—has a short stocky stalk—does not blow down easily, and will mature in 100 to 110 days. Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.25; 56 lbs. (bu.) $4.50.

F20 Wyatt’s Mammoth Ensilage
More universally grown for ensilage than any other variety. It bears one to two ears to the stalk, the ears frequently over 12 inches. The grains are medium large flinty, closely placed on a small cob and are very high in protein. The ears are resistant to corn ear worm, weevil, ear rot. Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.25; 56 lbs. (bu.) $4.50.

WYATT’S CORN HYBRIDS
(For Descriptions See Inside Front Cover and Page 1)

NCT-1. Yellow NCT-11. Yellow
NCT-23. Yellow NC-1032. Yellow
Tennessee 10. White

Prices, all Hybrids: 8 lbs. $1.90, postpaid. Not prepaid, 8 lbs. $1.75; 28 lbs. (½ bu.) $5.00; 56 lbs. (bu.) $9.75.

Order Early!

YELLOW VARIETIES

F17 Improved Early White Dent Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.25; 56 lbs. (bu.) $4.50.

F18 Jarvis Golden Prolific (Certified and Registered) Jarvis is one of the most widely adapted corns for Southeastern U. S. The best of all corns for medium to poor soils. Our Jarvis stocks as all of our corns are carefully handled for seed stocks and the Registered and certified Jarvis offered here is produced from North Carolina Crop Improvement Association Registered Seed Stock. Note the uniformity of the ears in the illustration on this page. This is a small stalked, two ear prolific maturing in about 115 days. Prices: Lb. 35c; 2 lbs. 55c; 5 lbs. 90c, postpaid. Not prepaid, 14 lbs. (peck) $1.50; 56 lbs. (bu.) $5.50.

F19 Jarvis Golden Prolific (Certified) Prices: Lb. 35c; 2 lbs. 50c; 5 lbs. 85c, postpaid. Not prepaid, 14 lbs. (peck) $1.40; 56 lbs. (bu.) $5.90.

F8 Jarvis Golden Prolific Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.00; 56 lbs. (bu.) $3.50.

F23 Lathams Yellow Cross A high yielding 2-ear yellow corn for the Coastal Plains. Prices: Lb. 35c; 2 lbs. 45c; 5 lbs. 85c, postpaid. Not prepaid, 14 lbs. (peck) $1.40; 56 lbs. (bu.) $5.90.

F13 Improved Golden Yellow Dent Golden Yellow Dent is a medium early corn, and matures in 110 to 120 days. A beautiful rich golden color; large deep grains. Prices: Lb. 30c; 2 lbs. 45c; 5 lbs. 80c, postpaid. Not prepaid, 14 lbs. (peck) $1.25; 56 lbs. (bu.) $4.50.
### Bermuda Grass

Makes a vigorous and persistent growth in every part of the South last for years; stands a long, hot summer without injury; grows well in any soil that is not too wet. Sow at the rate of 8 to 10 lbs. to the acre for pasture; 15 to 40 lbs. for lawns and golf courses. Plant from March until June. Seed will not germinate when it is cold, and under unfavorable conditions, takes 30 to 40 days to germinate. Prices: Lb. 70c; 5 lbs. $3.05, postpaid. Not prepaid, 10 lbs. $3.70; 25 lbs. $14.00; 100 lbs. or more at 35c lb.

### Sudan Grass

A quick growing heavy yielding summer hay crop with a wide seeded stock. Strongly drought-resistant. Sow it after the ground becomes thoroughly warm, either broadcast or in rows two feet apart. Sudan grass may be profitably grown with cowpeas and soybeans, as being of erect growth it supports the pea vines and makes the cutting easier and allows them to cure more quickly. Almost any soil from clay to light sand will grow Sudan grass. Sow 5 to 6 lbs. to the acre in 2-foot rows; 20 to 25 lbs. to the acre. Prices: Lb. 35c, 5 lbs. 85c, postpaid. Not prepaid, 10 lbs. $2.30; 25 lbs. $10.00; 100 lbs. or more at 11½c lb.

### Tift Sudan

A recent development of the Georgia Coastal Plains Experiment Station this is a vast improvement of the highly palatable and nutritious annual offered above. Tift Sudan grows 4 to 8 feet, branches or leaves out to a greater degree, and is much more resistant to the many leaf and stem diseases than the common variety. This disease resistance and the fact that it recovers faster from cutting and grows over a longer period makes for a much more profitable crop. Prices: Lb. 35c; 5 lbs. $1.75, postpaid. Not prepaid, 10 lbs. $2.00; 25 lbs. $4.15; 100 lbs. or more at 18½c lb.

### Sweet Sudan

A broad leaved, disease resistant Sudan similar to Tift but much sweeter and more palatable to stock. In experimental plantings where all three Sudans are planted cattle keep the Sweet Sudan grazed to the ground and graze the others only when there is none of the Sweet Sudan to graze. An outstanding summer tempering grass, a haying and hay crop. Plant and handle as other Sudans. Prices: Lb. 40c; 2 lbs. 70c; 5 lbs. $1.35, postpaid. Not prepaid, 10 lbs. $2.20; 25 lbs. $5.25; 100 lbs. or more at 20c lb.

### Bermuda (Hulled)

This is the same Arizona grown Bermuda offered hay value is that the tough hull has been removed. Hullled Bermuda under favorable conditions during the late spring or summer will germinate in 8 to 10 days and should be sown only during this period. Prices: Lb. 90c; 5 lbs. $4.40, postpaid. Not prepaid, 10 lbs. $8.40; 25 lbs. $26.96; 100 lbs. or more at 80c lb.

### Permanent Lowland Hay and Pasture Mixture

This mixture includes the most valuable varieties of grasses and clovers for bottom lands and on good soils produce a good hay, grazing or hay. Red Top or Herds grass, carpet, Dallis, Lespedezas, Bar and other grasses and clovers combine to extend the period of production around the calendar. Sow spring or fall 40 lbs. per acre. Prices: Lb. 30c; 5 lbs. $1.90, postpaid. Not prepaid, 10 lbs. $2.80; 25 lbs. $7.25; 100 lbs. or more at 28c lb.

### Heavy Improved seed

In the cotton belt it furnishes two hay cuttings of fine quality, the second cutting heavier and finer than the first. It stands light frosts and does well on most any soil with ample moisture. It continues to grow and makes early spring cuttings. Sow in February or April. Plant 8 pounds per acre. Unavailable.

### Tall Meadow Oat Grass

Withstands best, drought and cold, starts very early in the spring and continues to give good grazing until late in the fall. For hay, it can be cut twice in a season. Nutritive hay value is high. It ripens at the same time as orchard grass and gives good results when red clover. For hay, should be cut as soon as it blooms. Sow 30 lbs. per acre, either in the fall or spring. Prices: Lb. 60c; 5 lbs. $3.75, postpaid. Not prepaid, 10 lbs. $4.60; 25 lbs. $11.35; 100 lbs. or more at 44c lb.

### Red Top or Herd’s Grass

For hay, pasture and lawns. Stands wet weather well, and does best on heavy, moist lowlands. Ordinarily about 2 feet high. Holds well in summer if repeatedly cut. Prices: Lb. 35c; 5 lbs. $1.30, postpaid. Not prepaid, 10 lbs. $2.20; 25 lbs. $5.25; 100 lbs. or more at 20c lb.

### Orchard Grass (Onion Free)

One of our most productive grasses for the Middle west for hay and pasture. While succeeding well in almost all fertile soils it does best on loamy stiff up lands. Starts growth very early in the spring and continues well into the winter. It is easily handled and cured for hay. It is a long-lived grass, lasting with good treatment for 20 years. It is much tougher than many of the foreign grasses and is very much wanted for other purposes. Sow 20 to 25 lbs. per acre alone or 15 to 10 with other grasses and clovers. Cut when in bloom. Prices: Lb. 65c; 5 lbs. $3.40, postpaid. Not prepaid, 10 lbs. $14.20; 25 lbs. $50.15; 100 lbs. or more at 40c lb.

### Meadow Fescue

This succeeds in almost all parts of the South. Furnishes green pasture through the fall and winter and is very good in mixtures for hay crops or permanent pastures. Sow 30 lbs. per acre. Sold out.

### Kentucky Blue Grass

On soils that are suited to Blue Grass it is one of the most important grasses because of its very great nutritive value. It succeeds best on sweet soil, but does well on any stiff rich soil. Sow either in the fall or spring. 25 to 40 pounds to the acre. Prices: Lb. $1.75; 5 lbs. $3.30, postpaid. Not prepaid, 10 lbs. $11.10; 25 lbs. $51.25; 100 lbs. or more at 60c lb.

### Italian Rye Grass

Highly recommended for hay crops on rich land. An annual grass with tall, broad flat leaves; very valuable for winter pastures, either alone or in mixtures. Sow 10 lbs. per 1,000 square feet for lawns or 30 lbs. per acre for pasture. Our seeds are thoroughly cleaned and are 95% germination or better. Prices: Lb. 25c; 5 lbs. 85c, postpaid. Not prepaid, 10 lbs. $1.30; 25 lbs. $3.00; 100 lbs. or more at 11c lb.

### Perennial Rye Grass

It produces an abundance of foliage that remains bright throughout the season, will bear frequent and close cropping, is relished by all kinds of stock, and is not easily handled and cured. It prefers a stiff wet soil. Prices: Lb. 45c; 5 lbs. $1.65, postpaid. Not prepaid, 10 lbs. $4.60; 25 lbs. $6.60; 100 lbs. or more at 25c lb.

### Carpet Grass

It is remarkable for its ability to grow on poor sandy soils, thriving far better than many other grasses vigorously on any kind of soil if moisture conditions are favorable, even if the land is acid, and will furnish more grazing than Bermuda grass. Sow 10 lbs. per acre for pasture and 20 lbs. for lawns and greens. Lb. 40c; 5 lbs. $1.50, postpaid. Not prepaid, 10 lbs. $2.60; 25 lbs. $6.25; 100 lbs. or more at 24c lb.

### Timothy

A hay grass suitable only for the northern part of the South, especially hill and mountain districts. Sow 15 lbs. per acre. Prices: Lb. 35c; 4 lbs. 5c, postpaid. Not prepaid, 5 to 99 lbs. 15c lb.; 100 lbs. or more at 15c lb.
CROTALARIA - SOY BEANS - COW PEAS - VELVET BEANS

CROTALARIA

F304 GIANT STRIATA. The highest yielding Crotalaria adapted to all soils and making a tremendous tonnage of green manure on the poorest dry or wet land. Only 8 to 10 pounds of seeds are required per acre and may be sown in small grains at the time soda is applied if seeding is followed with harrow or weeder. Very deep rooting. Prices: Lb. $0.60; 3 lb. $1.00, postpaid. Not prepaid, 10 lbs. $2.60; 25 lbs. $6.25; 100 lbs. or more at 3¢ lb.

F301 LATE SPECTABILIS. The great new cover crop for turning under. Requires no fertilization, no liming, and may be grown without cultivation. Broadcasting may be done just before the last cultivation of cotton or corn, allowing a main crop and building up your soil in all the same season. For maximum growth, however, broadcast 15 to 20 lbs. per acre on well prepared land when frost danger is past, harrowing in not over 2 inches.

F303 CAROLINA SPECTABILIS. An early maturing strain of the Spectabilis variety. This strain will mature seeds in the upper South, but does not make the growth that the late strain makes.

SOY BEANS

CULTURE: Soy beans may be planted either broadcast or in drills. They grow equally well on light and heavy soils, but on heavy soils they should not be planted more than 1 to 1½ inches deep except in dry season. On light sandy soils plant deeper, but not more than 3 inches. Plant in April, May or June. Such large seeded varieties as Mammoth Yellow require 1 bushel or more per acre, whereas Laredo small seeded kind only require 1 peck to the acre.

F146 Ogden. This variety is worthy of consideration and comparison with the better varieties, being a better strain than the old Ogden which carried on by the North Carolina State College Experiment stations it has ranked at or near the top in yield of beans, oil content of the beans, yield of hay and crop production. It is considerably earlier than most beans and is consequently better adapted to rotation with small grains. Results in the Wake County trials made a substantial production of hay. Average bean yield for 6 tests at scattered points in the state during 1943 was 27.8 bushels per acre. Plants are nicely branched and for that reason are more desirable for hay than the coarser growing types. Write for prices.

F150 Volstate. For a hay crop or a crop that might be optional we would recommend Ogden, but for a crop planted on light land and for combining we would recommend the Volstate owing to the high yield and the fact that the beans are somewhat bunched on the plant. Tennessee Certified Seeds (packed 2 bushels). Write for prices.

F151 Virginia. It is about twenty days earlier than Mammoth Yellow. The vines make a fine growth, are filled with pods, stand about three feet high, are easy to cut and easy to cure. Prices: 2 bu. $3.30 per bu.

F140 Wood's Yellow. An upright variety, growing four to five feet high. A heavy yielder of large beans. Write for prices.

F147 Tokio. A heavy producer of extra-large pods and beans. Packed 2 bushels. Prices: Bag lots $3.75 per bu.

F142 Ootoan. Its late maturity is more than overcome by the abundant growth—five feet and more in long seasons—its fine stems and abundant foliage, and the fine texture of its hay. 1 peck to acre. Prices: 2 bu. $2.00 per bu.

F143 Biloxi. An upright variety, growing four to five feet high. A heavy yielder of large beans. Write for prices.

F152 Laredo. A bean of outstanding worth, particularly for making hay. In a six-year test it averaged 1½ tons to the acre. It is medium in maturity, is a good yielder of beans. 1 peck per acre. $0.60 per bu.

VELVET BEANS

F211 EARLY RUNNING SPECKLED. An extra early Velvet Bean that is largely planted throughout the South, and extremely popular. It is one of the quickest-growing and earliest maturing of the Velvet Beans. You can plant these beans during May and June, and they will mature in time for fall planting. Write for prices.

F212 OSCEOLA. The Osceola has given excellent results as a forage crop. We have found it to make fully as much growth of vine as the Early Speckled or 90-Day, with pods larger. Write for prices.

STOCK PEAS

Owing to the present situation with respect to farm labor the supplies of peas, especially pure varieties, are extremely short.

F101 Brabham. The seeds are smaller and do not require to be seeded as thickly as other kinds. It is disease-resistant, vigorous in growth, holds its foliage well, and is more durable for hay. Write for prices.

F109 Whippoorwill. Very large beans, probably because of its long vine, usually six feet long, and its large yield of both hay and peas. Write for prices.

F111 Black. Very prolific, early to mature, makes a fine growth. Write for prices.

F103 Large Black-Eye. The pods are long and well filled with large, pure white peas with a coal-black eye. Prices: ½ lb. 20c; 1 lb. 35c, postpaid.

F104 Early Small Black-Eye. The seeds small, and of the most select eating qualities. Prices: ½ lb. 15c; 1 lb. 25c, postpaid. Not only one of the earliest to mature, but is also one of the most prolific and best flavored.
Sorghum - Millet - Milo - Teosinte

**Syrup and Forage Sorghums**

**Cultivation:** Plant when the ground becomes thoroughly warm, about two weeks after corn planting, on a rich, well-drained clay loam, in rows 3 1/2 to 4 feet apart, and cultivate as you would corn. After the flowering stage is passed, it may be pastured or cut for fodder. Sorghum may be grown with cowpeas or soybeans either in rows or broadcast. Sown alone, 50 lbs. per acre. In rows 6 to 8 lbs. per acre.

F192 Early Amber

If planted early it will yield two cuttings a season, spoiling out thicker each time it is cut. Grown with cowpeas or soybeans the quality of the hay is improved. The proportions recommended are 15 lbs. Early Amber Cane, 1/2 bushel of soybeans and 1 bushel cowpeas to the acre broadcast. Grows 10 to 12 feet high. Sow broadcast 1 to 1 1/2 bushels to the acre: 5 to 6 lbs. plants an acre in 3 1/2 to 4-foot rows. Prices: Lb. 25c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $1.30; 25 lbs. $3.00; 100 lbs. or more at 11c lb.

F193 Early Orange

With taller and heavier stalks than the Amber, although not as early or as popular. Prices: Lb. 25c; 5 lbs. $1.50, prepaid. Not prepaid, 10 lbs. $1.30; 25 lbs. $3.00; 100 lbs. or more at 11c lb.

F196 Texas Seeded Ribbon Cane

Highly prized everywhere by syrup makers, for its rank and vigorous growth and heavy juicy stalk, which produces a large yield of syrup. Grows 10 to 12 feet high and produces dark, heavy, oval-shaped green foliage. It makes a heavy growth of green foliage for fodder and ensilage. Prices: Lb. 35c; 5 lbs. $1.45, prepaid. Not prepaid, 10 lbs. $1.70; 25 lbs. $4.00; 100 lbs. or more at 15c lb.

**Broom Corn**

F294 Broom Corn (Evergreen.) A fine crop for dry land farming where there is a market for the straw for brooms. It has practically no food value. Plant in 3 1/2-foot rows, thinning out to stand 8 to 10 inches in the row and cultivate like corn, 6 lbs. per acre. Prices: Lb. 35c; 5 lbs. $1.25, prepaid. Not prepaid, 10 lbs. $2.00; 25 lbs. $4.75; 100 lbs. or more at 15c lb.

**Teosinte**

F289 Teosinte

Cut when 4 or 5 feet high, it makes an excellent fodder, starts immediately into growth again, and will give several more cuttings. If more quantity is planted a continuous supply of nutritious green feed can be had daily right up to frost. Plant in May or June in drills 3 1/2 to 4 feet apart; 3 to 4 lbs. plants an acre. Prices: Lb. $1.10; 5 lbs. $5.00, prepaid.

**Hegari**

F197 Hegari

Recognized as the most valuable and widely adapted member of the genus, and well suited to conditions in the Southern states. Hegari has great forage value for two reasons. First, because its high sugar content makes stalks and leaves highly palatable to livestock, and second, it yields heavily with its many broad leaves and substantial stalks. As an ensilage crop many acres are planted to Hegari every year in the South. For seedless plantings it pastures well and also makes good hay. Its largest use is in bundle feeding and it can be left chopped in the field until fed, or as is coming into more general practice, it is ground head, stalks and leaves through a hammer mill. Hegari makes a good substitute crop for corn, which it outyields on light soils, since it can be planted much later. Prices: Lb. 25c; 5 lbs. 75c, prepaid. Not prepaid, 10 lbs. $1.90; 25 lbs. $2.25; 100 lbs. or more at 8c lb.
**Potatoes - Peanuts - Rape**

**SEED POTATOES**

Potatoes are forwarded by express or freight, as directed, purchaser paying charges. One peck will plant about 100 feet of row, or 100 hills; 10 to 12 bushels required for an acre.

**Quoia**, N. C. Certified A high yielding vigorous variety developed by the North Carolina Agricultural Experiment Station in cooperation with the U. S. Department of Agriculture. This variety is highly resistant to leaf blight and flea beetles. Due to its vigorous growth habits set pieces should be spaced 10 inches in the row and the usual fertilizer application reduced on good soils. Write for prices.

**Red Warba**, Maine Grown This good red variety replaces the popular Red Bliss with us. Admires of the Bliss quality will not be disappointed with Red Warba which is distinctly superior in quality and yield. The potatoes are slightly less round and otherwise have the bright skin and attractive appearance so well known to the users of the Red Bliss variety. Write for prices.

**Cultivation:** Solids: Well drained sandy loam, properly limed, is best. Varieties: Virginia Bush, North Carolina Bunch, the old belt of North Carolina and Virginia Spanish, North Carolina Runner, Virginia Bunch. In the Southern Coastal plains and counties bordering the Piedmont, using the Chestnut, Russian Red, or North Carolina Runner if in doubt as to the ability of the soil to make the larger varieties. In the Piedmont the Spanish variety is recommended. Try dipping rape 6 to 8 bushels per ton of nuts, however, on adapted soils the larger nuts grown from crops per acre. Use 35 lbs. small varieties; 45 lbs. large varieties (shelled) per acre. Buy 1-2 more nuts by weight in the shell for the desired amount of shelled nuts. Average of 25 tests conducted in North Carolina in 1941 showed $16.43 per acre increase return where peanuts were dusted 4 times with sulphur-cooper dust. After deducting the cost of dusting.

F221 Valencia Yield 600 to 700 pounds. Adapted to a variety of soils and makes few "pops." Straight smooth pods contain 3 or 4 large kernels of finest quality. An early bunch variety. Prices: Lb. 40c; 5 lbs. $1.70, postpaid. Not prepaid, 10 lbs. $2.60; 25 lbs. $6.25; 100 lbs. or more at 24 c lb.

F222 North Carolina Runner Yield 800 to 1,200 lbs. in shells per acre, very high in oil content and a good variety for hogging. Pods slightly larger than Spanish, red skinned and good quality. Prices: Lb. 40c; 5 lbs. $1.70, postpaid. Not prepaid, 10 lbs. $2.60; 25 lbs. $6.25; 100 lbs. or more at 24 c lb.

F223 Tennessee Red Yield about the same as North Carolina Runner. Nuts larger, pods well filled with 3 or 4 kernels of excellent quality. Prices: Lb. 40c; 5 lbs. $1.70, postpaid. Not prepaid, 10 lbs. $2.60; 25 lbs. $6.25; 100 lbs. or more at 24 c lb.

F224 Improved Spanish Yield 1,000 to 1,200 lbs. in shells per acre. This is the earliest of all peanuts, a bunch type, producing pods tightly filled with 2 kernels each. Highest in oil content and most dependable for varietal seeds. Strong roots attach to plants and prevent loss in harvesting. Plant 6 inches apart in 18 inch rows for highest yields. Prices: Lb. 40c; 5 lbs. $1.70, postpaid. Not prepaid, 10 lbs. $2.60; 25 lbs. $6.25; 100 lbs. or more at 24 c lb.

F225 Virginia Bunch Yield 1,500 to 2,500 pounds in shells. Produces largest nuts of bunch type and highest yielding of all varieties since 1936. It can be planted closer in rows. Prices: Lb. 40c; 5 lbs. $1.70, postpaid. Not prepaid, 10 lbs. $2.60; 25 lbs. $6.25; 100 lbs. or more at 24 c lb.

F287 Rape, Dwarf Essex A succulent and nutritious quick pasture crop for stock and poultry. Ready in 6 to 8 weeks. After cutting and let the plant continues to grow. Makes acceptable table "greens." Can be grown in drills, using 4 pounds of seed to the acre, or broadcast. 8 pounds. Should be sown at intervals from August to April. Prices: Pkt. 5c; ½ lb. 25c; lb. 35c; 2 lbs. 65c; 5 lbs. $1.45, postpaid. Not prepaid, 10 lbs. $2.20; 25 lbs. $5.25; 100 lbs. or more at 20 c lb.

F298 Russian Sunflower Sunflower seeds fed to poultry make a real egg-producer, and being high in oil and protein they make an ideal food for dairy and livestock. Optimum: the leaves make excellent fodder; the whole plant makes fine ensilage and hay feed. Prices: Pkt. 10c; ½ lb. 25c; 1 lb. 65c; 5 lbs. $1.45, postpaid. Write for quantity prices.

F235 Hairy or Winter Vetch Fine for hay, grazing and improving large. Resilient, comes true every year from a single sowing. Prices: Lb. 35c; 5 lbs. $1.25, postpaid. Not prepaid, 10 lbs. $2.00; 25 lbs. $4.75; 100 lbs. or more at 18 c lb.
F254 Tobacco, Oxford 26, Granville Wilt Resistant

Our Oxford 26 tobacco seeds are produced on soils known to contain the wilt spores and the crop is interplanted every tenth row with a standard variety. Note the effect of the wilt on the non-resistant variety in the center row in the picture above, and the uniform stand of Oxford 26 in the next rows.

F254 Oxford 26 Certified This is the new variety, resistant to Granville wilt, offered for the first time for planting in 1945. Granville Wilt is widespread in Granville, Wake, Durham, Pitt, Carteret, and Craven counties but is present on at least a few farms in nearly every North Carolina county where sun-cured tobacco is grown. In general appearance Granville wilt is similar to other diseases that attack the crop, but in mid-season can be easily distinguished by the presence of dark streaks which extend for 16 or more inches above the soil in the woody part of the stem. Oxford 26 is recommended only for fields known to be contaminated with Granville wilt. This strain is highly resistant, but for best results should be grown on soil related to other crops for 1 to 2 years. By comparison this variety will not produce the weight of leaf per acre that can be expected from 400 or 401, but the yield would compare favorably with such standard varieties as Gold Dollar, White Stemmed Orinoco or Cash. Because the leaves are spaced somewhat farther apart than on some varieties, it can be planted closer together in the row for increased yield. The quality compares favorably with other varieties. Oxford 26 is produced directly from seeds supplied by the Oxford Experiment Station where this variety was developed. Our seeds are chemically treated. Prices: Oz. $2.00; 3 ozs. $5.25; lb. $26.00, postpaid.

F279 No. 1 Resistant to Black Shank, a disease that attacks the larger roots and stalks, causing death rapidly. Oxford 26 is the least resistant but the best quality of the resistant varieties. For best results plant on soils that have been planted to crops other than tobacco for at least 2 years. Recommended only for fields where black shank is known to be present. Prices: Oz. $1.00; 3 ozs. $2.65; lb. $13.00, postpaid.

COTTON SEEDS

F201 Coker 100-Strain 7 (Delinted) A later and improved strain of the same dependable cotton offered above. The seeds have had the same careful treatment and testing. Prices: Bu. $2.50; 10 bu. or more at $2.25 bu. 

F202 Coker 100-Strain 7 Prices: Bu. $2.25; 10 bu. or more at $2.15 bu.

F207 Coker 100-Strain 5 Prices: Bu. $2.50; 10 bu. or more at $2.45 bu.

F206 Coker 100 (Wilt Seed) An especially heavy yielding early and wilt-resistant variety. For thin land or land infested with wilt we recommend this variety. Prices: Bu. $2.50; 10 bu. or more at $2.45 per bu.

F256 401 Certified A broad leafed variety developed from a cross of 400 on Cash. Producing high yields of superb quality leaf. Best cured are obtained when the leaves ripen thoroughly on the hill. Prices: Oz. $1.00; 3 ozs. $2.65; lb. $13.00, postpaid.

F277 402 Certified A cross of 400 and Jamaica Wrapper. A very high yielding tobacco for Eastern North Carolina and a producer of fine quality. Prices: Oz. $2.00; 3 ozs. $3.25; lb. $26.00, postpaid.

F267 Jamaica Wrapper Tall plants, long, medium broad leaves, spaced far apart on the plant insuring good ripening. Makes heavy yields and good quality, bright tobacco. Best suited to sandy loam soil. Prices: Oz. 60c; 3 ozs. $1.50; 8 ozs. $3.25, postpaid.

F260 Mammoth Gold A fine new variety with large broad leaves. The crop ripens well and cures easily. The plants are vigorous and grow to heavy weight. Prices: Oz. $1.00; 3 ozs. $2.65; lb. $13.00, postpaid.

F269 Virginia Bright Leaf Prices: Oz. 60c; 3 ozs. $1.50; 8 ozs. $3.25, postpaid.

F251 White Stem Orinoco Certified Well liked for its ability to make good crops of fine quality cigarette tobacco on thin or poor soils. On the better fine gray or sandy soils it makes a splendid crop. Prices: Oz. $1.00; 3 ozs. $2.65; lb. $13.00, postpaid.

F266 White Stem Orinoco Prices: Oz. 60c; 3 ozs. $1.50; 8 ozs. $3.25, postpaid.

F265 Yellow Mammoth Tall growing vigorous plants, producing fine bright yellow leaf tobacco. One of the heaviest producers and a real money maker. Adapted to a wider range of tobacco soils. Prices: Oz. $1.00; 3 ozs. $2.65; lb. $13.00, postpaid.

F278 Yellow Special A fine variety originating in Virginia and receiving much interest for poorer soils where it produces good crops and good quality. Very large leaves that ripen uniformly. Prices: Oz. $2.50; 3 ozs. $3.25; lb. $26.00, postpaid.
ARASAN — An effective dry seed disinfectant and protectant for destroying many seed-borne organisms and protecting the seed against certain soil and air-borne agencies responsible for seed decay. Usually a few days of seed soaking improves seed germination. University of Illinois tests show 90 per cent of Illinois growers use it. Use as follows: jungle beans 1 oz. per bushel; cowpeas 1 oz. per 10 bushels; corn, sorghums, etc. 4 oz. per 100 bu. Excellent results on use of “Aran” for peanuts and many vegetables. Prices: Oz. 1c; 8 ozs. 80c; 4 lbs. $2.18; 25 lb. drum $30.00; 100 lb. drum $115.00.

NEW IMPROVED CERESE — A dry seed treatment which effectively kills many seed-borne diseases by both contact and vaporization recommended by most experiment stations—uninexpensive. One pound treats 22 bushels of seed grain and frequently increases yields. Use New Improved “Ceresan” on small grains, cotton, sorghums, etc. Prices: 8 oz. 30c; 1 lb. 80c; 4 lbs. $2.70; 8 lbs. $5.40; 25 lb. $15.00; 100 lb. drum $55.00.

SEMESEAN BEL — Tests in fifteen states have proved that most potato growers can usually expect better returns from seed potatoes if they treat them with “Semesean Bel.” Costs only about 3 cts. per 100 seed. One pound reduces seed-piece decay, seed-bole disease and Rhizoctonia. No nussoy-saking—just dip, dry, and plant. One pound treats 60 to 80 bunches of potatoes. Prices: 1 oz. 25c; 1 lb. 1.65; 4 lbs. $5.70; 25 lb. drum 625c.

SEED TREATING CHART — Write for complete seed treating chart.

SEED-BORNE DISEASES
Halo spot, angular leaf spot, Datura pod blight, seed rottting, Fusarium. Seed rottting, powdery mildew, Scab, leaf rot, Rhizoctonia, Black leg.

Applications
Dry
Liquid
Dry or Liquid
See footnote 3

Seeds per bushel
2 oz. 8 oz. 16 oz. 32 oz. 48 oz. 64 oz.

COTTON SEED — Cotton state authorities report that cotton seed treatment with 2% Ceresan has given yield increases ranging in value from $2.50 to $5.00 per acre. Generally reduces seed rotting and damping-off. Results in more uniform stands from less seed. Usually controls certain other seed-borne diseases. One pound treats 8 to 10 bushels of seed. Prices: 1 lb. 75c; 4 lb. $3.14; 25 lb. bali $14.50; 100 lb. drum $52.00.

SEMESEAN — Farmers who use Semesean Jr. look upon it as a valuable aid to larger corn stands. Usually reduces seed rotting, check's seedling blight and certain seed-borne rots of root and stalk — has increased yields an average of 3 bushels per acre. Costs only about 10 cts. per 100 seed. Treats field, pop, and seed corn by quick, dry method. 1 1/2 ounces treat a bushel of seed. Prices: 15c; 12 ozs. 50c; 610s. $3.75; 25 lb. bali $12.50; 100 lb. drum $50.00.

SEMESEAN — For success in corn and vegetables give them a healthy start. Corn and vegetables bulhs and seedlings with “Semesean.” Apply dry or in h20 solution. “Semesean” generally reduces seed rotting and damping-off, is highly effective against many seed-borne diseases, helps to prevent seed-borne soil contamination. One ounce treats 15 to 90 pounds of seed. Cost only 15c. to 2 cents per pound. Prices: 2 oz. 40c; 2 oz. 46c; 1 oz. 12 cts.; 8 oz. 12 cts.; 1 lb. 50c; 4 lbs. $9.10; 25 lb. bali $25.20; 100 lb. drum $198.00.

AMMATE WEED KILLER
Ammate Weeder ammonium sulfamate, has been tested during the past five years by experiment stations to make certain of the control and eradication of many troublesome weeds. Results of testing results have been obtained in the permanent kill of certain weeds and in the control of others. Used at the proper rates and according to the procedure recommended on the label of each container, Ammate offers excellent results to help combat the losses caused by certain weeds.

Poison ivy, poison oak and poison sumac are particularly noxious to the animal. Ammate will generally eliminate such plants.

STROY, 2-4% Weed Killer
“Stroy” is unlike any other of the hormone weed killers. It is the ammonium salt of the dichlorophenoxyacetic acid and is sold only in the convenient tablet form.

Extensive tests with “Stroy” have proved it to be highly effective on a number of noxious annual and perennial weeds. The tablets disintegrate within thirty seconds and completely disappear in the water within five minutes with occasional stirring. Then it is ready for spraying. You will find “Stroy” an easier, more convenient and effective weed killer.

Prices: Small size pkg. (25 tablets, treats 1/3 A. ft.) $1.00; 10 A. ft. Large size pkg. (100 tablets, treats 5,000 sq. ft.) $3.40; $3.50, postpaid.

ADVANTAGES
• Ammate is not considered poisonous and may be used safely on weedy-infested areas without danger to livestock and human beings.
• Ammate is particularly useful in temporary soil sterilizing effects, varying with the soil. Treated areas may be used for growing crops during the same season.
• Prices: 2 lb. size 75c; 90c, postpaid. 6 lb. size $1.60 express collect.

Agricultural BORAX
Correct boron deficiency in your soils easily, quickly and economically with BORAX. 25 lbs. $2.00; 100 lb. bag $6.00.

NOD-O-GEN — pre-tested INOCULATOR
More and more growers have become convinced that the use of a good inoculator . . . on legume seed just before every planting . . . pays big returns.

Before being released for use, every lot of NOD-O-GEN is pre-tested in Laboratory and great stations to make certain of the control of billions of vigorous bacteria of the right kind. Be sure to name seeds to be inoculated when ordering.

GROUP 1 — Alfalfa, Sweet Clover, Bur Clover, Hubam, Clover and Black Medie. Prices: Bu. 50c; 1/2 bus. $1.00, postpaid.

GROUP 2 — Clovers, Med. red, Crimson, Mammoth, Alsike, White and Wild Dutch. Prices: Bu. 50c; 1/2 bus. $1.00, postpaid.

GROUP 3 — Lespedeza, all varieties. Sicerca, Harbins, Bermuda, Common, Hullered or Unhulled. Price: 100 lbs. 50c, postpaid.

GROUP 4 — Soybeans, all varieties. Prices: 2 bus. 30c; 5 bus. 55c; 25 bus. $2.50; 50 bus. $3.00.

GROUP 5 — Cowpeas, Peanuts, Lima Beans, Velvet Beans, Crotalaria, Kidua and Mung Beans. Prices: 2 bus. 30c; 5 bus. 55c; 25 bus. $2.50; 50 bus. $3.00, postpaid.

GROUP 6 — Field Beans, Wax, String, Navy, Snap, Kidney and Scarlet Runner. Price: Bu. 35c.

GROUP 7 — Large Package — All Vetches — Spring, Wild, Common, Hairy or Winter and Hungarian. Peas, Ocean, Cana, and Sweet and Canning Beans, Broad Bean, Lentil. Prices: Bu. 35c; 100 lbs. 55c, postpaid.

GROUP 8 — Garden combination for Garden Peas and Beans, Sweet Peas, Lima Beans and Lupine. Prices: 5 lbs or less 10c, postpaid.

GROUP 9 — Lupine. Price: 100 lbs. 35c.
HORMONIDES

HORMODIN POWDER
Cuttings treated with Hormodin Powder root quicker, establish themselves more readily, and have more growing roots per cutting. Can also be used for seed treatment. Supplied in three strengths, paralleling the range of hormones in nature.

Directions and complete name-list in each package.

Hormodin Powder No. 1 The general purpose powder designed for the home gardener or commercial florist.
1/4 oz. trial packet, each 1/2 oz. trial, each 1 lb. tin (for 35,000 cuttings) each 3.00 postpaid Additional strengths are available for hard-to-root species.

Hormodin Powder No. 2 For propagating many woody and semi-woody types of plants.
1 oz. tin, each 1 lb. tin (for 30,000 cuttings) each 4.50 postpaid

Hormodin Powder No. 3 For propagating the more difficult-to-root varieties.
1 oz. each 1 lb. tin (for 15,000 cuttings) each 4.50 postpaid

Combination Package A convenient combination package is available, containing a supply of the three Hormodin Powders, adequate for treating hundreds of cuttings, 75c, postpaid.

YELLOW CUPRICOIDE Prevents damping-off. Effective control of Blue Mold, 12c. Yellow Cuprício and 1 gal. S.E.C. Oil with 50 gals. water. Also use 1 level tablespoon to 2 gallons water for potatoes, tomatoes, melons and vine crops instead of Bordeaux. 3 lb. bag $1.47; case lots (15 lbs. bags) at 47c.

CYANOGAS A DUST Kills moles, rats, mice, bed bugs, clothes moths, ant, grape leaf hoppers, etc. 1 lb. can 75c; 5 lb. can $3.25 lb. drum $10. Cannot be mailed.

CYANOGAS G FUMIGANT For greenhouse, flour mill and grain fumigation. Kills whitefly, aphis, moths, weevil, rats, mice, 5 lbs. $3.75; 10 lbs. tin $10; 100 lb. drum $25. Cannot be mailed.

CYANOGAS FOOT PUMP Especially designed and built for the application of Cyanogas, around dumps, barns, buildings, etc., enabling operator to deposit the dust in trenches and burrows, for more effective control of rats. Small pump (1 lb. capacity) $7.50. Large pump (5 lb. capacity) $13.50, f.o.b. Raleigh.

GAMEZOFF An effective repellent in the form of a spray when applied to shrubbery, lawns, porch, etc. 3 oz. bottle 60c, postpaid. Not prepaid, 60c.

DOWSPRAY 9 An effective mineral oil insecticide combination for the control of corn ear worms. Apply to the silks about the third or fourth day after the first silks appear. Kills the larvae present and leaves a barrier which further prevents new feeding. 1/2 pint 70c; pint $1.15, postpaid. Not prepaid, 1/2 pint 60c; pint $1.00.

APPLICATOR FOR DOWSPRAY 9 Fits 1/2 pint bottle only. $1.25, postpaid.

ETHYLENE CHLORHYDRIN Liquid for spraying fall Irish potatoes. To 1 part Ethylene Chlorhydrin add 32 parts water and dip potatoes. 1/2 pint 60c; pt. $1.00, qt. $1.25, postpaid. Not prepaid, gallon $5.50.

HORMONES

ROOTONE, the plant hormone powder, for faster rooting for cuttings. Simply dip the cutting into the powder and plant as usual. Also dust your seeds with this powder. The treatment produces heavier roots and a larger crop on many kinds of seed. Use one ounce to each bushel of seed corn, 1/4 ounce packet 75c; 2 ounce jar $1; 1 pound can $5, postpaid.

Transplantone, the hormone-vitamin powder for starting plants out right. Take a level teaspoon of TRANSPLANTONE to each gallon of starting water when setting out plants. Produces earlier maturity, larger crops on tomato, tobacco and sweet potato plants. 1/2 ounce packet 25c; 3 ounce can $1; 1 pound can $4.60, postpaid.

FRUITONE

FRUITONE, the hormone spray for stopping premature drop of fruit, flowers and leaves. Squash, 25c; 1 oz. bottle $1.75; lb. $2.45; 2 lbs. $3.85; 5 lbs. $7.65; 10 lbs. $11.50, delivered. Not prepaid, oz. 35c; 5 ozs. $1.05; lb. $2.50; 2 lbs. $3.70; 5 lbs. $6.90; 10 lbs. $11.65.

ANTORB, 2 oz. bottle 50c; pint 85c.

Bordeaux Mixture, Dry For fungus disease of Fruit Trees, Shrubs and Flowers. Especially effective on black spot on Roses. Fungus troubles must be prevented by spraying at regular intervals. Lb. 35c; 4 lb. pkg. 75c.

Carbon Di-Sulphide For feeding weevils, etc. Lb. 50c; 5 lbs. $2.00. Cannot be mailed.

CRO-TOX Protects seed corn from crows, blackbirds, squirrels, woodchucks, moles, wireworms and grubworms, saving from loss of seed and replanting. Does not injure the seed corn nor clog the planter. Small can (bushel size) 70c; large can (2 bushel size) $1.10, postpaid. Not prepaid, 1/2 pint 60c; pt. $1.00.

PATENTS PENDING

INSECTICIDES

CRYOLITE

A superior insecticide in the control of many of our most serious insect pests. Investigations by both Federal and State entomologists reveal a continually increasing number of pests controlled effectively with Cryolite. Generally Cryolite mixed 3 lbs. to 100 gal- lons (1 1/2 level tablespoon per gallon) for spraying or thoroughly mixed equal parts with water for dusting will give effective control of chewing insects. For heavy infesta- tions, increase the Cryolite by one-half. Never use with lime. Ask for free bulletin. Prices: Lb. 45c; 4 lbs. 90c, postpaid. Not prepaid, lb. can 25c; 4 lb. bag 75c.
and FUNGICIDES for every need

FISH OIL SOAP
This Polish F. O. Soap controls scales and aphids on plants. Lb. $4.50; 5 lbs. $17.50, postpaid. Not prepaid, lb. 35c; 5 lbs. $1.50.

FORMALDEHYDE
Used in fumigating and seed treating. Pint 50c. Cannot be mailed.

GRAPE DUST
Best remedy for mildew. Pkt. 35c, postpaid.

LETHANE SPREADER
Use with Lethane 440 for high dilutions or in hard water. An excellent spreader for use with commonly used insecticides. Qt. 75c.

PRATT’S DDT 25% DILUTES WITH WATER
Pratt’s 25% DDT has a wide range of use, from 1 to 4 dilution for fly control in farm buildings, 1 to 400 for orchard and garden spraying.

ORCHARD SPRAYING. For the control of codling moth Pratt’s 25% DDT has been found most effective. Add 2 pints Pratt’s DDT per 100 gallons to the cover sprays of arsenate of lead and fungicide. For leaf roller, leaf hopper, gypsy moth, Japanese beetle, and even oriental peach moth, add 2 pints per 100 gallons to the spray at that time and repeat as necessary. Figure the residual effect of DDT at concentrations sale on foliage to last about 10 to 14 days.

As with any contact spray, do not apply DDT when bees are working and do not apply to ripening fruits and vegetables. DDT is about one-half as toxic to foodstuffs as arsenate of lead, and while it is used at much weaker dilutions, precautions should be observed.

flies, mosquitoes, gnats and fleas. For the treatment of barns, dairies, kennels, outside porches and screens, use 1 part Pratt’s 25% DDT to 4 parts of water (5% solution). Spray walls, ceiling, and objects upon which the insects may alight with a thorough mist. This spray is not intended for treatment of finished interiors in homes. While it may last for 2 or 3 months in farm buildings, it should be repeated more often on subjects to weathering, although Pratt’s 25% DDT is dispersed in a comparatively unsolubilizing form. Avoid spraying feeding troughs or contaminating foodstuffs. It is non-irritating and does not create a fire hazard in the buildings sprayed. 1 1/2 oz. bottle 45c; 8 ozs. $1.15, postpaid. Not prepaid, oz. 35c; 8 ozs. $1.00; qt. $2.45.

BLUE MOLD IN TOBACCO SEEDBEDS
FERMATE at the rate of 2 lbs. per 100 gallons sprayed at 3- to 4-day intervals is the most simple and effective way to control tobacco blue mold in most areas.

APPLES
For control of scab, cedar apple rust, quince rust, apple blemish, black rot (frog-eye), Brooks fruit spot and bitter rot.

PEARS
For control of pear scab.

CHERRIES
For control of brown rot and leaf spot.

BEANS
For control of anthracnose.

TOBACCO
For control of anthracnose fruit spot.

FERMATE is a protective, not a curative, fungicide. It must be applied before, not after, disease infection occurs. This means that new growth must be thoroughly covered with FERMATE sprays or dusts prior to and during infection periods. Price: 1 lb. bag $2.75, postpaid. Not prepaid, 3 lb. bag $2.50.

LUCKY STRIKE FOR ROSE
Kills chewing and sucking insects. Prevents mildew, black spot rust and certain fungus diseases on roses, delphinium, hollyhocks, phlox, etc. Will not burn foliage. Contains color, foliage or blooms. No. 2 Kit makes 64 qt. $2.60, postpaid. No. 3 Kit makes 150 quarts, $5.50, postpaid.

LETHANE 440
Contact insecticide. Used with the usual poisons and Cupricide. Gallon $8.50, postpaid.

LINSO SOAP
A wetter and sticker for use with Sulfoicide. Price: 1/2 pint bottle 35c each.

LIME SULPHUR, DRY
For San Jose scale. For fall and spring spraying, use 12 to 15 lbs. to 50 gallons of water. Summer spraying, 2 1/2 to 3 lbs. to 50 gallons of water. Lb. 35c; 5 lbs. $1.50, postpaid. Not prepaid, 12 1/2 lb. bag $2.25.

MAGNESIUM ARSENATE
Used primarily for controlling Mexican Bean Beetles. Does not burn such tender foliage as beans. 1 1/2 level tablespoonful to 1 gal. water for spraying or one part Magnesium Arsenate to 3 to 5 parts of lime or flour for dusting. 12 oz. can 35c; 2 lb. bag 10c; 100 lb. drum $25.00.

MOLOGEN
For lawns, flower and bulb beds, estates, golf courses and institutional grounds infested with moles. It is easy to use—acts quickly and surely. 1/2 lb. can 60c, postpaid.

ORTHODICHLOROBENZENE
Used extensively in the extermination of termites. Qt. 60c; gallon $1.75; 5 gallons $7.50.

PARA-DICHLOROBENZENE
Recommended by N. C. Experiment Station for control of Blue Mold. Effective control for peach tree borers. 25 lbs. $7.75; 50 lbs. $10.25; 100 lbs. $19.25; 250 lbs. $36.00.

PARA-SCALECIDE
A liquid treatment for peach borer control. Safe not to use on peach trees of all ages. Simple, effective and inexpensive. Qt. can $1.60, postpaid. Not prepaid, qt. 8c; gal. $2.20; 5 gallons $7.00.

PARIS GREEN
For Leaf-feeding insects. Mix one pound of Paris Green per 100 pounds of lime, or with water to 50 gallons. 1/2 lb. 20c; lb. 50c; 5 lbs. $2.00; 100 lbs. $32.50.

RED ARROW SPRAY
A non-poisonous spray killing practically all insects on vegetable and flower plants and fruit trees. Especially effective against Mexican bean beetle. Oz. bottle 40c; 4 ozs. bottle $1.10; pint $3.00; qt. $5.25, postpaid. Not prepaid, oz. 35c; 4 ozs. $1.00; pt. $2.85; qt. $5.00; gal. $16.00.

ROTENONE 3 1/2%
Non-poisonous dust for aphid leaf hoppers, cabbage worms, bean beetles and other insects. Contains no lead arsenate or flourine. 2 lb. bag 60c, postpaid. Not prepaid, 2 lb. bag 45c.

RAT BAIT-KRO
(KILLS RATS ONLY.) Non-poisonous. Mix with 1 1/2 pounds of bait. 90c, postpaid.

RAT BISCUITS
(KILLS RATS ONLY.) Ready prepared in small handy biscuit baits. Per pkt. 45c, postpaid. Not prepaid, per pkg. 35c.

SABADILLA
A 50% strength especially prepared Sabadilla dust, which, when thoroughly mixed at the rate of 1 pound with 1 1/2 pounds TALC (listed below) provides a quick and positive control for the troublesome Harlequin or Terrapin bug. Sabadilla also controls squash bugs, chinch bugs, cabbage worms, leaf-hoppers on potatoes, beans and peanuts, blintnosed leafhopper and fireworm on cranberries, and cattle lice. Lb. 90c, postpaid. Not prepaid, lb. 75c.

SCALECIDE
For fruits and ornamentals. Scalecide as a dormant spray. 1 part to 15 parts of water. Not only makes scale control more certain, but also increases the vigor and production of the trees. Growers who have recently been using cheap oil sprays are awakening to the fact that their trees have lost the vigor and production which Scalecide formerly gave them. Qt. 90c, postpaid. Not prepaid, Qt. 75c; 1 gal. $1.75; 5 gallons $6.35; 10 gallons $10.90; 15 gallons $14.55; 20 gallons $23.75.

SELOCIDE
Kills Red Spiders. Gallon $3.50; 5 gallons $16.75.

BUREAU OF STANDARDS
HOUS HOLD MEASUREMENTS

HOW TO USE DILUTION TABLE
This Dilution Table indicates the quantities of any given spray material to add to a given quantity of water to give the desired dosage (strength) of spray.
All liquid or semi-liquid materials are proportioned directly on a liquid basis, e.g., 1 to 100 dilution indicates that one gallon of spray material should be diluted with water to make 100 gallons of diluted spray (or three tablespoonfuls to make one gallon of diluted spray).

Diluents such as Lead Arseneate or "BORÉO" are proportioned by mixing a given number of pounds of spray material with water to make each 100 gallons of diluted spray. To aid in mixing, the table shows the smaller quantities of dry materials in convenient household measuring units.

NOTE: When two or more spray materials are combined in one spray mixture the same water is used to dilute all the materials.
Pratts, Poultry and Livestock REMEDIES

Quick Pick-Up for Egg Production! For a quick pick-up in egg production, add Pratts Poultry Regulator to your mash feed. It makes the feed more complete. It brings out-of-condition birds back into production. It supplies "Trace Elements" nature's own health food. Excellent for growing birds. Prices: 2% lb. pkg. 65c, prepaid; 10% lb. pkg. (50c) 2 lb. pkg. $1.00; 25 lb. pall, $3.25.

Pennies for Worming Bring Back Dollars! Wormy birds cannot lay or grow well. Get rid of worms with Pratts "Split-Action" Worm Capsules. Each capsule does the work of two ordinary worm treatments. It treats several types of worms. Contains Phenothiazine, the new miracle wormer that is 98 to 100 per cent effective in killing or expelling cecum worms. For chicken or turkeys. Prices: (Adult Size): 50 tablets 85c; 100 tablets $1.50; 250 tablets $2.50; 1,000 tablets $9.00. Pullet size: 50 tablets 50c; 100 tablets $1.00; 200 tablets $1.75; 1,000 tablets $6.50, prepaid.

Pratts Poultry Worm Powder! A flock worm treatment for large, round and cecum worms. Just add it to the mash. Contains Phenothiazine. Also an astrigent commonly recommended for healing irritated intestine and a tonic to hasten recovery of birds. Prices: Small pkg. (Treats 100 hens) $1.10. Large pkg. (500 hens) $4.50, prepaid.

Pratts Poultry Inhaldant... For more efficient relief from the symptoms of colds, use Pratts Inhaldant. It's "water soluble" and can mix with and penetrate the watery secretions of the nasal tract. Prices: 1 pt. bottle 85c; quart bottle $1.45, prepaid.

Pratts R-P Tablets... For use in the drinking water of adult birds at all times and particularly when the flock has a cold or other illness. Prices: Pkg. (about 75 tablets) 30c; large pkg. (about 175 tablets) 60c, prepaid.

Kill Lice and Mites... This EASY WAY! Just apply Pratts Roost Paint to the tops of the roosts and the cross arms. No handling of birds. Lice and mites are killed both by fumes and contact. Works under any hen house conditions. Prices: ½ pt. can $1.15; pt. $1.90; qt. $2.65; gal. $7.80, prepaid.

Pratts Powdered Lice Killer... Especially good for delousing birds on range. Just shake some into the dust bath. An effective treatment for lice on live- stock, too. Prices: Small size 40c; large size 70c, prepaid.

Pratts Chick Tablets... Protects the chicks' drinking water all day... not for just a few hours. Floats on top of the water. Gives off fresh medication gradually and constantly. Prices: Pkt. (about 30 tablets) 30c; large pkg. (about 75 tablets) 60c, prepaid.

Pratts Pik-No-Mor... Valuable in preventing and breaking up outbreaks of feather picking and cannibalism. Easy to apply. Inexpensive. Effective. Price: 70c, prepaid.

Avoid Heavy Losses From Bloody Coccidiosis! Pratt's C-Ka-Gene, fed as directed on the package, stops those awful losses and setbacks Bloody Coccidiosis causes. It helps establish immunity (permanent protection). Now successfully protecting its second 100 million chicks. It can save yours. Prices: 50 chick size 85c; 100 chick size $1.45, prepaid.

Pratt's Animal Regulator! This famous, old, reliable stock tonic and conditioner now contains vitamin D and "Trace Elements." Aids appetite and digestion. Helps livestock produce better on the same feed. Completes mineral diet. Guards health. Prices: Lb. pkg. 35c; 1½ lb. pkg. 65c; 6 lb. pkg. $1.15, prepaid.

Give Your Milk Check a Tonic! Add Pratt's Cow Tonic to your Dairy Feed. Aids appetite and digestion. Helps cows produce more milk from the same feed. Valuable conditioner. Especially helpful at calving time. Prices: 1½ lb. pkg. 70c; 3½ lb. pkg. $1.35, prepaid.

Pratt's Bog Ointment... This soothing, benzenoated ointment has peculiar penetrating powers that makes it extremely effective in relieving udder troubles. Keep on hand at all times. Price: 35c, prepaid.

Pratt's Hog Powder... Completes the mineral diet hogs need. It supplies valuable conditioners. Rich in vitamin D that saves feed. Contains "Trace Elements" which keeps hogs so content they root the ground less. Prices: 3 lb. pkg. 65c; 7 lb. pkg. $1.15, prepaid.

Pratt's Fly Spray... Kills flies on contact and also gives maximu mum effectiveness in keeping flies off your cows. Sprays easily. Does not gum or mat hair. Is almost colorless. Does not taint milk when used as directed. Price: 1 gallon can $1.50, not prepaid.

Pratt's Zene-A-Trol! (Phenothiazine) New "miracle" wormer for hogs, sheep, cattle, chickens and turkeys. Discovered by the U. S. Department of Agriculture. All authorities agree it promises to become the most valuable treatment yet discovered for removing worms from farm animals. Prices: ½ lb. pkg. $1.19; lb. pkg. $1.60, prepaid.

Pratt's Medicated Powder! A soothing antiseptic powder that helps stop bleeding and starts the healing process. For galls, wounds, burns and other skin abrasions. Price: 30c, prepaid.

Pratt's Disinfectant! For general sanitation around poultry and livestock farms. It's a powerful germ killer and an effective dip for livestock. Pratt's Disinfectant is a standard coal- tar solution such as is recommended by all authorities for farm sanitation. Prices: Qt. 75c; gal. $1.65, prepaid.
Baby Chicks

100 Per Cent Live Delivery Guaranteed

HOW TO ORDER. To avoid any delay, use the order blank. Orders are filled in turn, so book yours in advance, if possible. State second and third choice if you can use other breeds.

Straight orders of one kind are best. Do not order too many different kinds at one time. We do not always have chicks of every breed hatching and this may delay your order. Do not wait until a week before you are ready for the chicks and expect to receive them by return mail, for the wise poultryman has placed his order weeks in advance and is likely to be getting them the same day you want them.

WALKO
A Valuable Drinking Water Antiseptic for all Poultry

Walco aids in preventing the spread of diseases through contaminated drinking water. For baby chicks, turkey, ducks and geese: 2 tablets to each quart of drinking water. For older birds: 2 to 4 tablets to each quart of drinking water. This widely used product may also be used as an external antiseptic for cleaning out the nostrils, eyes, etc., by dissolving 12 tablets in 1 pint of water. To insure getting the medicine well into the nostrils the head should be dipped.

CARBOLINEUM

For poultry house use, kills mites and lice (blue bugs). Carbolineum is also invaluable in brooder houses for the control of parasites. Other uses include food preservatives, staining, termites control, protection of planted corn against crows, field mice, worms and moles and many more.

Price: $2.00 per gallon.

TOXITE
Kills Red Mites, Bed Bugs, Spray roost and other breeding places. Kills red mites, bed bugs, blue bugs, fleas and similar pests. Use a common garden sprayer. One treatment usually lasts for months. For Colds. Spray thick mist in poultry house several times a day and above birds at night. 1 qt. 50c; 1 gal. $1.50.

MORTON METHOD

for Meat Curing

IT’S EASIER, IT’S SAFER, IT’S FASTER—USED IN A MILLION FARM HOUSES

The real secret of fine meat-curing is the quality of the cure itself. Exactly the right ingredients all properly proportioned and blended—this is what makes meat curing a pleasure and a success.

The MORTON METHOD is a combination cure that cures meat from the inside out and the outside in, at the same time. The outside of the meat doesn’t have to be salty, dry or over-cured to make sure the meat next to the bone is perfectly cured.

Follow the easy curing steps shown on each package to get hams that are tender, sweet and rich in flavor, clear through to the bone. You will soon enjoy the finest meat you have ever tasted, a meat that brings praise from all the family.

Morton’s Smoke Salt 7½ lb. pkg. (for 75 lbs. meat) ........................................... $ .75
Morton’s Tenderquick 2½ lb. pkg. (for 75 lbs. meat) ........................................... .50

**Compressed-Air Sprayers**

Many of the country's outstanding sprayer manufacturers have converted all effort and facilities to the manufacture of war material. In addition almost all of the material on hand for sprayers is being used for war material. Consequently sprayers like all other new farm equipment will be scarce. If your sprayer can be repaired, we urge you to repair it. The sprayers offered here are offered from limited stock.

**Dobbins No. 21-G—Fun-L-Fill—3½ Gallon Galvanized tank. Price: $4.40.**

**Dobbins No. 34-G—Bighead—3½ Gallon open head type galvanized tank. Price: $5.60.**

**Dobbins No. 44-G—Bighead—4 gallon open head type galvanized tank. Price $7.20.**

**Myers No. 2242—Kwikfill—4 gallon heavy galvanized tank with built-in funnel top. Price: $7.25.**

**Myers No. 2240—Kwikfill—2½ gallon heavy galvanized tank with built-in funnel top.**

**Bucket Pumps**

Creates a continuous flow of fine mist as you pump. Never out of order—no valves or other small parts to wear. Any bucket or tub will serve as a tank.

**Myers Bucket Pump No. 327½.**

**Myers Bucket Pump No. 323.**

**Myers Bucket Pump No. 324.**

**Myers No. 1329-A.**

The perfect Knapsack Sprayer. Five gallon tank, five foot high pressure hose extension with adjustable nozzle. Undoubtedly the most serviceable sprayer for all round use. Price: $18.80.

**Dobbins No. 45-GA.** 4 Gallon open head type high pressure knapsack sprayer. Price: $19.15.

**Spray Hose**

No household complete without one. Useful for spraying shrubs, flowers, vegetable garden and household disinfectants, etc.

**Myers R131B Orchard Pump for closed top barrel, with 15 feet of hose and nozzle. Price (without barrel) $18.00.**

**Misty Hand Sprayers**

No household complete without one. Useful for spraying shrubs, flowers, vegetable garden and household disinfectants, etc.

**Dobbins 702 1 qt. capacity each 50c, postpaid. Dobbins 710 10 oz. capacity each 35c, postpaid.**

**Glass Substitutes**

The Unbreakable Substitute For Glass

Cel-o-Glass allows the ultra violet and other beneficial rays of the sun to penetrate—it shuts out winter winds, rains and hail. Cel-o-Glass is built over the finest strong screen covered with weather proof substance and will not break or tear. In 100 ft. rolls, 1 yd. wide. Per yard $1.35; per roll $39.00.

**Crystal Fabric.** Heavy waterproof cloth. Translucent. Prices: 5, 10 and 15 yard rolls at 30c yard. 50 and 100 yard rolls at 25c yard.

**R-V Lite.** Translucent, flexible material used extensively for enclosing porches, storm doors and windows around the home and as a substitute for glass on plant beds, poultry houses, barns, etc. Thirty-six inches wide on rolls 50 feet and 150 feet long. Per yard 50c; 50 ft. roll $9.50; 150 ft. roll $27.50.

**Seed Sowers**

**The Cahoon Seed Sower** will handle any seeds that are to be broadcast and sow them over 4 to 6 acres per hour. A great layer of seeds and time.

**Cyclone Victory Seed Sower.** Adjustable to any size seeds to be sown. Price: $2.50, postpaid.

**Hot Kaps**

Make More Profit

This Amazing New Method Gets Your Crop to Market Earlier

GERMACO HOT-KAPS can make you extra dollars this season. They protect plants from frost, wind, rain, insects, and ground crusting. Thus they produce harder, quicker crops. You get higher prices! Thousands were used in 48 states last year. They cost so little that growers cannot afford to be without them.

20,000 @ 10.25 per 1,000
PLANT JR. TOOLS

You cannot afford to till the ground without Planet Jr. tools. They not only save hard labor, but enable you to cultivate double the acreage in the same time, and thus add over 100 per cent to your crop yield. Invented by a practical farmer and manufacturer—the result of fifty years’ experience. Strong lasting construction. Fully guaranteed.

NO. 4—COMBINED HILL AND DRILL SEEDER AND SINGLE WHEEL HOE

The small grower should select one of the combined machines. The drill attachment will not be used as often as the hoeing and cultivating tools, but will be a source of much saving. This machine is a special favorite. There are probably more of them in use in the world than any other seeder made. As a Hill and Drill Seeder it opens the furrow, deposits the seed, covers it and rolls it, either in drills or hills. Holds 2½ quarts. Price, $21.00.

No. 4-D. Seeder only, no cultivating attachments. Price, $16.75.

NO. 12—DOUBLE AND SINGLE WHEEL HOE

The arch is high enough to straddle a row until plants are 20 inches high; this insures close work. It can be altered into an admirable single wheel hoe for working between rows. Price, $12.95.

Send for Complete Planet Jr. Catalog.

NO. 16—SINGLE WHEEL HOE

Designed to do all work required in the small garden: plowing, cultivating, hoeing and raking. It is very light, and can therefore be easily carried about. Price, $10.25.

NO. 19-R—SINGLE WHEEL HOE

A medium priced wheel hoe with all the attachments necessary for cultivating a small garden. Price, $6.50.

NO. 19—SAME AS ABOVE LESS RAKE, PRICE: $5.75.

NO. 220—PLANET JR. FERTILIZER DRILL

The No. 220 will distribute fertilizer in the middles of three rows 12 to 14 inches apart; it will side-dress one side each of two rows up to 20 inches apart (one complete row and corn in wider rows). You can use it in very narrow rows—as close as 6 inches. You can use it in 42 to 48-inch rows by closing off the flow in three spouts and distributing through the other three—either on the right or left hand side.

The No. 220 spreads fertilizer from 4 to 50 inches on the ground. The hopper capacity is 30 lbs. and the weight of the load is placed over the wheel, making it easy to push. The No. 220 will distribute 100 to 2,000 pounds of commercial fertilizer to the acre. Quantity per acre is regulated by a notched index on the right hand handle. The shut-off rod is operated from the same point.

Price: $31.50

NO. 9—PLANET JR. HORSE HOE AND CULTIVATOR

These Planet Jr. Horse Hoes and Cultivators are stronger, better made and finished than any other one-horse cultivators, and enable you to increase your yield, because they do a greater variety of work in corn, potatoes, cotton, beans, tobacco and other crops requiring similar cultivation, and do it more thoroughly. Cultivate deep or shallow, in different width rows, and the extra long frames make them steady running. All Planet Jr. cultivator steels are made of beveled steel thickest down the center, making them self-sharpening, and the points retain their shape and strength. No. 9 has lever expander, allowing quick adjustment for different width rows. Used with or without a wheel.

Price: $13.75.

NO. 100-D—PLANET JR. PLAIN CULTIVATOR

We offer this Cultivator with the object of filling a definite need where lands are light or where farming is done on a modest scale. It weights but 42 pounds. It will stand hard usage and do excellent work. A steady running tool and easy to handle and adjust.

Price: $8.35

Weight 42 lbs.

NO. 90—PLANET JR. TWELVE-TOOTH HARROW, CULTIVATOR AND PULVERIZER

This tool is a special favorite with strawberry, tobacco and sugar beet growers, market gardeners and farmers, because of its twelve chisel-shaped teeth. The teeth and pulverizer leave the ground in fine condition. Cultivates any width from 12 to 32 inches.

Price, complete with steel wheel, $18.50

Weight, packed, 74 lbs.

Some items on this page are not available at this time.

59
FOUR SHOVEL WOOD BEAM PLOW
WITH STEEL SHANKS

Price, $8.35

The best four shovel plows on the market. Steel shanks on the Wood
Beam plow are 1/4-inch x 1 1/2-inch. 3-inch x 9-inch double pointed
blades placed diagonally so that they leave the ground level next to
the plants and throw the furrow to the center of row. Especially useful
in sections where the soil is light and loose. Weight 42 lbs.

HEAVY FOUR-SHOVEL STEEL BEAM PLOW

Price, $9.40

Adjustable expanding and contracting beams of 1 1/4-inch x 1 1/2-inch
steel and 3-inch x 9-inch reversible blades. Weight 58 lbs.

EMPIRE ALL STEEL LIGHT, SHORT FRAME
CULTIVATORS

CHANNEL-FLAT SIDE AND CENTER BARS

Price, $8.05

Furnished with Handwheel Clamp and 2 1/2-inch Teeth. Length of
frame 45 1/4 inches. Weight 36 lbs.
Can also furnish with Bent Side Bars instead of Straight as shown in
cut.

14-TOOTH STEEL HARROW

Price, $8.50; with lever, $10.10

This tool is used for working very closely to small plants of tobacco,
corn, cotton, potatoes, etc. It thoroughly pulverizes, but throws no dirt
on plants. It is also used as a Straight Diamond Tooth Harrow, also as a
Smotherer with sharp points down in order to cut and level the surface;
the tooth, with sheared end down, being less liable to injure young plants
when smoothing over corn, potatoes, etc. Weight 55 lbs.

DIVERSE CULTIVATOR WITH LEVER EXPANDERS

PRICES
7 Tooth, $13.00
5 Tooth, 11.00

Same cultivators without levers $1.00 each less.

A universal cultivator or harrow, almost indispensable in the cultivation
of corn, cotton, potatoes, etc. This implement may readily be con-
verted into an A-shape cultivator with center tooth in front, a V-shape
cultivator with center tooth in the rear, a straight harrow or rake, or a
right-hand or left-hand side harrow.

"HALLOCK"
39 TOOTH WEEDER

Price, $26.00

Frame is made of 1 1/4-inch x 1 1/4-inch angles, well braced to insure
proper alignment. Teeth are made of carefully tested spring steel, oil
tempered, and have the requisite amount of flexibility and side motion
to insure proper cultivation. They will not injure the roots of the
plants, but scratch just deep enough to retain the moisture, 7 1/2 feet
wide. Weight 86 lbs.

"PARAGON" GARDEN CULTIVATOR

Price, $3.50

Light, strong and simple. A most complete and desirable garden cul-
tivator. An easy running, labor saving implement, well made and nicely
furnished. 18-inch wheel with 1 1/4-inch tire.
Outfit consists of Moldboard, Sweep, Reversible Bull Tongue, Rake
and Wrench. Weight 22 lbs.

RAPID SET STOCK PLOW

Rapid Set Stock Plow

This stock is, as the name would indicate, easily and quickly adjusted
to conform to the varied soil conditions and is manufactured under
the original patent. It is proving very popular wherever used. May
be used with Turn Shovel, Corn Shovel, etc., as well as sweep as shown
in cut. Weight 44 lbs. Price, less sweep, $6.10.

Some items on this page are not available at this time.
MASSEY-HARRIS
PROFIT-PRODUCING FARM EQUIPMENT

RACINE DISC HARROW
Curved draft bars and adjustable hold-down stirrups at inner ends of the gangs hold both inner and outer ends down to their work. The Racine Disc Harrow insures thorough pulverization and uniform, deep penetration at all times. 8 and 10 disc sizes with pole or truck carried in stock.

NO. 20 COMBINED GRAIN AND FERTILIZER DRILL
Two drills in one. A combination grain and fertilizer drill. A double-run positive force feed insures an even accurate stand and maximum yield under all conditions, with any kind of seed. Strong main frame. Large, built-in, combination hopper.

CLOSED END LEVER HARROW
There are no bar ends to catch on trees or posts when working near fences. Of ample strength, this harrow is flexible enough to render the most satisfactory field service. Each tooth bar hinges perfectly for angling or following the lay of the land.
50 Tooth Harrow 60 Tooth Harrow 70 Tooth Harrow

WHEEL GUIDE CULTIVATOR
A pivot axle cultivator with parallel gang movement. Quick dodging. Axle standards rest on a ball in the sleeves, making the machine easy to guide. One lifting lever raises and lowers both gangs. Clean and thorough cultivation.

NO. 31 TRACTOR DISC HARROW
A strongly built harrow that is easily controlled from the tractor. Hard maple bearings insure long life and reduce friction. Provision is made to take up end thrust in gangs. This harrow draws lighter and there is less wear on the standards.

NO. 10 DUMP RAKE
The teeth are designed to pick up all the hay without a tendency to dig in and collect dust and trash. A touch of the foot on the trip will dump the basket.

NO. 8 MANURE SPREADER
Spreads 6, 8, 12, 16, or 20 loads to the acre. Built low down for easy loading. Light draft, wide spread, fine shredding, simple adjustments, narrow tread, short turning, large capacity, rigid construction.

NO. 33 OIL BATH MOWER

MASSEY-HARRIS COMBINE
6 feet and 4½ feet sizes carried in stock. Write for descriptive catalogue and prices.

Price of machines on this page quoted on request, if available.
DUSTERS - SEED TREATERS - BEE SUPPLIES

R OOT HAND DUSTER

Where the acreage is not large enough to justify the use of Trac- tion or Power Dusters you will find the Root Hand Gun the ideal machine for controlling insect pests and fungus growth on plants. Equipped with double Y attachment for dusting two rows in one operation.

Hopper capacity is 7½ pounds. One Root Hand Gun will adequately protect an 8 acre crop.

Price with single outlet and "Y" $225.00
Price with single outlet only $19.98

R OOT TRACTION DUSTER

Because of its splendid design, balance and construction, this machine can be operated anywhere footing is soft, thus making it much superior to heavy machines. It handles so easily and operates with very little effort because all dead weight has been eliminated and with dust hopper empty weighs only 95 lbs., the lightest and most durable of two outlet traction duster on the market.

Hopper capacity is 20 pounds and the seasonal acreage capacity is approximately 60 acres.

Price of 2 Row Traction Duster illustrated here $74.25, and with 18 inch flexible Y $79.20.

G U STA F SON SEED TREATER

Careful tests conducted over a period of four years by the North Carolina Experiment Station show that escape of cotton planted with treated seeds, returns an average of 90% MORE than when untreated seeds are used. Tests also show substantial increases in the return from treated Wheat, Oats, Barley, Corn, Peanuts and other crops. At a cost of from 2c to 10c per acre, for seed disinfectant you can increase your per acre profits by many dollars simply by treating your crop seeds before planting. The Gustafson Seed treater offered here is one of the safest, simplest and most effective machines for the application of DuPont Seed disinfectants, and we recommend it for treating cotton, small grains and corn. Price $275 delivered.

FERTILIZERS

F-40. KENTUCKY BLUE GRASS. Prefers slightly sweet soil and is best suited to semi-shade. Average soils should be tried for. In the South this variety should never be cut shorter than 2 inches. For lawn work we select and offer only the purest seeds obtainable. Prices: lb. 75c; 5 lbs. $3.50. postpaid. Not prepaid, 10 lbs. $8.70; 25 lbs. $12.25; 100 lbs. or more at 8c lb.

F-43. ITALIAN RYE GRASS. Generally referred to as “Winter Grass” in the south where it is grown extensively for winter lawns. It will grow in any soil from early September till June. Sow 10 lbs. per 1,000 sq. ft. Prices: lb. 25c; 5 lbs. 85c; postpaid. Not prepaid, 10 lbs. $1.38; 25 lbs. $2.50; 100 lbs. or more at 11c lb.

F-45. RED TOP GRASS. A fine leaved grass, member of the bent family, excellent for lawns. Best adapted to moist, heavy soils but grows in all soils. Our extra fancy, heavily cleaned seeds are especially selected for lawns. Prices: lb. 35c; 5 lbs. $1.30; postpaid. Not prepaid, 10 lbs. $2.25; 25 lbs. $5.25; 100 lbs. or more at 20c lb.

F-49. HIGHLAND BENT GRASS. Finest of the bent for lawns where it withstands drought and abuse. Use 2 lbs. seeds thoroughly mixed into 5 to 10 lbs. of dried sand, and sow evenly over each 1,000 sq. ft. of lawn area. Prices: lb. $1.10; 5 lbs. $5.60, postpaid. Write for quantity prices.

F-80. Wyatt’s Fancy White Dutch Clover. Our carefully grown Fancy White Dutch Clover is produced especially for lawns. It is extremely hardy in cold or heat and its even, dwarf habit of growth adds to its value in the lawn. Prices: lb. $1.35; 5 lbs. $6.45; 10 lbs. $11.00; 25 lbs. $26.25; 100 lbs. or more at $1.00 lb.

CONVERTS GRASS CLIPPINGS, SEEDS, LEAVES AND OTHER NON-WOODY MATTER INTO VALUABLE COMPOST.

Prices: $1.30; 3% lb. box $1.00; 25 lb. bag (enough for 20 wheelbarrows of debris) $2.00; 150 lb. bag $10.00.

RAW BONE MEAL

Excellent for rose beds, flower beds, garden and field crops, and for top-dressing lawns. Prices: 5 lbs. 25c; 10 lbs. 50c; 25 lbs. $1.00; 100 lbs. $3.25. Not prepaid.

LIME

Finely ground agricultural limestone. Use 10 lbs. per 100 sq. ft. to sweeten acid soils. 100 lb. bag 75c. Write for quantity prices.

ALUMINUM SULPHATE

Use 1 lb. to 25 sq. ft. to make soils acid for acid loving plants. Mountain Laurel, Rhododendrons, Azaleas, etc. Prices: lb. 25c; 5 lbs. $1.00; postpaid. Not prepaid, lb. 15c; 25c; 5 lbs. 60c; 10 lbs. $1.00.

PEAT MOSS

For new lawns 1 bale should be thoroughly pulverized and mixed in each 100 to 200 sq. ft. of lawn area. Nothing is so beneficial to establish lawns as a bale of peat mixed with 100 pounds of Sheep Manure applied to each 2,000 sq. ft. 2 or 4 times each summer. Peat should also be used liberally in gardens, flower beds, and borders, and as a mulch, for shrubbery, because of its capacity to hold moisture. $2.75 per bale f.o.b. Raleigh.

The first requisite for a lawn of any kind, be it permanent or merely temporary, is good soil. Good soil from a point of plant growth must have these three vital parts: Plant food, moisture, humus. Most of us are familiar with the first two of these but some of us are not so familiar with the third—humus. Humus is that part of an ideal soil that renders it porous and loamy. It prevents heavy soils from packing or baking and adds “body” to light or sandy soils thereby increasing their moisture-holding capacity. Therefore, since plant foods must be in a liquid form before they are available to plants, humus is the most important of the three vital parts of an ideal soil. Heavy soils without humus are so tightly packed that they have no room for moisture. Loose sandy or light soils, while having great capacity for moisture, drain so rapidly that they become very dry too often for healthy plant growth. And so we see then that humus added to heavy soil increases its capacity for moisture while preventing its packing or baking and when added to sandy or light soil increases its ability to retain moisture.

Wyatt’s Peat Moss, listed on this page, is the finest type of humus available since it is perfectly pure, containing no weed seeds or harmful bacteria and has a moisture capacity of 15 times its own weight. Where the area is too great to permit the use of commercial peat for humus we recommend successive plantings of cover crops for turning under, legumes preferred. Humus derived in this manner has the advantage of being much higher in plant food content than commercial peat. A third source for humus is through the use of animal manures. We do not recommend manures unless they are known to be thoroughly rotted and free of weed seeds and harmful bacteria. As the humus diminishes it must be replaced from a compost heap made of leaves from trees or grass clippings or from some equally generous source, and scratched into the lawn from time to time. However, once the soil is well built up with humus and a constant supply for the future is provided the problem of growing a permanent lawn is solved.

After the soil has been thoroughly broken apply 4 lbs. of Vigoro per 100 sq. ft. Prepare a fine seed bed and allow to settle. The seeds may be sown on the scarified surface, using 1 pound to each 200 square feet. After seeding the lawn should be rolled. Germi- nation will be hastened if the surface is moistened with a very fine mist from the hose every day until the grass is up. When the lawn is established it should never be sprinkled, but instead roased once a week.

Established lawns should be fed regularly. 100 lbs. Sheep Manure thoroughly mixed in 1 bale of peat should be applied as a top-dressing to each 2,000 sq. ft. 3 to 4 times each summer followed by an application of 6 lbs. of bone meal per 100 sq. ft. each fall.

TOBACCO DUST

Supplies organic potash and nitrogen. It will increase the value of any chemical fertilizer when used in equal parts. Price: 100 lb. bag $2.50.
Wyatt's Lawn Grass Seed

A smooth green lawn is your home's greatest beauty asset. Deep, thorough preparation, proper fertilization and good seeds are the most important steps toward a successful lawn. Read what we have to say on page 64 (opposite), "How to Make a Beautiful Lawn," then select the mixture below, most suited to your needs. The results will please you.

**Wyatt's Carolina Lawn Grass Mixture**

F-60. **Wyatt's Carolina Mixture** of lawn grass seeds is an improvement on all of the better mixtures offered heretofore at comparative prices. Our constant experiments have taught us just what grasses are best suited to the eastern and southern states. The finest seeds of these varieties are carefully reclaimed and blended into our Carolina Mixture so as to give the very best results obtainable. Sow 5 lbs. per 1000 sq. ft.; Prices: 1 to 4 lbs., $1.25 per lb.; 5 to 24 lbs., $1.15 per lb.; 25 to 99 lbs., $1.00 per lb.; 100 lbs. or more at 95c per lb., prepaid.

**Wyatt's Colonial Lawn Grass Mixture**

F-58. **Wyatt's Colonial Mixture.** The continued demand for a mixture of the finer leaved grasses has led us to prepare this Colonial Mixture consisting largely of the best varieties at bents and fescues. While the price per pound is higher, only a fraction of the quantity required of other grasses is required of the Colonial Mixture, leaving very little, if any, difference in the total cost for seeding. Once the lawn is seeded to these grasses of vastly superior beauty, all other varieties will be discarded. Use 2 lbs. per 1000 sq. ft., Prices: 1 to 4 lbs., $1.25 per lb.; 5 to 24 lbs., $1.15 per lb.; 25 to 99 lbs., $1.10 per lb.; 100 lbs. or more at $1.05 per lb., prepaid.

**Wyatt's Sunny South Lawn Grass Mixture**

F-59. **Wyatt's Sunny South Mixture.** For lighter soils and soils that become extremely dry, and in locations subjected to extreme heat during the summer months Wyatt's Sunny South Mixture of lawn grasses is recommended. The grass varieties used on golf greens over the entire South predominate in this mixture. Only the purest seeds are used. Sow 5 lbs. per 1000 sq. ft. Prices: 1 to 4 lbs., $0.60 per lb.; 5 to 24 lbs., $0.55 per lb.; 25 to 99 lbs., $0.52 per lb.; 100 lbs. or more at 50c per lb., prepaid.

**Wyatt's Shady Nook Lawn Grass Mixture**

F-61. **Wyatt's Shady Nook Lawn Grass.** A carefully blended mixture of grasses best adapted to shaded situations. Use 5 lbs. per 1000 sq. ft. Where the soil is acid from poor drainage or drippings from trees, occasional application of agricultural lime should be made at the rate of 5 to 6 pounds per 100 sq. ft.; Prices: 1 to 4 lbs., $0.60 per lb.; 5 to 24 lbs., $0.50 per lb.; 25 to 99 lbs., $0.45 per lb.; 100 lbs. or more at 40c per lb., prepaid.

Climbing Roses

**Blaze** (Plant Patent No. 10.) Scarlet-crimson. This brilliant red Rose resembles Paul's Scarlet Climber in growth and bloom. It makes a gorgeous show for weeks in June. Under favorable conditions it often repeats in the fall.

$1.50 each; 3 for $3.75

**New Dawn** (Everblooming Dr. W. Van Fleet). (Plant Patent No. 1.) Blush-pink. Awarded a Gold Medal by the American Rose Society for "the best hardy Everblooming Climbing Rose ever produced anywhere in the world." This record remains unchallenged. Provides masses of lovely, pale pink, fragrant blooms, like Tea Roses, on long cutting stems in June, and repeats its bloom until hard frost. Use New Dawn on arches, arbors, fences and trellises.

$1.50 each; 3 for $3.75

12 Roses, Our Selection

$11.50

Two-year, field-grown monthly blooming Hybrid Tea Roses. No two alike in the same set of twelve.

Because of the scarcity of good Roses this year, it is impossible for us to know just what varieties we will have for spring when our catalog goes to press. We are, therefore, making this unusual offer in order to supply your Rose needs.

You save money because every Rose we include retails at $1.10 or more.

8 Roses, Our Selection

$7.95

(Less than 8 Roses can be supplied at $1.10 each if the selection is left entirely to us.)
Hardy Chrysanthemums

For Glorious, Colorful Fall Flowers

Easy to grow and sure to bloom, the Chrysanthemums we offer here have been carefully selected as being the best of the many kinds available. Planted in the spring, these inexpensive plants will give a glorious show of exquisite color next September and October and for many autumns to follow. Unexcelled for garden display and for cut flowers. All you need is a sunny spot and good garden soil.

4 FINE NEW KINDS. 75c each

We have carefully selected these as being among the best of the newer introductions. We recommend them as desirable additions to your garden.

APRICOT GLOW. Apricot-bronze. The earliest Cushions to bloom. Plants 18 inches high, and sometimes 3 feet across are covered with double blossoms.

BURMA. Glistening bronze with tints of soft orange and copper on vigorous, compact, well branched plants from late September on through the beautiful days of autumn.

GLOWING SPOON. Dark bronze buds open to 3-inch flowers of glowing bronze spoons which radiate from a cushion center of clear yellow. Healthy, vigorous plants. An outstanding novelty.

PINK RADIANCE. Luminous pink blossoms 3 inches or more across cover 2½-foot plants from late September till frost.

OFFER 40. The 4 for $2.50

SPOON CHRYSANTHEMUMS. 50c each

This unique new type has proved exceedingly popular. All are charming and very free in bloom. The long petals are quilled almost to the tips, which open like little spoons.

PINK SPOON. Lavender-pink.
WHITE SPOON. Lovely large white.
YELLOW SPOON. Bright yellow.

OFFER 42. The 3 for $1.25

7 LARGE-FLOWERED KINDS. 50c each

Of proved popularity, these represent the best large-flowered outdoor varieties in a wide range of colors.

AVALANCHE. Extra large, densely double, white flowers in early September.

BETTY. Midseason. Long-stemmed plants with enchanting double blooms of apple-blossom-pink.

CHIEF. Large Aster-purple blooms in September. Vigorous, healthy and attractive.

KING MIDAS. In late September, King Midas touches the tip of every branch and it promptly turns to bronzy gold.

MRS. PIERRE S. du Pont III. No double Mum compares with this magnificent creation. It is a glorious blend of rosy salmon, peach-pink and fawn. A perfect cut flower. Height 2½ feet.

RAPTURE. Orange-bronze with carmine suffusion.

OFFER 41. The 7 for $2.85

3 SINGLE-FLOWERED KINDS. 50c each

Like colorful long-stemmed Daisies they are excellent both in the garden and for cut flowers.

APOLLO. Sparkling orange-bronze, remarkably free. Height 2½ feet.

ELSIE. Midseason. Large 2½-inch clusters, single blooms of Buttercup-yellow that look like glorified Daisies.

PINK CHARM. Glowing pink.

OFFER 43. The 3 for $1.25

CUSHION CHRYSANTHEMUMS. 50c each

Lovely clumps 15 inches high covered with bloom for weeks in autumn. Excellent for mass effects on banks and in beds, for borders and for spotting in the front perennial beds and shrubbery. Every home has a place for these.

CHAMPION CUSHION. Red with bronze shading. Very free in bloom.

LAVENDER LASSIE. Dense low plants are smothered with lavender blossoms.

MY LADY. Orange-yellow, early.

SEPTEMBER CLOUD. White.

OFFER 44. The 4 for $1.65

LARGE-FLOWERED GREENHOUSE KINDS

For Late Bloom. 50c each

Especially Suited to the South

We offer four of the earlier, large-flowering Chrysanthemums such as are grown by florists. These flower in late October and can be grown in the garden except in the northern states, although it is well to protect them on frosty nights with an old sheet or similar cover. Disbud to 3 to 6 flowers for specimen blooms.

HILDA BERGEN. Dark bronze.
MRS. H. E. KIDDER. Yellow.
OCTOBER ROSE. Lavender.
SILVER SHEEN. White.

OFFER 46. The 4 for $1.65
